## **1.0 INTRODUCTION**

The South Creek Community Development District ("the District") encompasses approximately 136.534 acres in Hillsborough County, Florida. The District is located within Sections 18 and 19, Township 31 South, Range 20 East and is vacant land with various abutting subdivisions.

See Appendix A for a Vicinity Map and Legal Description of the District.

## **2.0 PURPOSE**

The District was established by Hillsborough County Ordinance 21-1 effective on January 12, 2021 for the purpose of constructing and/or acquiring, maintaining, and operating all or a portion of the public improvements and community facilities within the District. The purpose of this Report of the District Engineer is to provide a description and estimated costs of the public improvements and community facilities being planned within Assessment Area Two of the District.

## **3.0 THE DEVELOPER AND DEVELOPMENT**

The District lands are currently planned to contain 46 residential units. Simmons East, LLC and Simmons East Development LLC own the land within Assessment Area Two, corresponding to Phase 4 of the development.

See Appendix B for the Assessment Area Two Site Plan.

The possible major public improvements and community facilities for Assessment Area Two include, but are not limited to, water management and control, water supply, sewer and wastewater management, roads, an amenity, and landscaping/hardscaping/ irrigation.

## **4.0 PUBLIC IMPROVEMENTS AND COMMUNITY FACILITIES**

Detailed descriptions of the proposed public improvements and community facilities are provided in the following sections.

### **4.1 WATER MANAGEMENT AND CONTROL**

The design criteria for the District's water management and control is regulated by Hillsborough County and the Southwest Florida Water Management District (SWFWMD). The water management and control plan for the District focuses on utilizing newly constructed ponds within upland areas and on-site wetlands for stormwater treatment and storage and inflowing storm sewer systems within rights-of-way and easements.

Any excavated soil from the ponds is anticipated to remain within the development for use in building public infrastructure including roadways, landscape berming, drainage pond bank fill requirements, utility trench backfill, and filling and grading of public property.

The primary objectives of the water management and control for the District are:

1. To provide stormwater quality treatment.
2. To protect the development within the District from regulatory-defined rainfall events.
3. To maintain natural hydroperiods in the wetlands and connecting flow ways.
4. To ensure that adverse stormwater impacts do not occur upstream or downstream as a result of constructing the District improvements during regulatory-defined rainfall events.
5. To satisfactorily accommodate stormwater runoff from adjacent off-site areas which may naturally drain through the District.
6. To preserve the function of the flood plain storage during the 100-year storm event.

Water management and control systems will be designed in accordance with SWFWMD technical standards and Hillsborough County's Stormwater Management Technical Management Manual. The District will own and maintain these facilities.

## **4.2 WATER SUPPLY**

The District is located within the Hillsborough County Water Resources' service area which will provide water supply for potable water service and fire protection to the property. The water supply improvements are anticipated to include looped water mains and appurtenances which will supply potable water and service and fire protection to the District. Off-site improvements will extend service within the Grace Sweat Road right-of-way to Phase 4.

The water supply systems will be designed in accordance with Hillsborough County's Public Utilities Technical Manuals. Hillsborough County will own and maintain these facilities.

## **4.3 SEWER AND WASTEWATER MANAGEMENT**

The District is located within the Hillsborough County Water Resources' service area which will provide sewer and wastewater management service to the District. The sewer and wastewater management improvements include a gravity sanitary sewer system within the road rights of way which will connect to an existing manhole and gravity wastewater system.

All sanitary sewer and wastewater management facilities will be designed in accordance with Hillsborough County's Public Utilities Technical Manuals. Hillsborough County will own and maintain these facilities.

#### **4.4 DISTRICT ROADS**

Grace Sweat Road, which is considered an off-site improvement, will be extended to the Phase 4 District subdivision streets. These District Roads include the roadway asphalt, base, and subgrade, roadway curb and gutter, and sidewalks within rights of way abutting common areas.

All road rights-of-way will be designed in accordance with the Hillsborough County Technical Manuals and will be owned and maintained by the Hillsborough County.

#### **4.5 AMENITY**

An amenity is planned abutting Phase 4, which will be owned and maintained by the District.

#### **4.6 LANDSCAPING/ HARDSCAPE/IRRIGATION**

Community entry monumentation and landscape buffering and screening will be provided into Phase 4. Irrigation will also be provided in the landscaped common areas.

These improvements will be owned and maintained by the District.

#### **4.7 UNDERGROUNDING OF ELECTRIC SERVICE**

Tampa Electric Company provides electric service to the District, and there are fees associated with converting service from overhead to underground. Off-site improvements within the Grace Sweat Road right-of-way may be required to extend service to Phase 4.

#### **4.8 PROFESSIONAL SERVICES AND PERMITTING FEES**

Hillsborough County and SWFWMD impose fees for construction permits and plan reviews. These fees vary with the magnitude and size of the development. Additionally, engineering, surveying, and architecture services are needed for the subdivision, landscape, hardscape, and community amenity's design, permitting, and construction. As well, development/construction management services are required for the design, permitting, construction, and maintenance acceptance of the public improvements and community facilities.

Fees associated with performance and warranty financial securities covering Hillsborough County infrastructure may also be required.

These fees associated with public improvements may be funded by the District.

### **5.0 PUBLIC IMPROVEMENTS AND COMMUNITY FACILITIES COSTS**

See Appendix C for the Construction Cost Estimate of the Public Improvements and Community Facilities.

## 6.0 SUMMARY AND CONCLUSION

The District's public improvements and facilities are located within the boundary of the District unless noted as an off-site improvement.

Items of construction cost in this report are based on our review and analysis of the construction site plans for the development and contractor bid pricing provided by the Developer. It is our professional opinion that the estimated infrastructure costs provided herein for the development are conservative to complete the construction of the Public Improvements and Community Facilities described herein.

The estimate of the construction costs is only an estimate and not a guaranteed maximum cost. The estimated cost is based on historical unit prices or current prices being experienced for on-going and similar items of work in the Hillsborough County. The labor market, future costs of equipment and materials, and the actual construction process are all beyond our control. Due to this inherent possibility for fluctuation in costs, the total final cost may be more or less than this estimate.

The professional service for establishing the Construction Cost Estimate is consistent with the degree of care and skill exercised by members of the same profession under similar circumstances.

## I. INTRODUCTION

This *Second Supplemental Assessment Methodology Report* (the “Second Supplemental Report”) serves to apply the basis of benefit allocation and assessment methodology in accordance with the Master Assessment Methodology Report (the “Master Report”) dated March 4, 2021 specifically to support the issuance of the Bonds (as defined below) which will fund a portion of Assessment Area Two of the District’s Capital Infrastructure Program.

## II. DEFINED TERMS

“Assessable Property” – all property within the District that receives a special benefit from the CIP.

“Assessment Area Two” – Identified within the Engineers Report and relates to costs for Assessment Area Two of development that are specific (“Unique”) to the Assessment Area Two project and details common costs within the CIP that benefit all developable private properties in the District. Assessment Area Two contains 10.18+/- gross acres identified by legal description within the lands within the District described as Exhibit B. The Development Plan contemplates 46 Platted Units in this project area.

“Assessment Area Two Project” – Relates to costs for Assessment Area Two of development that are specific (“Unique”) to the Assessment Area Two project and details common costs within the CIP that benefit all developable private properties in the District.

“Equivalent Assessment Unit” (EAU) – A weighted value assigned to dissimilar residential lot product types to differentiate the assignment of benefit and lien values.

“Master Report” or “Report” – The *Master Assessment Methodology Report*, dated March 4<sup>th</sup>, 2021 as provided to support benefit and maximum assessments on private developable property within the District.

“Platted Units” – private property subdivided as a portion of gross acreage by virtue of the platting process.

“Product Type” – Classification assigned by the Developer to dissimilar Lot products and sizes for the development of the vertical construction.

“Unplatted Parcels” – gross acreage intended for subdivision and platting pursuant to the Development plan.

“Unit(s)” – A planned or developed residential lot assigned a Product Type classification by the District Engineer.

### III. OBJECTIVE

The objective of this Second Supplemental Assessment Methodology Report is to:

- A. Allocate a portion of the costs of the CIP to Assessment Area Two;
- B. Refine the benefits, as initially defined in the Master Report, to the assessable properties within Assessment Area Two that will be assessed as a result of the issuance of the Bonds (as herein defined);
- C. Determine a fair and equitable method of spreading the associated costs to the benefiting properties within Assessment Area Two within the District and ultimately to the individual units therein; and
- D. Provide a basis for the placement of a lien on the assessable lands within Assessment Area Two within the District that benefit from the Assessment Area Two Project, as outlined by the Engineer’s Report.

The basis of benefit received by properties within Assessment Area Two of the District relates directly to the Assessment Area Two Project allocable to Assessable Property within Assessment Area Two within the District. It is the District’s Assessment Area Two Project that will create the public infrastructure that enables the assessable properties within Assessment Area Two within the District to be developed and improved. Without these public improvements, which include off-site improvements, stormwater, utilities (water and sewer), roadways, landscape, and hardscape, the development of lands within the District could not be undertaken within the current legal development standards. This Second Supplemental Report applies the methodology described in the Master Report to assign assessments to assessable properties within Assessment Area Two within the District as a result of the benefit received from the Assessment Area Two Project and assessments required to satisfy the repayment of the Bonds by benefiting assessable properties.

The District will issue its Special Assessment Bonds, Series 2023 (Assessment Area Two) (the “Bonds”) to finance the construction and/or acquisition of a portion of the Assessment Area Two Project which will provide special benefit to the assessable parcels within Assessment Area Two of the District after platting. The Bonds will be repaid from and secured by non-ad valorem assessments levied on those properties benefiting from the improvements within Assessment Area Two within the District. Non-ad valorem assessments will be collected each year to provide the funding necessary to remit Bond debt service payments and to fund operations and maintenance costs related to the capital improvements maintained by the District.

In summary, this Second Supplemental Report will determine the benefit, apportionment, and financing structure for the Bonds to be issued by the District per Chapters 170, 190, and 197, Florida Statutes, as amended, to establish a basis for the levying and collecting of special assessments based on the benefits received and is consistent with our understanding and experience with case law on this subject.

### IV. DISTRICT OVERVIEW

The District area encompasses 136.534 acres and is located in Hillsborough County, Florida, within Sections 18 and 19, Township 31 South, and Range 20 East. The primary developer of the Assessable Properties in Assessment Area Two is Lennar Homes, LLC (the “Developer”), who has created the overall development plan for Assessment Area Two as outlined and supported by the Engineer’s Report. The development plan for the District contemplates 352 single-family lots. The

development plan for Assessment Area Two contemplates 46 single-family lots. The public improvements as described in the Engineer's Report include off-site improvements, stormwater, utilities (water and sewer), roadways, and landscape/hardscape.

## V. CAPITAL IMPROVEMENT PROGRAM (CIP)

The District and Developer are undertaking the responsibility of providing the public infrastructure necessary to develop Assessment Area Two of the District. As designed, the Assessment Area Two Project representing a portion of the total CIP is an integrated system of facilities. Each infrastructure facility works as a system to provide special benefits to assessable lands within Assessment Area Two of the District. The drainage and surface water management system are an example of a system that provides benefits to all planned residential lots within the District. As a system of improvements, all privately benefiting landowners within Assessment Area Two within the District benefit the same from the first few feet of pipe as they do from the last few feet. The stormwater management system; is an interrelated facility which, by its design and interconnected control structures, provides a consistent level of protection to the entire development program, and thus all landowners within the District will benefit from such improvement.

The District Engineer has identified the infrastructure, and respective costs, to be acquired and/or constructed as the Assessment Area Two Project. The Assessment Area Two Project includes off-site improvements, stormwater, utilities (water and sewer), roadways, amenities, landscape, and hardscape. The cost of the Assessment Area Two Project is estimated to be \$3,127,000, approximately \$832,665 of which will be funded by the issuance of the Bonds as generally described within Tables 2 and 3 of this Second Supplemental Report with further detail provided in the Engineer's Report.

## VI. DETERMINATION OF SPECIAL ASSESSMENT

There are three main requirements for valid special assessments. The first requirement demands that the improvements to benefited properties, for which special assessments are levied, be implemented for an approved and assessable purpose (F.S. 170.01). As a second requirement, special assessments can only be levied on those properties specifically benefiting from the improvements (F.S. 170.01). Thirdly, the special assessments allocated to each benefited property cannot exceed the proportional benefit to each parcel (F.S. 170.02).

The Assessment Area Two Project contains a "system of improvements" for the Development except for common improvements which benefit the entire District; all of which are considered to be for an approved and assessable purpose (F.S. 170.01) which satisfies the first requirement for a valid special assessment, as described above. Additionally, the improvements will result in all private developable properties receiving a direct and specific benefit, thereby making those properties legally subject to assessments (F.S. 170.01), which satisfies the second requirement, above. Finally, the specific benefit to the properties is equal to or exceeds the cost of the assessments to be levied on the benefited properties (F.S. 170.02), which satisfies the third requirement, above.

The first requirement for determining the validity of a special assessment is plainly demonstrable. Eligible improvements are found within the list provided in F.S. 170.01. However, certifying compliance with the second and third requirements necessary to establish a valid special assessment requires a more analytical examination. As required by F.S. 170.02 and described in the next section entitled “Allocation Methodology,” this approach involves identifying and assigning value to specific benefits being conferred upon the various benefitting properties, while confirming the value of these benefits exceeds the cost of providing the improvements. These special benefits include, but are not limited to, the added use of the property, added enjoyment of the property, the probability of decreased insurance premiums, and the probability of increased marketability and value of the property. The Development Plan for Assessment Area Two contains a mix of single-family home sites. The method of apportioning benefit to the planned product mix can be related to development density and intensity where it “equates” the estimated benefit conferred to a specific single-family unit type. This is done to implement a fair and equitable method of apportioning benefits.

The second and third requirements are the key elements in defining a valid special assessment. A reasonable estimate of the proportionate special benefits received from the Assessment Area Two Project of the CIP is demonstrated in the calculation of an equivalent assessment unit (EAU), further described in the next section.

The determination has been made that the duty to pay the non-ad valorem special assessments is valid based on the special benefits imparted upon the benefitting property. These benefits are derived from the acquisition and/or construction of the District’s CIP. The allocation of responsibility for the payment of special assessments, being associated with the special assessment liens encumbering Assessment Area Two as a result of the Assessment Area Two Project, has been apportioned according to a reasonable estimate of the special benefits provided, consistent with each land use category. Accordingly, no acre or parcel of property within the boundary of Assessment Area Two within the District will be assessed for the payment of any non-ad valorem special assessment greater than the determined special benefit particular to that property.

Property within the District that currently is not, or upon future development, will not be subject to the special assessments include publicly owned (State/County/City/CDD) tax-exempt parcels such as lift stations, road rights-of-way, waterway management systems, common areas, and certain lands/amenities owned by the Developer and other community property. To the extent it is later determined that the property no longer qualifies for an exemption, assessments will be apportioned and levied based on an EAU factor proportionate to lot product average front footage.

## **VII. ALLOCATION METHODOLOGY**

Table 1 outlines EAUs assigned for residential product types under the current Development Plan for Assessment Area Two. If future assessable property is added or product types are contemplated, this Report will be amended to reflect such change.

The method of benefit allocation is based on the special benefit received from infrastructure improvements relative to the benefitting Assessable Property by use and size in comparison to other Assessable Property within Assessment Area

Two of the District. According to F.S. 170.02, the methodology by which special assessments are allocated to specifically benefited property must be determined and adopted by the governing body of the District. This alone gives the District latitude in determining how special assessments will be allocated to specific assessable properties. The CIP benefit for the Assessment Area Two Project and special assessment allocation rationale is detailed herein and provides a mechanism by which these costs, based on a determination of the estimated level of benefit conferred by the CIP, are apportioned to the Assessable Property within the District for levy and collection. The allocation of benefits and maximum assessments associated with the Assessment Area Two Project are demonstrated in Table 3 through Table 4. The Developer may choose to pay down or contribute infrastructure on a portion or all of the long-term assessments as evaluated on a per-parcel basis, thereby reducing the annual debt service assessment associated with any series of bonds.

### VIII. ASSIGNMENT OF ASSESSMENTS

This section sets out how special assessments will be assigned and to establish a lien on land within Assessment Area Two within the District. Concerning the Assessable Property the special assessments are assigned to all property within Assessment Area Two of the District on a gross acreage basis until such time as the developable acreage is platted in Assessment Area Two. The platted parcels will then be reviewed as to use and product types. As of the date of this report, 0 lots have been platted. According to Section 193.0235, Florida Statutes, certain privately or publicly owned “common elements” such as clubhouses, amenities, lakes, and common areas for community use and benefit are exempt from non-ad valorem assessments and liens regardless of the private ownership.

It is useful to consider three distinct states or conditions of development within a community. The initial condition is the “undeveloped state”. At this point, the infrastructure may or may not be installed and none of the units in the Development plan have been platted. This condition exists when the infrastructure program is financed before any development. In the undeveloped state, all of the lands within Assessment Area Two are assumed to receive benefit from the Assessment Area Two Project and all of the Assessable Property would be assessed to repay the Bonds. While the land is “undeveloped,” special assessments will be assigned on an equal acre basis across all of the gross acreage within Assessment Area Two of the District. Debt will not be solely assigned to parcels that have development rights, but will and may be assigned to undevelopable parcels to ensure the integrity of development plans, rights and entitlements.

The second condition is “on-going development”. At this point, if not already in place, the installation of infrastructure has begun. Additionally, the Development plan has started to take shape. As lands subject to special assessments are platted and fully developed, they are assigned specific special assessments with the estimated benefit that each platted unit within Assessment Area Two receives from the Assessment Area Two Project, with the balance of the debt assigned on a per gross acre basis as described in the preceding paragraph. Therefore, each fully developed, platted unit would be assigned a special assessment according to its Product Type classification as outlined in Table 4. If the land is sold in bulk to a third party before platting, then the District will assign Series 2023 Assessments based upon the development rights conveyed and/or assigned to such parcel in the land sale based on the equivalent assessment unit (EAU) factors outlined in the Assessment Methodology. It is not contemplated that any unassigned debt would remain once all

the 46 lots associated with the Assessment Area Two Project are platted and fully developed; if such a condition was to occur; the true-up provisions described below would be applicable.

The third condition is the “completed development state.” In this condition, all of the Assessable Property within the Development plan has been platted and the total par value of the Bonds has been assigned as specific assessments to each of the platted lots within the portion of the District representing 49.20 EAUs.

## IX. FINANCING INFORMATION

The District will finance a portion of the Assessment Area Two Project through the issuance of the Bonds secured ultimately by benefiting properties within Assessment Area Two of the Development Plan (i.e., Assessment Area Two) within the District. Several items will comprise the bond sizing such as capitalized interest, a debt service reserve, issuance costs, and rounding as shown on Table 3.

## X. TRUE-UP MODIFICATION

During the construction period of the Development, it is possible that the number of residential units built may change, thereby necessitating a modification to the per-unit allocation of the special assessment principal. To ensure the District’s debt does not build up on the unplatted land, the District shall apply the following test as outlined within this “true-up methodology.”

The debt per acre remaining on the unplatted land within the District may not increase above its ceiling debt per acre. The ceiling level of debt per acre is calculated as the total amount of debt for the Bonds divided by the number of developable acres within Assessment Area Two of the District. Thus, every time the test is applied, the debt encumbering the remaining unplatted developable land must remain equal to or lower than the ceiling level of debt per acre. If the debt per developable acre is found to be above the established maximum, the District would require a density reduction payment in an amount sufficient to reduce the remaining debt per acre to the ceiling amount based on the schedule found in Exhibit A, Preliminary Assessment Roll, which amount will include accrued interest to the first interest payment date on the Bonds which occurs at least 45 days following such debt reduction payment.

True-up tests shall be performed upon the recording of each plat submitted to subdivide developed lands within Assessment Area Two of the District. If upon the completion of any true-up analyses, it is found the debt per acre exceeds the established maximum ceiling debt per acre, or there is not sufficient development potential in the remaining acreage within Assessment Area Two of the District to produce the EAU densities required to adequately service the Bond debt, the District shall require the remittance of a density reduction payment, plus accrued interest as applicable, in an amount sufficient to reduce the remaining debt per assessable acre to the ceiling amount per acre and to allow the remaining acreage to adequately service Bond debt upon development. The final test shall be applied at the platting of 100% of the development units within Assessment Area Two of the District.

True-up payment requirements may be suspended if the landowner can demonstrate, to the reasonable satisfaction of the District, that there is sufficient development potential in the remaining acreage within Assessment Area Two of the District to produce the densities required to adequately service Bond debt. The Developer and District will enter into a true-up agreement to evidence the obligations described in this section.

All assessments levied run with the land and it is the responsibility of the District to enforce the true-up provisions and collect any required true-up payments due. The District will not release any liens on property for which true-up payments are due, until provision for such payment has been satisfactorily made.

**WHEREAS**, South Creek Community Development District (the "District") is authorized by Florida Statutes, Chapter 190 (the "Act"), particularly Section 190.016, to issue bonds secured by a pledge of revenues derived from any project or combination of projects; and

**WHEREAS**, pursuant to its Resolution No. 2021-22, adopted by the Board of Supervisors of the District (the "Board") on January 21, 2021 (the "Authorizing Resolution"), the District authorized the issuance of not to exceed \$20,000,000 in principal amount of its special assessment revenue bonds (the "Bonds") in separate series, secured from the revenues and issued for the purposes as set forth in said Authorizing Resolution and in the Master Indenture (hereinafter defined); and

**WHEREAS**, pursuant to the Act, the District now desires to supplement the Authorizing Resolution to authorize the issuance of and award the sale of its Special Assessment Bonds, Series 2023 (Assessment Area Two), in a principal amount not to exceed \$2,000,000 (the "Assessment Area Two Bonds"), to approve the Supplemental Indenture (hereinafter defined) and to provide for various other matters relating to the issuance of the Assessment Area Two Bonds; and

**WHEREAS**, the Board has received from FMSbonds, Inc. (the "Underwriter") a proposal in the form of a Contract of Purchase (the "Contract") for the purchase of the Assessment Area Two Bonds, and the Board has determined that acceptance of such proposal and the sale of the Assessment Area Two Bonds to the Underwriter is in the best interest of the District for the reasons indicated herein; and

**WHEREAS**, in conjunction with the sale and issuance of the Assessment Area Two Bonds, it is necessary to approve the form of Supplemental Indenture, to approve the form of the Assessment Area Two Bonds and to provide for various other matters with respect to the issuance of the Assessment Area Two Bonds;

**NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF SUPERVISORS OF SOUTH CREEK COMMUNITY DEVELOPMENT DISTRICT, AS FOLLOWS:**

**SECTION 1. Definitions.** All words and phrases used herein in capitalized form, unless otherwise defined herein, shall have the meaning ascribed to them in the Indenture (hereinafter defined).

**SECTION 2. Authorization.** The Assessment Area Two Bonds are hereby authorized to be issued in an aggregate principal amount not to exceed \$2,000,000. The Assessment Area Two Bonds shall be issued under and secured by that Master Trust Indenture dated as of June 1, 2021 (the "Master Indenture"), by and between the District and U.S. Bank Trust Company, National Association, as successor trustee (the "Trustee"), as supplemented with respect to the Assessment Area Two Bonds by the Second Supplemental Trust Indenture to be dated as of the first day of the month in which the Assessment Area Two Bonds are issued (the "Supplemental Indenture" and, collectively with the Master Indenture, the "Indenture"), by and between the District and the Trustee. The proceeds of the Assessment Area Two Bonds shall be used for the purposes set forth in the Indenture and the Limited Offering Memorandum (hereinafter defined)

**SECTION 3. Approval of Supplemental Indenture.** The Supplemental Indenture is hereby approved in substantially the form set forth as part of **Exhibit A** hereto. The Chairman or the Vice Chairman of the Board are hereby authorized and directed to execute and deliver such Supplemental Indenture on behalf of and in the name of the District, and the Secretary or any Assistant Secretary of the Board is hereby authorized to attest such execution, with such additions and deletions therein as may be made and approved by the Chairman or the Vice Chairman executing the same, such execution to be conclusive evidence of such approval. The Master Indenture is hereby ratified and confirmed, subject to any amendments or supplements thereto with respect to the Assessment Area Two Bonds contained in the Supplemental Indenture. The appointment of U.S. Bank Trust Company, National Association, as Trustee under the Master Indenture is hereby ratified and confirmed, and the Trustee is hereby appointed as Trustee, Paying Agent and Bond Registrar under the Supplemental Indenture.

**SECTION 4. Negotiated Sale.** The Board hereby determines that a negotiated sale of the Assessment Area Two Bonds to the Underwriter is in the best interest of the District because of prevailing market conditions, because delays caused by soliciting competitive bids could adversely affect the District's ability to issue and deliver the Assessment Area Two Bonds at presently favorable interest rates, and because the nature of the security for the Assessment Area Two Bonds

and the sources of payment of debt service on the Assessment Area Two Bonds require the participation of the Underwriter in structuring the bond issue.

**SECTION 5. Contract Approved.** The Board hereby approves the Contract in substantially the form attached as **Exhibit B** hereto. The Chairman or Vice Chairman of the Board is hereby authorized to execute the Contract and to deliver the Contract to the Underwriter with such changes, amendments, modifications, omissions and additions as may be approved by the executing Chairman or Vice Chairman; provided, however, that (i) the average net interest cost rate on the Assessment Area Two Bonds shall not exceed the rate computed by adding 300 basis points to The Bond Buyer "20 Bond Index" published immediately preceding the first day of the calendar month in which the Assessment Area Two Bonds are sold, as provided in Section 215.84(3), Florida Statutes, (ii) the Underwriter's discount shall not exceed 2.00% of the original principal amount of the Assessment Area Two Bonds, (iii) the Assessment Area Two Bonds shall be subject to optional redemption as provided in the Contract, and (iv) the final maturity date of the Assessment Area Two Bonds shall be no later than the maximum term allowed by Florida law, which is currently thirty years of principal amortization. Execution by the Chairman or Vice Chairman of the Contract shall be deemed to be conclusive evidence of approval of such changes.

**SECTION 6. Preliminary Limited Offering Memorandum and Limited Offering Memorandum.** The District hereby approves the Preliminary Limited Offering Memorandum in substantially the form attached hereto as **Exhibit C** (the "Preliminary Limited Offering Memorandum") and authorizes its distribution and use by the Underwriter in connection with the offering for the sale of the Assessment Area Two Bonds. If, between the date hereof and the mailing of the Preliminary Limited Offering Memorandum, it is necessary to make insertions, modifications and changes to the Preliminary Limited Offering Memorandum, the Chairman or Vice Chairman is hereby authorized to approve such insertions, changes and modifications, and the Chairman or Vice Chairman is hereby authorized to deem the Preliminary Limited Offering Memorandum "final" within the meaning of Rule 15c2-12 of the Securities and Exchange Commission (the "Rule") under the Securities Exchange Act of 1934, in the form as mailed and in furtherance thereof to execute a certificate evidencing same. The preparation of a final Limited Offering Memorandum is hereby approved, and the Chairman or Vice Chairman is hereby authorized to execute such final Limited Offering Memorandum to be dated the date of the Contract and to deliver the same to the Underwriter for use by the Underwriter in connection with the sale and distribution of the Assessment Area Two Bonds. The Limited Offering Memorandum shall be substantially in the form of the final Preliminary Limited Offering Memorandum, with only such changes as shall be approved by the Chairman or Vice Chairman as necessary to conform to the details of the Assessment Area Two Bonds and such other insertions, modifications and changes as may be approved by the Chairman or Vice Chairman. The execution and delivery of the Limited Offering Memorandum by the Chairman or Vice Chairman shall constitute evidence of the approval thereof. The District hereby authorizes the use of the Preliminary Limited Offering Memorandum and the Limited Offering Memorandum and the information contained therein in connection with the offering and sale of the Assessment Area Two Bonds.

**SECTION 7. Form of Assessment Area Two Bonds.** The Assessment Area Two Bonds shall be in substantially the form set forth as an exhibit to the Supplemental Indenture, with such additions, deletions and other changes thereto as the officials of the Board executing such Assessment Area Two Bonds shall approve, such approval to be conclusively evidenced by the

execution of the Assessment Area Two Bonds (by manual or facsimile signature) by such officials. The Board hereby authorizes and approves the use of a facsimile of the District seal on the Assessment Area Two Bonds.

**SECTION 8. Continuing Disclosure Agreement.** The form and content of the Continuing Disclosure Agreement (the "Disclosure Document") relating to the Assessment Area Two Bonds attached hereto as **Exhibit D** is hereby approved. The Chairman or Vice Chairman and the Secretary or any Assistant Secretary are hereby authorized to execute the Disclosure Document on behalf of the District in substantially the form attached hereto, with such additions, deletions, and other changes as may be necessitated by applicable law, this Resolution and the Contract as such officers may approve (such approval to be conclusively evidenced by their execution of the Disclosure Document).

**SECTION 9. The Assessment Area Two Project.** Proceeds of the Assessment Area Two Bonds shall be applied in the manner and deposited to the funds and accounts set forth in the Supplemental Indenture, for the principal purpose of financing the construction and/or the acquisition by the District of the Assessment Area Two Project (as defined in the Supplemental Indenture). The Assessment Area Two Project is hereby deemed to constitute a "Project" under the Master Indenture.

**SECTION 10. Open Meetings.** It is hereby found and determined that all official acts of this Board concerning and relating to the issuance, sale, and delivery of the Assessment Area Two Bonds, including but not limited to adoption of this Resolution, were taken in open meetings of the members of the Board and all deliberations of the members of the Board that resulted in such official acts were in meetings open to the public, in compliance with all legal requirements including, but not limited to, the requirement or Florida Statutes, Section 286.011.

**SECTION 11. Other Actions.** The Chairman, the Vice Chairman, the Secretary and any Assistant Secretary of the District, and any authorized designee thereof (collectively, the "District Officers"), Bond Counsel, District Counsel, and any other consultant or experts retained by the District, are hereby authorized and directed to take all actions necessary or desirable in connection with the issuance and delivery of the Assessment Area Two Bonds and the consummation of all transactions in connection therewith. The District Officers are hereby authorized and directed to execute all necessary or desirable certificates, documents, papers, and agreements necessary for the undertaking and fulfillment of all transactions referred to in or contemplated by the Indenture, the Preliminary Limited Offering Memorandum, the Limited Offering Memorandum, this Resolution, the Disclosure Document and the Contract (including, without limitation, any documents required by the Trustee to evidence its rights and obligations with respect to the Assessment Area Two Bonds, any documents required in connection with implementation of a book-entry system of registration, any investment agreements relating to the investment of the proceeds of the Assessment Area Two Bonds, and any agreements in connection with maintaining the exclusion of interest on the Assessment Area Two Bonds from gross income from the holders thereof). All of the acts and doings of such members of the Board, the officers of the District, and the agents and employees of the District, which are in conformity with the intent and purposes of this Resolution, whether heretofore or hereafter taken or done, shall be and are hereby ratified, confirmed and approved.

**SECTION 12. Approval of Prior Actions.** All actions taken to date by the members of the Board and the officers, agents, and employees of the District in furtherance of the issuance of the Assessment Area Two Bonds are hereby approved, confirmed and ratified.

**SECTION 13. Inconsistent Resolutions and Motions.** This Resolution amends and restates in its entirety Resolution No. 2022-08 previously adopted by the Board. All other prior resolutions of the Board inconsistent with the provisions of this Resolution are hereby modified, supplemented and amended to conform with the provisions herein contained and, except as so modified, supplemented and amended hereby, shall remain in full force and effect.

**SECTION 14. Severability.** If any section, paragraph, clause or provision of this Resolution shall be held to be invalid or ineffective for any reason, the remainder of this Resolution shall continue in full force and effect, it being expressly hereby found and declared that the remainder of this Resolution would have been adopted despite the invalidity or ineffectiveness of such section, paragraph, clause or provision.

Notwithstanding any provisions in the Master Indenture to the contrary, the District covenants not to substitute the cash and Investment Securities on deposit in the Assessment Area Two Reserve Account with a Debt Service Reserve Insurance Policy or a Debt Service Reserve Letter of Credit. Except as provided in the next paragraph, all investment earnings on moneys in the Assessment Area Two Reserve Account shall remain on deposit therein.

On each [May 1 and November 1] (or, if such date is not a Business Day, on the Business Day next preceding such day), the Trustee shall determine the amount on deposit in the Assessment Area Two Reserve Account and transfer any excess therein above the Reserve Requirement for the Assessment Area Two Bonds caused by investment earnings to the Assessment Area Two Revenue Account in accordance with Section 4.02 hereof.

In the event of a prepayment of Assessment Area Two Special Assessments in accordance with Section 4.05(a) of this Supplemental Trust Indenture, forty-five (45) days before the next Quarterly Redemption Date, the Trustee after receiving the written direction of the District described in Section 4.05(a) hereof, the Trustee shall recalculate the Assessment Area Two Reserve Requirement taking into account the amount of Assessment Area Two Bonds that will be outstanding as a result of such prepayment of Assessment Area Two Special Assessments, and cause the amount on deposit in the Assessment Area Two Reserve Account in excess of the Assessment Area Two Reserve Requirement, resulting from Assessment Area Two Prepayment Principal, to be transferred to the Assessment Area Two Prepayment Subaccount to be applied toward the extraordinary redemption of Assessment Area Two Bonds in accordance with the extraordinary mandatory redemption provisions set forth in **Exhibit B** hereto, as a credit against the Assessment Area Two Prepayment Principal otherwise required to be made by the owner of such property subject to Assessment Area Two Special Assessments. Upon satisfaction of the Conditions for Reduction of Reserve Requirement, the amount on deposit in the Assessment Area Two Reserve Account in excess of the Assessment Area Two Reserve Requirement shall then be transferred to the Assessment Area Two Acquisition and Construction Account and applied as provided in Section 4.01(a) hereof.

Notwithstanding any of the foregoing, amounts on deposit in the Assessment Area Two Reserve Account shall be transferred by the Trustee, in the amounts directed in writing by the Majority Holders of the Assessment Area Two Bonds to the Assessment Area Two General Redemption Subaccount, if as a result of the application of Article X of the Master Indenture, the proceeds received from lands sold subject to the Assessment Area Two Special Assessments and applied to redeem a portion of the Assessment Area Two Bonds is less than the principal amount of Assessment Area Two Bonds indebtedness attributable to such lands.

In addition, and together with the moneys transferred from the Assessment Area Two Reserve Account pursuant to this paragraph, if the amount on deposit in the Assessment Area

Two General Redemption Subaccount is not sufficient to redeem a principal amount of the Assessment Area Two Bonds in an Authorized Denomination, the Trustee is authorized to withdraw amounts from the Assessment Area Two Revenue Account to round up the amount in the Assessment Area Two Prepayment Subaccount to the nearest Authorized Denomination. Notwithstanding the foregoing, no transfers from the Assessment Area Two Revenue Account shall be made to pay interest on and/or principal of the Assessment Area Two Bonds for the extraordinary mandatory redemption thereof if the deposits required under Section 4.02 FIRST through FIFTH cannot first be made in full.

(g) Pursuant to Section 6.06 of the Master Indenture, the Trustee shall establish a separate Series Bond Redemption Account within the Bond Redemption Fund designated as the "Assessment Area Two Bond Redemption Account" and within such Account, an "Assessment Area Two General Redemption Subaccount," an "Assessment Area Two Optional Redemption Subaccount," and an "Assessment Area Two Prepayment Subaccount." Except as otherwise provided in this Supplemental Trust Indenture regarding Prepayments or in connection with the optional redemption of the Assessment Area Two Bonds, moneys to be deposited into the Assessment Area Two Bond Redemption Account as provided in Section 6.06 of the Master Indenture shall be deposited to the Assessment Area Two General Redemption Subaccount.

(h) Moneys that are deposited into the Assessment Area Two General Redemption Subaccount (including all earnings on investments held therein) shall be used to call for the extraordinary mandatory redemption of Assessment Area Two Bonds in accordance with **Exhibit B** hereto.

(i) Moneys in the Assessment Area Two Prepayment Subaccount (including all earnings on investments held in such Assessment Area Two Prepayment Subaccount) shall be accumulated therein to be used to call for extraordinary mandatory redemption in accordance with **Exhibit B** hereto an amount of Assessment Area Two Bonds equal to the amount of money transferred to the Assessment Area Two Prepayment Subaccount of the Assessment Area Two Bond Redemption Account for the purpose of such extraordinary mandatory redemption as provided in **Exhibit B**. In addition, and together with the moneys transferred from the Assessment Area Two Reserve Account pursuant to paragraph (f) above, if the amount on deposit in the Assessment Area Two Prepayment Subaccount is not sufficient to redeem a principal amount of the Assessment Area Two Bonds in an Authorized Denomination, the Trustee upon written direction from the District, shall be authorized to withdraw amounts from the Assessment Area Two Revenue Account to deposit to the Assessment Area Two Prepayment Subaccount to round-up the amount to the nearest Authorized Denomination. Notwithstanding the foregoing, no transfers from the Assessment Area Two Revenue Account shall be directed by the District to pay interest on and/or principal of the Assessment Area Two Bonds for extraordinary mandatory redemption if, as a result, the deposits required under Section 4.02 FIRST through FIFTH cannot be made in full.

(j) The District hereby directs the Trustee to establish a separate account in the Rebate Fund designated as the "Assessment Area Two Rebate Account." Moneys shall be deposited into the Assessment Area Two Rebate Account, as provided in the Arbitrage Certificate and applied for the purposes provided therein.

(k) Moneys on deposit in the Assessment Area Two Optional Redemption Subaccount shall be used to optionally redeem all or a portion of the Assessment Area Two Bonds in accordance with Section 3.01(a) hereof and **Exhibit B** hereto.

**SECTION 4.02. Assessment Area Two Revenue Account.** The Trustee shall transfer from amounts on deposit in the Assessment Area Two Revenue Account to the Funds and Accounts designated below, the following amounts, at the following times and in the following order of priority:

FIRST, upon receipt but no later than the Business Day next preceding each Interest Payment Date, to the Assessment Area Two Interest Account of the Debt Service Fund, an amount equal to the interest on the Assessment Area Two Bonds becoming due on the next succeeding Interest Payment Date, less any amount on deposit in the Assessment Area Two Interest Account not previously credited;

SECOND, no later than the Business Day next preceding each [June 15], commencing [June 15, 20\_\_], to the Assessment Area Two Sinking Fund Account, an amount equal to the principal amount of Assessment Area Two Bonds subject to sinking fund redemption on such [June 15], less any amount on deposit in the Assessment Area Two Sinking Fund Account not previously credited;

THIRD, upon receipt but no later than the Business Day next preceding each Interest Payment Date while Assessment Area Two Bonds remain Outstanding, to the Assessment Area Two Reserve Account, an amount equal to the amount, if any, which is necessary to make the amount on deposit therein equal to the Reserve Requirement for the Assessment Area Two Bonds;

FOURTH, notwithstanding the foregoing, at any time the Assessment Area Two Bonds are subject to redemption on a date which is not a June 15 or December 15 Interest Payment Date, the Trustee shall be authorized to transfer to the Assessment Area Two Interest Account, the amount necessary to pay interest on the Assessment Area Two Bonds subject to redemption on such date; and

FIFTH, subject to the foregoing paragraphs, the balance of any moneys remaining after making the foregoing deposits shall be first deposited into the Assessment Area Two Costs of Issuance Account upon the written request of the District to cover any deficiencies in the amount allocated to pay the cost of issuing the Assessment Area Two Bonds and next, any balance in the Assessment Area Two Revenue Account shall remain on deposit in such Assessment Area Two Revenue Account, unless needed for the purposes of rounding the principal amount of an Assessment Area Two Bond subject to extraordinary mandatory redemption pursuant to Section 4.01(i) hereof to an Authorized Denomination, or unless pursuant to the Arbitrage Certificate, it is necessary to make a deposit into the Assessment Area Two Rebate Fund, in which case, the District shall direct the Trustee to make such deposit thereto.

Notwithstanding the foregoing, in the event of redemption of Assessment Area Two Bonds from Prepayments on deposit in the Assessment Area Two Prepayment Subaccount, the Trustee

is further authorized, upon written direction from the District, to transfer from the Assessment Area Two Revenue Account to the Assessment Area Two Prepayment Subaccount sufficient funds to cause the redemption of the next closest Authorized Denomination of Assessment Area Two Bonds, as provided in Section 4.01(i) hereinabove.

**SECTION 4.03. Power to Issue Assessment Area Two Bonds and Create Lien.** The District is duly authorized under the Act and all applicable laws of the State to issue the Assessment Area Two Bonds, to execute and deliver the Indenture and to pledge the Assessment Area Two Pledged Revenues for the benefit of the Assessment Area Two Bonds to the extent set forth herein. The Assessment Area Two Pledged Revenues are not and shall not be subject to any other lien senior to or on a parity with the lien created in favor of the Assessment Area Two Bonds, except as otherwise permitted under Section 5.04 hereof. The Assessment Area Two Bonds and the provisions of the Indenture are and will be valid and legally enforceable obligations of the District in accordance with their respective terms. The District shall, at all times, to the extent permitted by law, defend, preserve and protect the pledge created by the Indenture and all the rights of the Holders of the Assessment Area Two Bonds under the Indenture against all claims and demands of all persons whomsoever.

**SECTION 4.04. Assessment Area Two Project to Conform to the Engineer's Report.** Simultaneously with the issuance of the Assessment Area Two Bonds, the District will promptly proceed to construct or acquire the Assessment Area Two Project as described in **Exhibit A** hereto and in the Engineer's Report relating thereto, all pursuant to the terms and provisions of the Acquisition Agreement.

**SECTION 4.05. Prepayments; Removal of Assessment Area Two Special Assessment Liens.**

(a) At any time any owner of property subject to the Assessment Area Two Special Assessments may, at its option, or as a result of acceleration of the Assessment Area Two Special Assessments because of non-payment thereof, shall, or by operation of law, require the District to reduce or release and extinguish the lien upon its property by virtue of the levy of the Assessment Area Two Special Assessments by paying or causing there to be paid, to the District all or a portion of the Assessment Area Two Special Assessment, which shall constitute Assessment Area Two Prepayment Principal, plus, except as provided below, accrued interest to the next succeeding Quarterly Redemption Date (or the first succeeding Quarterly Redemption Date that is at least forty-five (45) days after such Prepayment, if such Prepayment is made within forty-five (45) calendar days before the next succeeding Quarterly Redemption Date, as the case may be), attributable to the property subject to Assessment Area Two Special Assessments owned by such owner. To the extent that such Prepayments are to be used to redeem Assessment Area Two Bonds pursuant to the extraordinary mandatory redemption provisions set forth in **Exhibit B** hereto, in the event the amount on deposit in the Assessment Area Two Reserve Account will exceed the Assessment Area Two Reserve Requirement for the Assessment Area Two Bonds as a result of a Prepayment in accordance with this Section 4.05(a) and the resulting extraordinary mandatory redemption of Assessment Area Two Bonds, the excess amount shall be transferred from the Assessment Area Two Reserve Account to the Assessment Area Two Prepayment Subaccount, as a credit against the Assessment Area Two Prepayment Principal otherwise required to be paid by the owner of such lot or parcel, upon written instructions of the District to the Trustee

together with a certificate of a Responsible Officer of the District stating that, after giving effect to such transfers sufficient moneys will be on deposit in the Assessment Area Two Reserve Account to equal or exceed the Assessment Area Two Reserve Requirement.

(b) Upon receipt of Assessment Area Two Prepayment Principal as described in paragraph (a) above, subject to satisfaction of the conditions set forth therein, the District shall immediately pay the amount so received to the Trustee, and the District shall take such action as is necessary to record in the official improvement lien book of the District that the Assessment Area Two Special Assessment has been paid in whole or in part and that such Assessment Area Two Special Assessment lien is thereby reduced, or released and extinguished, as the case may be.

The Trustee may conclusively rely on the District's determination of what moneys constitute Prepayments. The Trustee shall calculate the amount available for the extraordinary mandatory redemption of the applicable Assessment Area Two Bonds from Assessment Area Two Prepayment Principal forty-five (45) days prior to each Quarterly Redemption Date.

**ARTICLE V**  
**COVENANTS AND DESIGNATIONS OF THE DISTRICT**

**SECTION 5.01.** Collection of Assessment Area Two Special Assessments. Pursuant to the terms and provisions of the Master Indenture, and except as provided in the next succeeding sentence, the District shall collect the Assessment Area Two Special Assessments relating to the acquisition and construction of the Assessment Area Two Project through the Uniform Method of Collection (the "Uniform Method") afforded by Chapter 197, Florida Statutes. Pursuant to the terms and provisions of the Master Indenture, the District shall, pursuant to the provisions of the Assessment Resolutions, directly collect the Assessment Area Two Special Assessments levied in lieu of the Uniform Method with respect to any lands within Assessment Area Two Area that have not been platted, or the timing for using the Uniform Method will not yet allow for using such method, unless the Trustee at the direction of the Majority Holders directs the District otherwise. In addition, and not in limitation of, the covenants contained elsewhere in this Supplemental Trust Indenture and in the Master Indenture, the District covenants to comply with the terms of the proceedings heretofore adopted with respect to the Assessment Area Two Special Assessments, and to levy and collect the Assessment Area Two Special Assessments and any required true-up payments set forth in the assessment methodology or True-Up Agreement in such manner as will generate funds sufficient to pay Debt Service on the Assessment Area Two Bonds when due. All Assessment Area Two Special Assessments that are collected directly by the District shall be due and payable by the Landowner not later than thirty (30) days prior to each Interest Payment Date. The assessment methodology shall not be materially amended without the written consent of the Majority Holders.

**SECTION 5.02.** Continuing Disclosure. Contemporaneously with the execution and delivery hereof, the District and the Landowner have executed and delivered a Continuing Disclosure Agreement to assist the Underwriter in complying with the requirements of Rule 15c2-12 promulgated under the Securities and Exchange Act of 1934. The District covenants and agrees to comply with the provisions of the Continuing Disclosure Agreement applicable to it; however, as set forth therein, failure to so comply shall not constitute an Event of Default hereunder, but shall instead be enforceable by mandamus or any other means of specific performance.

**SECTION 5.03.** Investment of Funds and Accounts. The provisions of Section 7.02 of the Master Indenture shall apply to the investment and reinvestment of moneys in the Assessment Area Two funds, accounts and subaccounts therein created hereunder.

The District shall present the Trustee with a certification that the Assessment Area Two Special Assessments are Substantially Absorbed, and the Trustee may rely conclusively upon such certification and shall have no duty to verify if the Assessment Area Two Special Assessments are Substantially Absorbed. In the absence of such written certification, the Trustee is entitled to assume that the Assessment Area Two Special Assessments have not been Substantially Absorbed. Such covenants shall not prohibit the District from issuing refunding

Bonds secured by the Assessment Area Two Special Assessments or any Bonds or other obligations secured by other Special Assessments (i) if such Special Assessments are levied on District Lands not subject to the Assessment Area Two Special Assessments, (ii) if such Bonds or other obligations are issued to finance a capital project that is necessary to remediate any natural disaster, catastrophic damage or failure with respect to the Assessment Area Two Project, or (iii) upon the written consent of the Majority Holders.

**SECTION 5.05. Requisite Holders for Direction or Consent.** Anything in the Master Indenture to the contrary notwithstanding, any direction or consent or similar provision which requires the Holders of more than fifty percent (50%) in aggregate principal amount of the Outstanding Assessment Area Two Bonds shall in each case be deemed to refer to, and shall mean, the Majority Holders.

**SECTION 5.06. Acknowledgement Regarding Assessment Area Two Acquisition and Construction Account Moneys Following an Event of Default.** In accordance with the provisions of the Indenture, the Assessment Area Two Bonds are payable solely from the Assessment Area Two Pledged Revenues and any other moneys held by the Trustee under the Indenture for such purpose. Anything in the Indenture to the contrary notwithstanding, the District hereby acknowledges that, upon the occurrence of an Event of Default with respect to the Assessment Area Two Bonds, (i) the Assessment Area Two Pledged Revenues include, without limitation, all amounts on deposit in the Assessment Area Two Acquisition and Construction Account of the Acquisition and Construction Fund then held by the Trustee, (ii) the Assessment Area Two Pledged Revenues may not be used by the District (whether to pay costs of the Assessment Area Two Project or otherwise) without the consent of the Majority Holders, and (iii) the Assessment Area Two Pledged Revenues may be used by the Trustee, at the direction or with the approval of the Majority Holders, to pay costs and expenses incurred in connection with the pursuit of remedies under the Indenture, provided, however notwithstanding anything herein to the contrary the Trustee is also authorized to utilize the Assessment Area Two Pledged Revenues to pay fees and expenses as provided in Section 10.12 of the Master Indenture.

During the continuance of an Event of Default specified in Subsections 10.02(a) or 10.02(b) of the Master Indenture (a "Payment Related Default"), disbursements from the Assessment Area Two Acquisition and Construction Account shall be made only with the consent of the Majority Holders, except as provided below. During the continuance of a Payment Related Default, the Majority Holders shall have the right to provide direction to the District to terminate, suspend, or proceed under any contracts for construction of the Assessment Area Two Project entered into prior to the occurrence of such Payment Related Default. The Majority Holders may provide such direction at any time during the continuance of such Payment Related Default and shall not be deemed to have waived their right to do so through inaction or delay and may change such direction from time to time.

(i) Until such time as the Majority Holders provide such direction to the District, disbursements may be made without the consent of the Majority Holders for Costs incurred by the District under construction contracts entered into by the District prior to the occurrence of such Payment Related Default.

(ii) Upon direction by the Majority Holders to proceed under any such contract(s), no consent of the Majority Holders shall be required for disbursements for Costs incurred by the District thereunder until the date of suspension or termination of such contract directed by the Majority Holders described in subparagraph (iii) below.

(iii) Upon direction by the Majority Holders to suspend or terminate such construction contract(s), disbursements for Costs incurred by the District thereunder shall only be made (x) for disbursements for Costs incurred by the District under construction contracts entered into by the District prior to the occurrence of such Payment Related Default and which Costs relate to work performed before the earliest date on which the District is entitled to suspend or terminate such construction contract at the direction of the Majority Holders, or (y) with the consent of the Majority Holders.

Notwithstanding anything to the contrary contained herein, during the continuance of a Payment Related Default, the consent of the Majority Holders shall be required for disbursements for Costs under contracts for the acquisition of Assessment Area Two Project improvements from the Landowner or the Landowner's affiliates.

It is expressly agreed by the Registered Owner of this Bond that such Registered Owner shall never have the right to require or compel the exercise of the ad valorem taxing power of the District, the County, the State or any other political subdivision thereof, or taxation in any form of any real or personal property of the District, the County, the State or any other political subdivision thereof, for the payment of the principal of and interest on this Bond or the making of any other sinking fund and other payments provided for in the Indenture, except for Assessment Area Two Special Assessments to be assessed and levied by the District as set forth in the Indenture.

### Optional Redemption

The Assessment Area Two Bonds maturing after [\_\_\_\_ 15, 20\_\_] may, at the option of the District, be called for redemption prior to maturity as a whole or in part, at any time, on or after [\_\_\_\_ 15, 20\_\_] (less than all Assessment Area Two Bonds of a maturity to be selected by lot), at a Redemption Price equal to the principal amount of Assessment Area Two Bonds to be redeemed, plus accrued interest from the most recent Interest Payment Date through which interest has been paid to the redemption date from moneys on deposit in the Assessment Area Two Optional Redemption Subaccount of the Assessment Area Two Bond Redemption Account. If such optional redemption shall be in part, the District shall select such principal amount of Assessment Area Two Bonds to be optionally redeemed from each maturity so that debt service on the remaining Outstanding Assessment Area Two Bonds is substantially level.

### Extraordinary Mandatory Redemption in Whole or in Part

The Assessment Area Two Bonds are subject to extraordinary mandatory redemption prior to maturity by the District in whole or in part, on any date (other than in the case of clause (i) below, which extraordinary mandatory redemption in part must occur on a Quarterly Redemption Date), at a Redemption Price equal to 100% of the principal amount of the Assessment Area Two Bonds to be redeemed, plus interest accrued to the redemption date, as follows:

If such redemption shall be in part, the District shall select such principal amount of Assessment Area Two Bonds to be redeemed from each maturity so that debt service on the remaining Outstanding Assessment Area Two Bonds is substantially level; or

(iii) Upon the Completion Date, from any funds remaining on deposit in the Assessment Area Two Acquisition and Construction Account not otherwise reserved to complete the Assessment Area Two Project and transferred to the Assessment Area Two General Redemption Subaccount of the Assessment Area Two Bond Redemption Account. conditional optional redemption must expressly state that such optional redemption is conditional and describe the conditions for such redemption. On the date designated for redemption, notice having been given and money for the payment of the Redemption Price being held by the Paying Agent, all as provided in the Indenture, the Assessment Area Two Bonds or such portions thereof so called for redemption shall become and be due and payable at the Redemption Price provided for the redemption of such Assessment Area Two Bonds or such portions thereof on such date, interest on such Assessment Area Two Bonds or such portions thereof so called for redemption shall cease to accrue, such Assessment Area Two Bonds or such portions thereof so called for redemption shall cease to be entitled to any benefit or security under the Indenture and the Registered Owners thereof shall have no rights in respect of such Assessment Area Two Bonds or such portions thereof so called for redemption except to receive payments of the Redemption Price thereof so held by the Paying Agent. Further notice of redemption shall be given by the Registrar to certain registered securities depositories and information services as set forth in the Indenture, but no defect in said further notice nor any failure to give all or any portion of such further notice shall in any manner defeat the effectiveness of a call for redemption if notice thereof is given as above prescribed.

The Registered Owner of this Bond shall have no right to enforce the provisions of the Indenture or to institute action to enforce the covenants therein, or to take any action with respect to any Event of Default under the Indenture, or to institute, appear in or defend any suit or other proceeding with respect thereto, except as provided in the Indenture.

In certain events, on the conditions, in the manner and with the effect set forth in the Indenture, the principal of all the Assessment Area Two Bonds then Outstanding under the Indenture may become and may be declared due and payable before the stated maturity thereof, with the interest accrued thereon.

Modifications or alterations of the Indenture or of any Indenture supplemental thereto may be made only to the extent and in the circumstances permitted by the Indenture.

Any moneys held by the Trustee or Paying Agent in trust for the payment and discharge of any Bond which remain unclaimed for two (2) years after the date when such Bond has become due and payable, either at its stated maturity date or by call for earlier redemption shall be paid to the District, thereupon and thereafter no claimant shall have any rights against the Trustee or Paying Agent to or in respect of such moneys.

If the District deposits or causes to be deposited with the Trustee funds or Government Obligations (as defined in the Master Indenture) sufficient to pay the principal or Redemption Price of any Assessment Area Two Bond becoming due at maturity or by call for redemption in the manner set forth in the Indenture, together with the interest accrued to the due date, or date of redemption, as applicable, the lien of such Assessment Area Two Bonds as to the Assessment Area Two Pledged Revenues with respect to the Assessment Area Two Bonds shall be discharged, except for the rights of the Registered Owners thereof with respect to the funds so deposited as provided in the Indenture.

This Bond shall have all the qualities and incidents, including negotiability, of investment securities within the meaning and for all the purposes of the Uniform Commercial Code of the State.

This Bond shall initially be issued in the name of Cede & Co. as nominee for DTC, and so long as this Bond is held in book-entry-only form Cede & Co. shall be considered the Registered Owner for all purposes hereof, including the payment of the principal of and interest on this Bond. Payment to Direct Participants shall be the responsibility of DTC. Payments by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to individual Beneficial Owners shall be the responsibility of Direct Participants and Indirect Participants and not of DTC, the District or the Trustee.

The District shall keep books for the registration of the Assessment Area Two Bonds at the designated corporate trust office of the Registrar in Orlando, Florida. Subject to the restrictions contained in the Indenture, the Assessment Area Two Bonds may be transferred or exchanged by the Registered Owner thereof in person or by his attorney duly authorized in writing only upon the books of the District kept by the Registrar and only upon surrender thereof together with a written instrument of transfer satisfactory to the Registrar duly executed by the Registered Owner or his duly authorized attorney. In all cases in which the privilege of transferring or exchanging Assessment Area Two Bonds is exercised, the District shall execute and the Trustee shall authenticate and deliver a new Bond or Assessment Area Two Bonds in authorized form and in like aggregate principal amount in accordance with the provisions of the Indenture. Every Bond presented or surrendered for transfer or exchange shall be duly endorsed or accompanied by a written instrument of transfer in form satisfactory to the Trustee, Paying Agent or the Registrar, duly executed by the Bondholder or his attorney duly authorized in writing. Transfers and exchanges shall be made without charge to the Bondholder, except that the District or the Trustee may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any transfer or exchange of Assessment Area Two Bonds.

The District, the Trustee, the Paying Agent and the Registrar shall deem and treat the person in whose name any Bond shall be registered upon the books kept by the Registrar as the absolute owner thereof (whether or not such Bond shall be overdue) for the purpose of receiving payment of or on account of the principal of, premium, if any, and interest on such Bond as the same becomes due, and for all other purposes. All such payments so made to any such Registered Owner or upon his order shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid, and neither the District, the Trustee, the Paying Agent, nor the Registrar shall be affected by any notice to the contrary.

It is hereby certified and recited that all acts, conditions and things required to exist, to happen, and to be performed, precedent to and in the issuance of this Bond exist, have happened and have been performed in regular and due form and time as required by the laws and Constitution of the State of Florida applicable thereto, including particularly the Act, and that the issuance of this Bond, and of the issue of the Assessment Area Two Bonds of which this Bond is one, is in full compliance with all constitutional and statutory limitations or provisions.

Trustee, or such other authenticating agent as may be appointed by the Trustee under the Indenture, of the certificate of authentication endorsed hereon.

SPECIAL ASSESSMENT BONDS, SERIES 2023  
(ASSESSMENT AREA TWO)**

**BOND PURCHASE CONTRACT**

[\_\_\_\_\_], 2023

Board of Supervisors  
South Creek Community Development District  
Hillsborough County, Florida

Dear Board of Supervisors:

FMSbonds, Inc. (the "Underwriter") offers to enter into this Bond Purchase Contract (the "Purchase Contract") with the South Creek Community Development District (the "District"). The District is located entirely within unincorporated Hillsborough County, Florida (the "County"). This offer of the Underwriter shall, unless accepted by the District, acting through its Board of Supervisors (the "Board"), expire at [5:00 P.M.] prevailing time within the jurisdiction of the District on the date hereof, unless previously withdrawn or extended in writing by the Underwriter. This Purchase Contract shall be binding upon the District and the Underwriter upon execution and delivery. Any capitalized word not defined herein shall have the meaning ascribed thereto in the Preliminary Limited Offering Memorandum (hereinafter defined). In conformance with Section 218.385, Florida Statutes, as amended, the Underwriter hereby delivers to the District the Disclosure and Truth-In-Bonding Statements attached hereto as Exhibit A.

**1. Purchase and Sale.** Upon the terms and conditions and upon the basis of the representations, warranties and agreements set forth herein, the Underwriter hereby agrees to purchase from the District and the District hereby agrees to sell and deliver to the Underwriter, all (but not less than all) of its \$[\_\_\_\_\_] aggregate principal amount of South Creek Community Development District Special Assessment Bonds, Series 2023 (Assessment Area Two) (the "Assessment Area Two Bonds"). The Assessment Area Two Bonds shall be dated their date of delivery and shall mature on the dates, shall bear interest at the rates, and shall be subject to redemption prior to maturity, all as provided in Exhibit B attached hereto. The purchase price for the Assessment Area Two Bonds shall be \$[\_\_\_\_\_] (representing the \$[\_\_\_\_\_] aggregate principal amount of the Assessment Area Two Bonds, [plus/less net original issue premium/discount of \$[\_\_\_\_\_] and] less an underwriter's discount of \$[\_\_\_\_\_]) (such payment and delivery and the other actions contemplated hereby to take place at the time of such payment and delivery being hereinafter referred to as the "Closing").

**2. The Assessment Area Two Bonds.** The Assessment Area Two Bonds are to be issued by the District, a local unit of special-purpose government of the State of Florida (the "State") created pursuant to the Uniform Community Development District Act of 1980, Chapter 190, Florida Statutes, as amended, any successor statute thereto, the Florida Constitution, and other

applicable provisions of law (the "Act"), by Ordinance No. 21-1 of the Board of County Commissioners of Hillsborough County, Florida, adopted on and effective as of January 12, 2021 (the "Ordinance"). The Assessment Area Two Bonds are being issued pursuant to the Act and secured pursuant to the provisions of a Master Trust Indenture dated as of June 1, 2021 (the "Master Indenture"), by and between the District and U.S. Bank Trust Company, National Association, as successor in interest to U.S. Bank National Association, as trustee (the "Trustee"), as supplemented by a Second Supplemental Trust Indenture dated as of [\_\_\_\_\_] 1, 2023 (the "Second Supplemental Indenture," and together with the Master Indenture, the "Indenture"), by and between the District and the Trustee, and Resolutions No. 2021-22 and 2024-[\_\_] adopted by the Board of Supervisors of the District (the "Board") on January 21, 2021 and [November 2], 2023, respectively (collectively, the "Bond Resolution"). The Assessment Area Two Special Assessments, the revenues of which comprise the Assessment Area Two Pledged Revenues for the Assessment Area Two Bonds, have been levied by the District on those lands within the District specially benefited by the Assessment Area Two Project pursuant to the Assessment Resolution (as such term is defined in the Second Supplemental Indenture).

**3. Limited Offering; Establishment of Issue Price.** It shall be a condition to the District's obligation to sell and to deliver the Assessment Area Two Bonds to the Underwriter, and to the Underwriter's obligation to purchase, accept delivery of and pay for the Assessment Area Two Bonds, that the entire principal amount of the Assessment Area Two Bonds be issued, sold and delivered by the District and purchased, accepted and paid for by the Underwriter at the Closing and that the District and the Underwriter receive the opinions, documents and certificates described in Section 8(c) hereof.

(a) The Underwriter agrees to assist the District in establishing the issue price of the Assessment Area Two Bonds and shall execute and deliver to the District at Closing an "issue price" or similar certificate, together with the supporting pricing wires or equivalent communications, in the form reasonably satisfactory to Bond Counsel, with such modifications as may be appropriate or necessary, in the reasonable judgment of the Underwriter, the District and Bond Counsel, to accurately reflect, as applicable, the sales price or prices or the initial offering price or prices to the public of the Assessment Area Two Bonds.

(b) Except as otherwise set forth in Exhibit B attached hereto, the District will treat the first price at which 10% of each maturity of the Assessment Area Two Bonds (the "10% test") is sold to the public as the issue price of that maturity (if different interest rates apply within a maturity, each separate CUSIP number within that maturity will be subject to the 10% test). At or promptly after the execution of this Purchase Contract, the Underwriter shall report to the District the price or prices at which it has sold to the public each maturity of the Assessment Area Two Bonds. If at that time the 10% test has not been satisfied as to any maturity of the Assessment Area Two Bonds, the Underwriter agrees to promptly report to the District the prices at which it sells the unsold Bonds of that maturity to the public. That reporting obligation shall continue, whether or not the Closing Date (as defined below) has occurred, until the 10% test has been satisfied as to the Assessment Area Two Bonds of that maturity or until all Bonds of that maturity have been sold to the public.

(c) The Underwriter confirms that it has offered the Assessment Area Two Bonds to the public on or before the date of this Purchase Contract at the offering price or prices (the "initial offering price"), or at the corresponding yield or yields, set forth in Exhibit B attached hereto, except as otherwise set forth therein. Exhibit B also sets forth, as of the date of this Purchase Contract, the maturities, if any, of the Assessment Area Two Bonds for which the 10% test has not been satisfied and for which the District and the Underwriter agree that the restrictions set forth in the next sentence shall apply, which will allow the District to treat the initial offering price to the public of each such maturity as of the sale date as the issue price of that maturity (the "hold-the-offering-price rule"). So long as the hold-the-offering-price rule remains applicable to any maturity of the Assessment Area Two Bonds, the Underwriter will neither offer nor sell unsold Bonds of that maturity to any person at a price that is higher than the initial offering price to the public during the period starting on the sale date and ending on the earlier of the following:

(1) the close of the fifth (5<sup>th</sup>) business day after the sale date; or

(2) the date on which the Underwriter has sold at least 10% of that maturity of the Assessment Area Two Bonds to the public at a price that is no higher than the initial offering price to the public.

The Underwriter shall promptly advise the District when it has sold 10% of that maturity of the Assessment Area Two Bonds to the public at a price that is no higher than the initial offering price to the public, if that occurs prior to the close of the fifth (5<sup>th</sup>) business day after the sale date.

(d) The Underwriter acknowledges that sales of any Bonds to any person that is a related party to the Underwriter shall not constitute sales to the public for purposes of this Section. Further, for purposes of this Section:

(1) "public" means any person other than an underwriter or a related party, and

(2) a purchaser of any of the Assessment Area Two Bonds is a "related party" to an underwriter if the underwriter and the purchaser are subject, directly or indirectly, to (i) at least 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (ii) more than 50% common ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of another), or (iii) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other), and

(3) "sale date" means the date of execution of this Purchase Contract is executed by all parties.

**4. Use of Documents.** Prior to the date hereof, the District has caused to be prepared and provided to the Underwriter its Preliminary Limited Offering Memorandum dated [\_\_\_\_\_], 2023 (such Preliminary Limited Offering Memorandum, including the cover pages and all appendices thereto and any amendments and supplements thereto that may be authorized by the District for use with respect to the Assessment Area Two Bonds, being herein collectively called the "Preliminary Limited Offering Memorandum"), relating to the Assessment Area Two Bonds, which the District has deemed final as of its date, except for certain permitted omissions (the "permitted omissions"), as contemplated by Rule 15c2-12 of the Securities and Exchange Commission ("Rule 15c2-12" or the "Rule") in connection with the limited offering of the Assessment Area Two Bonds. The Underwriter has reviewed the Preliminary Limited Offering Memorandum prior to the execution of this Purchase Contract. The District has, prior to the date hereof, authorized the Underwriter to circulate and use the Preliminary Limited Offering Memorandum in connection with the limited offering of the Assessment Area Two Bonds. The District, at its expense, shall deliver or cause to be delivered to the Underwriter, within seven (7) business days after the date hereof but not later than three (3) days prior to the Closing Date (as defined below) and in sufficient time to allow the Underwriter to comply with all of the requirements of the Rule and all applicable securities laws and the rules of the Municipal Securities Rulemaking Board (the "MSRB"), a final Limited Offering Memorandum dated [\_\_\_\_\_], 2023 (such Limited Offering Memorandum, including the cover pages and all appendices thereto and any amendments and supplements thereto that may be authorized by the District for use with respect to the Assessment Area Two Bonds, being herein collectively called the "Limited Offering Memorandum" and, together with the Preliminary Limited Offering Memorandum, the "Limited Offering Memoranda"). The District hereby ratifies and approves the circulation and use of the Limited Offering Memoranda by the Underwriter.

**5. Definitions.** For purposes hereof, (a) this Purchase Contract, the Assessment Area Two Bonds, the Indenture, the Continuing Disclosure Agreement to be dated as of the Closing Date, among the District, Simmons East, LLC, a Florida limited liability company (the "Landowner"), and Inframark, LLC, a Texas limited liability company (the "Dissemination Agent"), in substantially the form attached to the Preliminary Limited Offering Memorandum as APPENDIX D thereto (the "Disclosure Agreement"), and the DTC Blanket Issuer Letter of Representations entered into by the District, are referred to herein collectively as the "Financing Documents," and (b) the Funding and Completion Agreement (Assessment Area Two Project) dated as of the Closing Date, by and between the District and the Landowner (the "Completion Agreement"), the Development Acquisition Agreement (Assessment Area Two Project) dated as of the Closing Date by and between the District and the Landowner (the "Acquisition Agreement"), the Agreement to Convey or Dedicate (Assessment Area Two Project) dated as of the Closing Date by and between the District and the Landowner (the "Conveyance Agreement"), the Collateral Assignment and Assumption of Development Rights Relating to the Assessment Area Two Project (Assessment Area Two Project) dated as of the Closing Date and in recordable form by and between the District, the Landowner (the "Collateral Assignment") and the True-Up Agreement (Assessment Area Two Project) between the District and the Landowner dated as of the Closing Date in recordable form (the "True-Up Agreement") are collectively referred to herein as the "Ancillary Agreements."

**6. Representations, Warranties and Agreements.** The District hereby represents, warrants and agrees as follows:

(a) The Board is the governing body of the District, and the District is and will be on the Closing Date duly organized and validly existing as a unit of special-purpose government created pursuant to the Constitution and laws of the State, including without limitation the Act;

(b) The District has full legal right, power and authority to: (i) adopt the Bond Resolution and the Assessment Resolution; (ii) enter into the Financing Documents and Ancillary Agreements to which it is a party; (iii) sell, issue and deliver the Assessment Area Two Bonds to the Underwriter as provided herein; (iv) apply the proceeds of the sale of the Assessment Area Two Bonds for the purposes described in the Limited Offering Memoranda; (v) acknowledge and authorize the use of the Preliminary Limited Offering Memorandum and the use and execution of the Limited Offering Memorandum; and (vi) carry out and consummate the transactions contemplated by the Bond Resolution, the Assessment Resolution, the Financing Documents, the Ancillary Agreements, and the Limited Offering Memoranda, including without limitation entering into the Property Appraiser and Tax Collector Agreement to provide for the collection of the Assessment Area Two Special Assessments using the Uniform Method of collection in accordance with the Indenture. The District has complied, and on the Closing Date will be in compliance in all material respects, with the terms of the Act and with the obligations on its part contained in the Bond Resolution, the Assessment Resolution, the Financing Documents, the Ancillary Agreements to which it is a party and the Assessment Area Two Bonds;

(c) At meetings of the Board that were duly called and noticed and at which a quorum was present and acting throughout, the Board duly adopted the Bond Resolution and the Assessment Resolution, and the same are in full force and effect and have not been supplemented, amended, modified or repealed, except as set forth therein. By all necessary official Board action, the District has duly authorized and approved the use and delivery of the Preliminary Limited Offering Memorandum and the execution and delivery of the Financing Documents, the Ancillary Agreements, the Assessment Area Two Bonds and the Limited Offering Memorandum, has duly authorized and approved the performance by the District of the obligations on its part contained in the Financing Documents, the Ancillary Agreements and the Assessment Area Two Bonds and the consummation by it of all other transactions contemplated by this Purchase Contract and the Preliminary Limited Offering Memorandum in connection with the issuance of the Assessment Area Two Bonds. Upon execution and delivery by the District and the Trustee (and assuming the due authorization, execution and delivery of the Indenture by the Trustee), the Indenture will constitute a legal, valid and binding obligation of the District, enforceable in accordance with its terms, subject only to applicable bankruptcy, insolvency, and similar laws affecting creditors' rights and subject, as to enforceability, to general principles of equity (regardless of whether enforcement is sought in a proceeding in equity or at law). Upon execution by the District and the other parties thereto (and assuming the due authorization, execution and delivery of such agreements by the other parties thereto), the Financing Documents and the Ancillary Agreements will constitute the legal, valid and binding obligations of the District, enforceable in accordance with their respective terms, subject only to applicable bankruptcy, insolvency and similar laws affecting creditors' rights and subject, as to enforceability, to general principles of equity (regardless of whether enforcement is sought in a proceeding in equity or at law);

(d) The District is not in material breach of or material default under any applicable provision of the Act or any applicable constitutional provision or statute or, to the best of its knowledge, administrative regulation of the State or the United States of America or any applicable judgment or decree, or any loan agreement, indenture, bond, note, resolution, agreement, or other material instrument to which the District is a party or to which the District or any of its property or assets is otherwise subject, and to the best of its knowledge, no event has occurred and is continuing which with the passage of time or the giving of notice, or both, would constitute a material default or material event of default under any such instrument; and the execution and delivery of the Assessment Area Two Bonds, the Financing Documents, the Ancillary Agreements to which it is a party and the Limited Offering Memorandum, the delivery of the Preliminary Limited Offering Memorandum, and the adoption of the Bond Resolution and the Assessment Resolution, and compliance with the provisions on the District's part contained therein, will not conflict with or constitute a material breach of or material default under any applicable constitutional provision or law or, to the best of its knowledge, any administrative regulation, judgment, decree, loan agreement, indenture, bond, note, resolution, agreement, or other instrument to which the District is a party or to which the District or any of its property or assets is otherwise subject, nor will any such execution, delivery, adoption, use or compliance result in the creation or imposition of any lien, charge, or other security interest or encumbrance of any nature whatsoever upon any of the property or assets of the District or under the terms of any such law, regulation or instrument, except as provided by the Assessment Resolution, the Assessment Area Two Bonds and the Indenture. To the best of its knowledge, no event has occurred which, with the lapse of time or the giving of notice, or both, would constitute an event of default (as therein defined) under the Assessment Area Two Bonds, the Financing Documents or the Ancillary Agreements to which the District is a party;

(e) All authorizations, approvals, licenses, permits, consents and orders of any governmental authority, legislative body, board, agency or commission having jurisdiction of the matters which (i) are required for the due authorization by the District, or (ii) would constitute a condition precedent to or the absence of which would materially adversely affect the due performance by the District, of its obligations to issue the Assessment Area Two Bonds, or under the Assessment Area Two Bonds, the Bond Resolution, the Assessment Resolution, Financing Documents or the Ancillary Agreements have been duly obtained, except for such approvals, consents and orders as may be required under the Blue Sky or securities laws of any state in connection with the offering and sale of the Assessment Area Two Bonds;

(f) The descriptions of the Assessment Area Two Bonds, the Financing Documents, the Ancillary Agreements to which the District is a party and the Assessment Area Two Project to the extent referred to in the Limited Offering Memoranda, conform in all material respects to the Assessment Area Two Bonds, the Financing Documents, such Ancillary Agreements and the Assessment Area Two Project, respectively;

(g) The Assessment Area Two Bonds, when issued, executed and delivered in accordance with the Indenture and when delivered to and paid for by the Underwriter at the Closing in accordance with the provisions of this Purchase Contract, will be validly

issued and outstanding obligations of the District, entitled to the benefits of the Indenture, and upon such issuance, execution and delivery of the Assessment Area Two Bonds, the Indenture will provide, for the benefit of the holders from time to time of the Assessment Area Two Bonds, a legally valid and binding pledge of the Assessment Area Two Trust Estate. On the Closing Date, all conditions precedent to the issuance of the Assessment Area Two Bonds set forth in the Indenture will have been complied with or fulfilled;

(h) There is no claim, action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, government agency, public board or body, pending or, to its best knowledge, threatened against the District: (i) contesting the corporate existence or powers of the Board or the titles of the respective officers of the Board to their respective offices; (ii) affecting or seeking to prohibit, restrain or enjoin the sale, issuance or delivery of the Assessment Area Two Bonds or the application of the proceeds of the sale thereof for the purposes described in the Limited Offering Memoranda or the collection of Assessment Area Two Special Assessments or the pledge of the Assessment Area Two Trust Estate, pursuant to the Indenture; (iii) contesting or affecting specifically as to the District the validity or enforceability of the Act or any action of the District in any respect relating to the authorization for the issuance of the Assessment Area Two Bonds, or the authorization of the Assessment Area Two Project, the Bond Resolution, the Assessment Resolution, the Financing Documents and the Ancillary Agreements to which the District is a party, or the application of the proceeds of the Assessment Area Two Bonds for the purposes set forth in the Limited Offering Memoranda; (iv) contesting the federal tax status of the Assessment Area Two Bonds; or (v) contesting the completeness or accuracy of the Limited Offering Memoranda or any supplement or amendment thereto;

(i) To the extent applicable, the District will furnish such information, execute such instruments and take such other action in cooperation with the Underwriter as the Underwriter may reasonably request in order to: (i) qualify the Assessment Area Two Bonds for offer and sale under the Blue Sky or other securities laws and regulations of such states and other jurisdictions of the United States as the Underwriter may designate; and (ii) determine the eligibility of the Assessment Area Two Bonds for investment under the laws of such states and other jurisdictions, and the District will use its best efforts to continue such qualifications in effect so long as required for the initial limited offering and distribution of the Assessment Area Two Bonds; provided, however, that the District shall not be required to execute a general or special consent to service of process or to qualify to do business in connection with any such qualification or determination in any jurisdiction or register as a broker/dealer;

(j) As of its date (unless an event occurs of the nature described in paragraph (1) of this Section 6) and at all times subsequent thereto, up to and including the Closing Date, the statements and information contained in the Preliminary Limited Offering Memorandum (other than "Permitted Omissions") and in the Limited Offering Memorandum are and will be accurate in all material respects for the purposes for which their use is authorized and do not and will not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements made therein, in the light of the circumstances under which they were made, not misleading; provided, however, that no representation is made concerning information contained in the Limited Offering

Memoranda under the captions "DESCRIPTION OF THE ASSESSMENT AREA TWO BONDS – Book-Entry System," "THE DEVELOPMENT," "THE LANDOWNER," "TAX MATTERS," "SUITABILITY FOR INVESTMENT," "LITIGATION – The Landowner," and "UNDERWRITING";

(k) If the Limited Offering Memorandum is supplemented or amended pursuant to subsection (1) of this Section 6, at the time of each supplement or amendment thereto and (unless subsequently again supplemented or amended pursuant to such paragraph) at all times subsequent thereto up to and including the Closing Date, the Limited Offering Memorandum as so supplemented or amended will not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading; provided, however, that no representation is made concerning information contained in the Limited Offering Memorandum under the captions "DESCRIPTION OF THE ASSESSMENT AREA TWO BONDS – Book-Entry System," "THE DEVELOPMENT," "THE LANDOWNER," "TAX MATTERS," "SUITABILITY FOR INVESTMENT," "LITIGATION – The Landowner" and "UNDERWRITING";

(l) If between the date of this Purchase Contract and the earlier of (i) ninety (90) days from the end of the "Underwriting Period" as defined in Rule 15c2-12, or (ii) the time when the Limited Offering Memorandum is available to any person from the MSRB's Electronic Municipal Market Access system (but in no event less than twenty-five (25) days following the end of the Underwriting Period), any event shall occur, of which the District has actual knowledge, which might or would cause the Limited Offering Memorandum, as then supplemented or amended, to contain any untrue statement of a material fact or to omit to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading, the District shall notify the Underwriter thereof, and, if in the opinion of the Underwriter such event requires the preparation and publication of a supplement or amendment to the Limited Offering Memorandum, the District will at its expense supplement or amend the Limited Offering Memorandum in a form and in a manner approved by the Underwriter. The end of the Underwriting Period shall be the next business day after the Closing Date;

(m) Since its inception, there has been no material adverse change in the properties, businesses, results of operations, prospects, management or financial or other condition of the District except as disclosed in the Limited Offering Memoranda, and the District has not incurred liabilities that would materially adversely affect its ability to discharge its obligations under the Bond Resolution, the Assessment Resolution, the Bonds, the Financing Documents or the Ancillary Agreements, direct or contingent, other than as set forth in or contemplated by the Limited Offering Memoranda;

(n) The District is not now in default and has not been in default at any time after December 31, 1975 in the payment of the principal of or the interest on any governmental security issued or guaranteed by it which would require disclosure pursuant to Section 517.051, Florida Statutes or Rule 69W-400.003 of the Florida Department of Financial Services;

(o) Except as disclosed in the Limited Offering Memoranda, the District has not in the last five years failed to materially comply with its obligations under any continuing disclosure undertakings pursuant to the Rule;

(p) Any certificate signed by any official of the District and delivered to the Underwriter will be deemed to be a representation by the District to the Underwriter as to the statements made therein; and

(q) From the date of this Purchase Contract through the Closing Date, the District will not issue any bonds (other than the Assessment Area Two Bonds), notes or other obligations payable from the 2023 Pledged Revenues.

Re: \$[\_\_\_\_\_] South Creek Community Development District Special Assessment  
Bonds, Series 2023 (Assessment Area Two)

Dear Board of Supervisors:

Pursuant to Chapter 218.385, Florida Statutes, and with respect to the issuance of the above-referenced bonds (the "Assessment Area Two Bonds"), FMSbonds, Inc. (the "Underwriter"), having purchased the Assessment Area Two Bonds pursuant to a Bond Purchase Contract dated [\_\_\_\_\_] , 2023 (the "Bond Purchase Contract"), between the Underwriter and South Creek Community Development District (the "District"), furnishes the following information in connection with the Limited Offering and sale of the Assessment Area Two Bonds. Capitalized terms used and not defined herein shall have the meanings assigned to them in the bond Purchase Contract.

1. The total underwriting discount to be paid to the Underwriter pursuant to the Bond Purchase Contract is approximately \$[\_\_\_\_\_] per \$1,000.00 or \$[\_\_\_\_\_].
2. There are no "finders" as such term is used in Sections 218.385 and 218.386, Florida Statutes, in connection with the issuance of the Assessment Area Two Bonds.
3. The nature and estimated amounts of expenses to be incurred by the Underwriter in connection with the issuance of the Assessment Area Two Bonds are set forth in Schedule I attached hereto.
4. Any other fee, bonus or other compensation estimated to be paid by the Underwriter in connection with the Assessment Area Two Bonds to any person not regularly employed or retained by the Underwriter in connection with the Assessment Area Two Bonds to any person not regularly employed or retained by the Underwriter is as follows: None. Aponte & Associates Law Firm, P.L.L.C. has been retained as counsel to the Underwriter and will be compensated by the District.
5. Pursuant to the provisions of Sections 218.385(2) and (3), Florida Statutes, as amended, the following truth-in-bonding statements are made with respect to the Assessment Area Two Bonds.

The District is proposing to issue \$[\_\_\_\_\_] aggregate amount of the Assessment Area Two Bonds for the purpose of providing moneys, together with other legally available moneys of

the District, to: (i) provide funds to pay all or a portion of the costs of the planning, financing, acquisition, construction, installation and equipping of the Assessment Area Two Project; (ii) fund a deposit to the Assessment Area Two Reserve Account in the amount of the Assessment Area Two Reserve Requirement; and (iii) pay the costs of issuance of the Assessment Area Two Bonds. This debt or obligation is expected to be repaid over a period of approximately [\_\_\_\_\_] (\_\_) years, [\_\_\_\_\_] (\_\_) months, and [\_\_\_\_\_] (\_\_) days. [There shall be no more than thirty (30) principal installments.] At a net interest cost of approximately [\_\_\_\_\_] % for the Assessment Area Two Bonds, total interest paid over the life of the Assessment Area Two Bonds will be \$[\_\_\_\_\_].

The source of repayment for the Assessment Area Two Bonds is the revenues received by the District from the Assessment Area Two Special Assessments. Based solely upon the assumptions set forth in the paragraph above, the issuance of the Assessment Area Two Bonds will result in approximately \$[\_\_\_\_\_] of the District's special assessment revenues not being available to the District on an annual basis to finance other services of the District; provided however, that in the event that the Assessment Area Two Bonds were not issued, the District would not be entitled to impose and collect the Assessment Area Two Special Assessments in the amount of the principal of and interest to be paid on the Assessment Area Two Bonds.

3. **Redemption Provisions:**

**Optional Redemption**

The Assessment Area Two Bonds maturing after [June 15, 20\_\_] may, at the option of the District, be called for redemption prior to maturity as a whole or in part, at any time, on or after [\_\_\_\_ 1, 20\_\_] (less than all Assessment Area Two Bonds of a maturity to be selected by lot), at a Redemption Price equal to the principal amount of Assessment Area Two Bonds to be redeemed, plus accrued interest from the most recent Interest Payment Date through which interest has been paid to the redemption date from moneys on deposit in the Assessment Area Two Optional Redemption Subaccount of the Assessment Area Two Bond Redemption Account. If such optional redemption shall be in part, the District shall select such principal amount of Assessment Area Two Bonds to be optionally redeemed from each maturity so that debt service on the remaining Outstanding Assessment Area Two Bonds is substantially level.

**Mandatory Sinking Fund Redemption**

The Assessment Area Two Bonds maturing on [June 15, 20\_\_] are subject to mandatory sinking fund redemption from the moneys on deposit in the Assessment Area Two Sinking Fund Account on June 15 in the years and in the mandatory sinking fund redemption amounts set forth below at a Redemption Price of 100% of their principal amount plus accrued interest to the date of redemption.

The Assessment Area Two Bonds maturing on [June 15, 20\_\_] are subject to mandatory sinking fund redemption from the moneys on deposit in the Assessment Area Two Sinking Fund Account on June 15 in the years and in the mandatory sinking fund redemption amounts set forth below at a Redemption Price of 100% of their principal amount plus accrued interest to the date of redemption.

<u>Year</u>	<u>Mandatory Sinking Fund Redemption Amount</u>
-------------	---

---

\* Maturity

Upon any redemption of Assessment Area Two Bonds other than in accordance with scheduled mandatory sinking fund redemption amounts, the District shall cause to be recalculated and delivered to the Trustee revised mandatory sinking fund redemption amounts recalculated so as to amortize the Outstanding principal amount of Assessment Area Two Bonds in substantially equal annual installments of principal and interest (subject to rounding to Authorized Denominations of principal) over the remaining term of the Assessment Area Two Bonds. The mandatory sinking fund redemption amounts as so recalculated shall not result in an increase in the aggregate of the mandatory sinking fund redemption amounts for all Assessment Area Two Bonds in any year. In the event of a redemption or purchase occurring less than forty-five (45) days prior to a date on which a mandatory sinking fund redemption amount is due, the foregoing recalculation shall not be made to the mandatory sinking fund redemption amounts due in the year in which such redemption occurs, but shall be made to the mandatory sinking fund redemption amounts for the immediately succeeding and subsequent years.

### **Extraordinary Mandatory Redemption**

The Assessment Area Two Bonds are subject to extraordinary mandatory redemption prior to maturity by the District in whole or in part, on any date (other than in the case of clause (i) below, which extraordinary mandatory redemption in part must occur on a Quarterly Redemption Date), at a Redemption Price equal to 100% of the principal amount of the Assessment Area Two Bonds to be redeemed, plus interest accrued to the redemption date, as follows:

(i) From Assessment Area Two Prepayment Principal deposited into the Assessment Area Two Prepayment Subaccount of the Assessment Area Two Bond Redemption Account following the payment in whole or in part of Assessment Area Two Special Assessments on any assessable property within the District in accordance with the provisions of the Second Supplemental Indenture, together with any excess moneys transferred by the Trustee from the Assessment Area Two Reserve Account to the Assessment Area Two Prepayment Subaccount as a result of such Assessment Area Two Prepayment and pursuant to the Second Supplemental

Indenture. If such redemption shall be in part, the District shall select such principal amount of Assessment Area Two Bonds to be redeemed from each maturity so that debt service on the remaining Outstanding Assessment Area Two Bonds is substantially level; or

(ii) From moneys, if any, on deposit in the Assessment Area Two Funds, Accounts and Subaccounts (other than the Assessment Area Two Rebate Fund and the Assessment Area Two Acquisition and Construction Account) sufficient to pay and redeem all Outstanding Assessment Area Two Bonds and accrued interest thereon to the redemption date or dates in addition to all amounts owed to Persons under the Master Indenture; or

(iii) Upon the Completion Date of the Assessment Area Two Project, from any funds remaining on deposit in the Assessment Area Two Acquisition and Construction Account not otherwise reserved to complete the Assessment Area Two Project and transferred to the Assessment Area Two General Redemption Subaccount of the Assessment Area Two Bond Redemption Account. If such redemption shall be in part, the District shall select such principal amount of Assessment Area Two Bonds to be redeemed from each maturity so that debt service on the remaining Outstanding Assessment Area Two Bonds is substantially level.

As used herein, "Quarterly Redemption Date" shall mean each March 15, June 15, September 15 and December 15 of any calendar year. Except as otherwise provided in the Indenture, if less than all of the Assessment Area Two Bonds of a maturity are to be redeemed pursuant to an extraordinary mandatory redemption, the Trustee shall select the Assessment Area Two Bonds or portions of the Assessment Area Two Bonds to be redeemed by lot as provided in the Indenture. Partial redemptions of Assessment Area Two Bonds shall, to the extent possible, be made in such a manner that the remaining Assessment Area Two Bonds held by each Bondholder shall be in Authorized Denominations, except for the last remaining Assessment Area Two Bond.

      Bonds, Series 2023 (Assessment Area Two)

Ladies and Gentlemen:

We have acted as Disclosure Counsel to the South Creek Community Development District (the "District"), a community development district established and existing pursuant to Chapter 190 of the Florida Statutes, as amended (the "Act"), in connection with the issuance by the District of its \$[\_\_\_\_\_] original aggregate principal amount of South Creek Community Development District Special Assessment Bonds, Series 2023 (Assessment Area Two) (the "Bonds"). The Bonds were sold pursuant to a Bond Purchase Contract dated [\_\_\_\_\_] 2023 (the "Purchase Contract") between the District and FMSbonds, Inc. (the "Underwriter"). Capitalized terms not otherwise defined herein shall have the meanings assigned to them in the Purchase Contract.

In this capacity we have examined the constitution and laws of the State of Florida, particularly, the Uniform Community Development District Act of 1980, Chapter 190, Florida Statutes, as amended, and other applicable provisions of law (collectively, the "Act"), the Bond Resolution and Assessment Resolutions adopted by the Board of Supervisors of the District, and that certain Master Trust Indenture dated as of June 1, 2021 (the "Master Indenture"), by and between the District and U.S. Bank Trust Company, National Association, as successor in interest to U.S. National Association, as trustee (the "Trustee"), as supplemented and amended by that certain Second Supplemental Trust Indenture, dated as of [\_\_\_\_\_] 1, 2023 by and between the District and the Trustee.

To the extent that the opinions expressed herein relate to or are dependent upon the determination that the proceedings and actions relating to the authorization, issuance and sale of the Bonds are lawful and valid under the Act, the validity of the formation of the District and the pledge of revenues, that the Bonds, the Bond Resolution, the Assessment Resolutions and the Indenture are valid and legally binding obligations and that the interest on the Bonds is excluded from federal income taxation and to certain other matters relating to the District, we understand that you are relying upon the separate opinions and reliance letter(s), as applicable, to you on the date hereof of GrayRobinson, P.A., in its role as Bond Counsel, and Straley Robin Vericker P.A., as District Counsel, as applicable.

In our examination, we have assumed the genuineness of signatures on all documents and instruments, the authenticity of documents submitted as originals and the conformity to originals of documents submitted as copies.

Based on the foregoing we are of the opinion that:

1. The Bonds are exempt from registration under the Securities Act of 1933, as amended.
2. The Indenture does not need to be qualified under the Trust Indenture Act of 1939, as amended.

We are not passing upon and do not assume any responsibility for the accuracy, completeness or fairness of any of the statements in the District's Limited Offering Memorandum and make no representation that we have independently verified the accuracy, completeness or fairness of any such statements. We have, however, acted as your counsel in the preparation of the Limited Offering Memorandum, generally reviewed and discussed the statements contained therein with certain officials of the District, District Counsel, representatives of Inframark, LLC , as District Manager, Methodology Consultant and Dissemination Agent to the District, representatives of Stantec Consulting Services, Inc., as Consulting Engineer to the District, representatives of Simmons East, LLC and its counsel and representatives of the Underwriter and its counsel. In the course of such preparation, review and discussions, no facts have come to our attention which would lead us to believe that the Limited Offering Memorandum (except for the financial and statistical data and forecasts, numbers, estimates, assumptions and expressions of opinion, and information concerning The Depository Trust Company and the book-entry system for the Bonds which we expressly exclude from the scope of this sentence) contained as of its date or contains as of the date hereof any untrue statement of a material fact or omits to state any material fact to make the statements made therein, in light of the circumstances under which they were made, not misleading.

In rendering the opinions set forth above, it is understood that we have not undertaken to independently verify information contained or derived from various United States, State of Florida or Hillsborough County, Florida publications and websites and presented in the Limited Offering Memorandum. In rendering the foregoing opinions we have assumed the accuracy and truthfulness of all public records and of all certifications, documents and other proceedings examined by us that have been executed or certified by public officials acting within the scope of their official capacities and have not verified the accuracy or truthfulness thereof. We have also assumed the genuineness of the signatures appearing upon such public records, certifications, documents and proceedings.

The opinions and statements expressed herein are based solely on the laws of the State of Florida and of the United States of America. Accordingly, we express no opinion nor make any statement regarding the effect or application of the laws of any other state or jurisdiction.

We disclaim any obligation to supplement this letter to reflect any facts or circumstances that may hereafter come to our attention or any changes in the law that may hereafter occur. Re: \$[\_\_\_\_\_] South Creek Community Development District (Hillsborough County, Florida) Special Assessment Bonds, Series 2023 (Assessment Area Two)

Ladies and Gentlemen:

[Customary introduction/qualifications]

In our capacity as counsel to the District, we have examined such documents and have made such examination of law as we have deemed necessary or appropriate in rendering the opinions set forth below. We have also attended various meetings of the District and have participated in conferences from time to time with representatives of the District, the District Manager, the District assessment consultant, the Underwriter, Bond Counsel, counsel for the Underwriter, the Landowner, counsel for the Landowner, and the District Engineer relative to the Limited Offering Memoranda (as defined herein) and the related documents described as follows:

the Bond Purchase Contract, the Indenture, the DTC Letter of Representations, and the Continuing Disclosure Agreement (collectively, the "**Financing Documents**");

the Development Acquisition Agreement (Assessment Area Two Project) dated as of the Closing Date (the "**Acquisition Agreement**") by and between the District and Simmons East, LLC (the "**Landowner**"), the Agreement to Convey or Dedicate (Assessment Area Two Project) dated as of the Closing Date by and between the District and the Landowner (the "**Conveyance Agreement**"), the Collateral Assignment and Assumption of Development Rights Relating to the Assessment Area Two Project (Assessment Area Two Project) dated as of the Closing Date and in recordable form by and between the District and the Landowner (the "**Collateral Assignment**"), the Funding and Completion Agreement (Assessment Area Two Project) dated as of the Closing Date by and between the District and the Landowner (the "**Completion Agreement**"), and the True-Up Agreement (Assessment Area Two Project) dated as of the Closing Date and in recordable form by and between the District and the Landowner (the "**True-Up Agreement**" and

collectively with the Acquisition Agreement, Conveyance Agreement, Collateral Assignment, and Completion Agreement referred to herein as the "**Ancillary Agreements**");

Resolutions Nos. 2021-22 and 2024-[\_\_] adopted by the Board of Supervisors of the District (the "**Board**") on January 21, 2021 and [November 2], 2023, respectively (collectively, the "**Bond Resolutions**"); and

Resolution Nos. [2021-29, 2021-30, and 2021-32], adopted by the Board on [March 4, 2021, March 4, 2021, and May 6, 2021], respectively (collectively, the "**Assessment Resolutions**").

Based on the foregoing, we are of the opinion that:

1. The District has been established and validly exists as a community development district, independent local unit of special purpose government and political subdivision under applicable Florida law.
2. The Financing Documents, the Ancillary Agreements, and the use of the uniform method for the collection of non-ad valorem assessments pursuant to Section 197.3632, Florida Statutes, as amended, and the Assessment Area Two Bonds have been duly authorized, executed, and delivered by the District.
3. Assuming due execution by the other party(ies) thereto, if applicable, the Financing Documents, the Ancillary Agreements, the Assessment Area Two Bonds, the Bond Resolutions, and the Assessment Resolutions constitute legal, valid and binding obligations of the District, enforceable in accordance with their respective terms, except to the extent that the enforceability of the rights and remedies set forth therein may be limited by bankruptcy, insolvency, and similar laws affecting creditors' rights generally and general principles of equity.
4. There is no litigation or other proceeding now pending of which the District or its registered agent has received notice or service of process, or to our best knowledge, threatened against the District: (a) contesting the existence or powers of the Board or the titles of the respective officers of the Board to their respective offices; (b) affecting or seeking to prohibit, restrain or enjoin the sale, issuance or delivery of the Assessment Area Two Bonds or the application of the proceeds of the sale thereof for the purposes described in the Limited Offering Memoranda or the collection of Assessment Area Two Special Assessments or the pledge of and lien on the Assessment Area Two Pledged Revenues pursuant to the Indenture; (c) contesting or affecting specifically as to the District the validity or enforceability of the Act or any action of the District relating to authorization for the issuance of the Assessment Area Two Bonds or the authorization of the Assessment Area Two Project, the Bond Resolutions, the Assessment Resolutions, the Financing Documents, the Ancillary Agreements, or the application of the proceeds of the Assessment Area Two Bonds for the purposes set forth in the Limited Offering Memoranda; (d) specifically contesting the federal or state tax status of the Assessment Area Two Bonds; or (e)

contesting the completeness or accuracy of the Limited Offering Memoranda (except for permitted omissions with respect to the Preliminary Limited Offering Memorandum as defined herein) or any supplement or amendment thereto.

5. The District has duly authorized and delivered the Preliminary Limited Offering Memorandum dated [\_\_\_\_\_], 2023 (the "**Preliminary Limited Offering Memorandum**"), and duly authorized, execute and delivered the Limited Offering Memorandum dated [\_\_\_\_\_], 2023 (the "**Limited Offering Memorandum**" and, together with the Preliminary Limited Offering Memorandum, collectively, the "**Limited Offering Memoranda**").
6. Based upon our representation of the District as its Counsel and our limited participation in the preparation of the Limited Offering Memoranda, we have no reason to believe that the statements and information contained in the Limited Offering Memoranda under the captions (including all subcaptions thereunder unless hereinafter excluded) "INTRODUCTION," "SECURITY FOR AND SOURCE OF PAYMENT OF THE ASSESSMENT AREA TWO BONDS," "ENFORCEMENT OF ASSESSMENT COLLECTIONS," "THE DISTRICT" (excluding the subcaption "The District Manager and Other Consultants"), "ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS," "THE DEVELOPMENT – Landowner Agreements" (solely as it relates to a description of such agreements with the District), "AGREEMENT BY THE STATE," "LITIGATION – The District," "DISCLOSURE REQUIRED BY FLORIDA BLUE SKY REGULATIONS," "CONTINUING DISCLOSURE," (as it relates to the District only) "VALIDATION," and "AUTHORIZATION AND APPROVAL" are not true and accurate and as of their respective dates did not, and as of the date of Closing do not, contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements made therein, in light of the circumstances under which they were made, not misleading.
7. The District is not, in any manner material to the issuance of the Assessment Area Two Bonds, in breach of or default under any applicable provision of the Act or constitutional provision, statute, or administrative regulation of the State or the United States, or to the best of our knowledge, any applicable judgment or decree, any loan agreement, indenture, bond, note, resolution, agreement, or any other material instrument to which the District is a party or to which the District or any of its property or assets is otherwise subject, and to the best of our knowledge, no event has occurred and is continuing which with the passage of time or the giving of notice, or both, would constitute a material default or event of default by the District under any such instrument; provided, however, that no opinion is expressed as to compliance with any state or federal tax laws or with any state "Blue Sky" or other securities laws, as may be applicable.
8. The execution and delivery of the Assessment Area Two Bonds, the Financing Documents, the Ancillary Agreements, to which the District is a party, and the adoption of the Bond Resolutions and the Assessment Resolutions and compliance with the provisions on the District's part contained therein will not conflict with or constitute a breach of or default under any applicable constitutional provision or law, or to the best of our knowledge, under

any administrative regulation, judgment, decree, loan agreement, indenture, bond, note, resolution, agreement or other instrument to which the District is a party or to which the District or any of its property or assets is otherwise subject, nor will any such execution, delivery, adoption or compliance result in the creation or imposition of any lien, charge or other security interest or encumbrance of any nature whatsoever upon any of the property or assets of the District or under the terms of any such law, regulation or instrument, except as expressly provided by the Assessment Area Two Bonds and the Indenture. To the best of our knowledge after due inquiry, the District has taken no action which, with the lapse of time or the giving of notice, or both would constitute a material default or event of default by the District under the Assessment Area Two Bonds, the Financing Documents or the Ancillary Agreements.

9. To the best of our knowledge after investigation, all consents, permits or licenses, and all notices to or filings with governmental authorities necessary for the consummation by the District of the transactions described in the Limited Offering Memoranda and contemplated by the Indenture required to be obtained or made, have been obtained or made or there is no reason to believe they will not be obtained or made when required, provided that no opinion is expressed as to the applicability of or compliance with tax laws, state "Blue Sky" laws or other securities laws.
10. The District has the right and authority under the Act and other state law to adopt the Bond Resolutions and the Assessment Resolutions, to issue the Assessment Area Two Bonds, to undertake the Assessment Area Two Project, to levy the Assessment Area Two Special Assessments that will secure the Assessment Area Two Bonds, and has duly adopted the Bond Resolutions and the Assessment Resolutions.
11. All proceedings undertaken by the District with respect to the Assessment Area Two Special Assessments securing the Assessment Area Two Bonds, including adoption of the Assessment Resolutions, were undertaken in accordance with Florida law, and the District has taken all necessary action as of the date hereof to levy and impose the Assessment Area Two Special Assessments. The Assessment Area Two Special Assessments constitute legal, valid, binding and enforceable first liens upon the property against which such Assessment Area Two Special Assessments are assessed, co-equal with the lien of all state, county, district and municipal taxes and assessments, and superior in dignity to all other liens, titles and claims, until paid (except for federal liens, titles, and claims).
12. The Assessment Area Two Bonds have been validated by a final judgment of the Circuit Court in and for Hillsborough County, Florida, of which no timely appeal was filed.
13. The District has the full power and authority to own and operate the Assessment Area Two Project.
14. All conditions prescribed in the Indenture and the Bond Purchase Contract to be performed by the District as precedent to the issuance of the Assessment Area Two Bonds have been fulfilled.

Very truly yours,

Re:    \$[\_\_\_\_\_] South Creek Community Development District (Hillsborough County, Florida) Special Assessment Bonds, Series 2023 (Assessment Area Two) (the "**Bonds**")

Ladies and Gentlemen:

I am counsel to [Simmons East, LLC], a Florida limited liability company (the "Landowner"), which is the owner of certain lands referred to as the District Lands within the development located within an unincorporated portion of Hillsborough County, Florida, and commonly referred to as "South Creek," as such lands are described in the Limited Offering Memoranda (as hereinafter defined). This opinion is rendered at the request of the Landowner in connection with the issuance by the South Creek Community Development District (the "District") of the Assessment Area Two Bonds as described in the District's Preliminary Limited Offering Memorandum dated [\_\_\_\_\_] , 2023 and the District's final Limited Offering Memorandum, dated [\_\_\_\_\_] , 2023, including the appendices attached thereto (collectively, the "Limited Offering Memoranda"). It is my understanding that the Assessment Area Two Bonds are being issued to: (i) provide funds to pay all or a portion of the costs of the planning, financing, acquisition, construction, installation and equipping of the Assessment Area Two Project; (ii) fund a deposit to the Series 2023 Reserve Account in the amount of the Series 2023 Reserve Requirement; and (iii) pay the costs of issuance of the Assessment Area Two Bonds. Capitalized terms used and not otherwise defined herein shall have the meanings set forth in the Limited Offering Memoranda.

In my capacity as counsel to the Landowner, I have examined originals or copies identified to my satisfaction as being true copies of the Limiting Offering Memoranda, the Funding and Completion Agreement dated as of the Closing Date, by and between the District and the Landowner (the "Completion Agreement"), the Agreement to Convey or Dedicate (Assessment Area Two) dated as of the Closing Date by and between the District and the Landowner (the "Conveyance Agreement"), the Collateral Assignment and Assumption of Development Rights Relating to the Assessment Area Two Project dated as of the Closing Date and in recordable form

by and between the District and the Landowner (the "Collateral Assignment") and the True-Up Agreement between the District and the Landowner dated as of the Closing Date in recordable form (the "True-Up Agreement"), the Declaration of Consent to Jurisdiction of South Creek Community Development District and Imposition of Special Assessments and Imposition of Lien of Record by the Landowner dated as of the Closing Date, the Certificate of the Landowner dated as of the Closing Date, and the Continuing Disclosure Agreement dated as of the Closing Date, by and among the District, the Landowner, and Inframark, LLC, as dissemination agent (the "Dissemination Agent") (collectively, the "Documents") and have made such examination of law as I have deemed necessary or appropriate in rendering this opinion. In connection with the forgoing, I also have reviewed and examined the Landowner's Operating Agreements, Articles of Organization filed with the Florida Division of Corporations, and certificates of good standing issued by the State of Florida on [\_\_\_\_\_,] 2023 (collectively, the "Organizational Documents").

In rendering this opinion, I have assumed, without having made any independent investigation of the facts, the genuineness of all signatures (other than those of the Landowner) and the authenticity of all documents submitted to me as originals and the conformity to original documents of all documents submitted to me as certified, conformed or photostatic copies, and the legal capacity of all natural persons.

In basing the opinions set forth in this opinion on "my knowledge," the words "my knowledge" signify that, in the course of my representation of the Landowner, no facts have come to my attention that would give me actual knowledge or actual notice that any such opinions or other matters are not accurate. Except as otherwise stated in this opinion, I have undertaken no investigation or verification of such matters.

Based on the forgoing, I am of the opinion that:

1. The Landowner is a limited liability company organized and existing under the laws of the State of Florida.
2. The Landowner has the power to conduct its business and to undertake the development and sale of the lands in the District as described in the Limited Offering Memoranda and to enter into the Documents.
3. The Documents have been duly authorized, executed and delivered by the Landowner and are in full force and effect. Assuming the due authorization, execution and delivery of such instruments by the other parties thereto and their authority to perform such instruments, the Documents constitute legal, valid and binding obligations of the Landowner, enforceable in accordance with their respective terms.
4. Nothing has come to my attention that would lead me to believe the information contained in the Limited Offering Memoranda under the captions "THE DEVELOPMENT," "THE LANDOWNER" and "LITIGATION – The Landowner" does not accurately and fairly present the information purported to be shown or contains any untrue statement of a material fact nor omits to state any material fact necessary to make the statement made therein, in light of the circumstances under which they were made, not misleading as of the dates of the Limited Offering Memoranda or as of the date hereof.

5. The execution, delivery and performance of the Documents by the Landowner does not violate (i) the Landowner's operating agreements, (ii) to my knowledge, any agreement, instrument or Federal or Florida law, rule or regulation known to me to which the Landowner is a party or by which any of its respective assets are or may be bound; or (iii) to my knowledge, any judgment, decree or order of any administrative tribunal, which judgment, decree, or order is binding on the Landowner or any of its respective assets.

6. Nothing has come to my attention that would lead me to believe that the Landowner is not in compliance in all material respects with all provisions of applicable law in all material matters relating to the Landowner as described in the Limited Offering Memoranda. Except as otherwise described in the Limited Offering Memoranda, (a) I have no knowledge that the Landowner has not received all government permits required in connection with the construction and completion of the development of the Assessment Area Two Project and the lands in Assessment Area Two as described in the Limited Offering Memoranda, other than certain permits, which permits are expected to be received as needed, have been received; (b) I have no knowledge of any default of any zoning condition, land use permit or development agreement which would adversely affect the Landowner's ability to complete development of the Assessment Area Two Project and the lands in Assessment Area Two as described in the Limited Offering Memoranda and all appendices thereto; and (c) I have no knowledge and am not otherwise aware of any reason to believe that any permits, consents and licenses required to complete the development of the Assessment Area Two Project and the lands in Assessment Area Two as described in the Limited Offering Memoranda will not be obtained in due course as required by the Landowner.

7. To the best of my knowledge after due inquiry, the levy of the Assessment Area Two Special Assessments on the lands within the District will not conflict with or constitute a breach of or default under any agreement, indenture or other instrument to which any of the Landowner is a party or to which any of the Landowner or its respective properties or assets are subject.

8. To the best of my knowledge after due inquiry, there is no litigation pending or threatened which would prevent or prohibit the development of the Assessment Area Two Project and the lands in the Development in accordance with the description thereof in the Limited Offering Memoranda and the Engineer's Report annexed thereto as an Appendix or which may result in any material adverse change in the respective business, properties, assets or financial condition of the Landowner.

9. To the best of my knowledge after due inquiry, the Landowner has not made an assignment for the benefit of creditors, filed a petition in bankruptcy, petitioned or applied to any tribunal for the appointment of a custodian, receiver or any trustee or commenced any proceeding under any bankruptcy, reorganization, arrangement, readjustment of debt, dissolution or liquidation law or statute of any jurisdiction. To the best of my knowledge after due inquiry, the Landowner has not indicated its consent to, or approval of, or failed to object timely to, any petition in bankruptcy, application or proceeding or order for relief or the appointment of a custodian, receiver or any trustee.

10. To the best of my knowledge after due inquiry, the Landowner is not in default under any mortgage, trust indenture, lease or other instrument to which any of its respective assets

are subject, which default would have a material adverse effect on the Assessment Area Two Bonds or the development of the Assessment Area Two Project and the lands in Assessment Area Two.

This opinion is given as of the date hereof, and I disclaim any obligation to update this opinion letter for events occurring after the date of this opinion letter. The foregoing opinion applies only with respect to the laws of the State of Florida and the federal laws of the United States of America and I express no opinion with respect to the laws of any other jurisdiction. Nothing herein shall be construed as an opinion regarding the possible applicability of state securities or "blue sky" laws, as to which no opinion is expressed. This letter is for the benefit of and may be relied upon solely by the addressees and this opinion may not be relied upon in any manner, nor used, by any other persons or entities.

My opinion as to enforceability of any document is subject to limitations imposed by bankruptcy, insolvency, reorganization, moratorium, liquidation, readjustment of debt, or similar laws relating to or affecting creditor's rights generally and general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law), and to the exercise of judicial discretion in appropriate cases.

Very truly yours,

*In the opinion of GrayRobinson, P.A., Bond Counsel, under existing law and assuming compliance with the tax covenants described herein, and the accuracy of certain representations and certifications made by the District described herein, interest on the Assessment Area Two Bonds is excluded from gross income for federal income tax purposes under Section 103 of the Internal Revenue Code of 1986, as amended (the "Code"). Bond Counsel, is also of the opinion that such interest is not treated as a preference item in calculating the alternative minimum tax imposed under the Code. However, for taxable years beginning after December 31, 2022, interest on the Assessment Area Two Bonds will be taken into account in computing the alternative minimum tax imposed on certain corporations under the Code to the extent that such interest is included in the "adjusted financial statement income" of such corporations. In the opinion of Bond Counsel, interest on the Assessment Area Two Bonds will not be subject to taxation under the laws of the State of Florida, except estate taxes and taxes under Chapter 220, Florida Statutes, as amended, on interest, income or profits on debt obligations owned by corporations as defined therein. # LIMITED OFFERING MEMORANDUM

**\$1,018,000\***

**SOUTH CREEK COMMUNITY DEVELOPMENT DISTRICT  
(HILLSBOROUGH COUNTY, FLORIDA)  
SPECIAL ASSESSMENT BONDS, SERIES 2023  
(ASSESSMENT AREA TWO)**

## INTRODUCTION

The purpose of this Limited Offering Memorandum, including the cover page and appendices attached hereto, is to set forth certain information in connection with the offering for sale by the South Creek Community Development District (the "District") of its \$1,018,000\* Special Assessment Bonds, Series 2023 (Assessment Area Two) (the "Assessment Area Two Bonds").

THE ASSESSMENT AREA TWO BONDS ARE NOT A SUITABLE INVESTMENT FOR ALL INVESTORS. PURSUANT TO APPLICABLE STATE LAW, THE UNDERWRITER IS LIMITING THIS INITIAL OFFERING OF THE ASSESSMENT AREA TWO BONDS TO ONLY ACCREDITED INVESTORS WITHIN THE MEANING OF THE RULES OF THE FLORIDA DEPARTMENT OF FINANCIAL SERVICES. THE LIMITATION OF THE INITIAL OFFERING TO ACCREDITED INVESTORS DOES NOT DENOTE RESTRICTIONS ON TRANSFERS IN ANY SECONDARY MARKET FOR THE ASSESSMENT AREA TWO BONDS. POTENTIAL INVESTORS ARE SOLELY RESPONSIBLE FOR EVALUATING THE MERITS AND RISKS OF AN INVESTMENT IN THE ASSESSMENT AREA TWO BONDS. SEE "BONDOWNERS' RISKS" AND "SUITABILITY FOR INVESTMENT" HEREIN.

The District, which is the issuer of the Assessment Area Two Bonds, is a local unit of special purpose government of the State of Florida, created pursuant to the Uniform Community Development District Act of 1980, Chapter 190, Florida Statutes, as amended (the "Act"), and by Ordinance No. 21-1 of the Board of County Commissioners of Hillsborough County, Florida, effective as of January 12, 2021 (the "Ordinance"). The District was created for the purpose of delivering certain community development services and facilities for the benefit of District Lands (as hereinafter defined) and has previously determined to undertake, in one or more stages, the acquisition and/or construction of public improvements and community facilities as set forth in the Act for the special benefit of the District Lands. The Act authorizes the District to issue bonds for the purposes of, among others, financing, funding, planning, establishing, acquiring, constructing or reconstructing, enlarging or extending, or equipping water management, water supply, sewer and wastewater management, bridges or culverts, public roads, street lights and other basic infrastructure projects within or without the boundaries of the District as provided in the Act.

The boundaries of the District contain approximately 136.5 acres of land (the "District Lands"), located entirely within Hillsborough County, Florida (the "County"). The District Lands are being developed as a single-family residential subdivision known as "South Creek" (the "Development"). The Development is expected to contain [288] units at buildout. See "THE DEVELOPMENT" herein for more information.

---

\* Preliminary, subject to change.

The Development is being developed in multiple phases. The District previously issued its Assessment Area One Bonds (as defined herein) to finance a portion of the "Assessment Area One Project," which consists of the public infrastructure improvements associated with the 242 lots planned for Phase One and Phase Two of land development (collectively, "Assessment Area One"). The Assessment Area One Project is complete. See "THE DISTRICT – Outstanding Indebtedness" and "THE DEVELOPMENT – Update on Assessment Area One" herein for more information on the Assessment Area One Bonds and the status of development within Assessment Area One.

The next phase of development corresponds to Phase [Four], which contains approximately [\_\_\_\_] acres of land planned for 46 residential units ("Assessment Area Two"). The Assessment Area Two Bonds will finance a portion of the public infrastructure improvements associated with Assessment Area Two (as further described herein, the "Assessment Area Two Project"). See "THE CAPITAL IMPROVEMENT PLAN AND THE ASSESSMENT AREA TWO PROJECT" herein for more information. The Assessment Area Two Bonds will be secured by the Assessment Area Two Special Assessments, which will initially be levied on the [\_\_\_\_] acres within Assessment Area Two. As lots are platted, the Assessment Area Two Special Assessments will be assigned to the 46 lots planned for Assessment Area Two on a first-platted, first-assigned basis. See "ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS" herein for more information.

Simmons East, LLC, a Florida limited liability company (the "Landowner"), currently owns the land within Assessment Area Two. The Landowner has entered into a purchase agreement with Lennar Homes, LLC, a Florida limited liability company (the "Builder"), for the sale of permitted undeveloped land containing all 46 lots planned for Assessment Area Two in a single, bulk sale, which is expected to occur shortly after closing on the Assessment Area Two Bonds. See "THE LANDOWNER" and "THE DEVELOPMENT – The Builder Contract" herein for more information.

The Assessment Area Two Bonds are being issued pursuant to the Act, Resolutions 2021-22 and 2024-[\_\_] adopted by the Board of Supervisors of the District (the "Board") on January 21, 2021 and [November 2], 2023, respectively, and a Master Trust Indenture, dated as of June 1, 2021 (the "Master Indenture"), by and between the District and U.S. Bank Trust Company, National Association, as successor in interest to U.S. Bank National Association, as trustee (the "Trustee"), as supplemented by a Second Supplemental Trust Indenture dated as of [\_\_\_\_\_] 1, 2023 (the "Second Supplemental Indenture" and, together with the Master Indenture, the "Indenture"), by and between the District and the Trustee. All capitalized terms used in this Limited Offering Memorandum that are defined in the Indenture and not defined herein shall have the respective meanings set forth in the Indenture. See "APPENDIX B: COPY OF MASTER INDENTURE AND PROPOSED FORM OF SECOND SUPPLEMENTAL INDENTURE" hereto.

The Assessment Area Two Bonds will be secured by a pledge of the Assessment Area Two Pledged Revenues. "Assessment Area Two Pledged Revenues" shall mean (a) all revenues received by the District from the Assessment Area Two Special Assessments levied and collected on the assessable lands within Assessment Area Two benefitted by the Assessment Area Two Project, including, without limitation, amounts received from any foreclosure proceeding for the enforcement of collection of such Assessment Area Two Special Assessments or from the issuance and sale of tax certificates with respect to such Assessment Area Two Special Assessments, and (b) all moneys on deposit in the Funds and Accounts established under the Second Supplemental Indenture created and established with respect to or for the benefit of the Assessment Area Two Bonds; provided, however, that Assessment Area Two Pledged Revenues shall not include (A) any moneys transferred to the Assessment Area Two Rebate Fund and investment earnings thereon, (B) moneys on deposit in the Assessment Area Two Costs of Issuance Account of the Acquisition and Construction Fund, and (C) "special assessments" levied and collected by the District under Section 190.022 of the Act for maintenance purposes or "maintenance assessments"

levied and collected by the District under Section 190.021(3) of the Act (it being expressly understood that the lien and pledge of the Indenture shall not apply to any of the moneys described in the foregoing clauses (A), (B) and (C) of this proviso). See "SECURITY FOR AND SOURCE OF PAYMENT OF THE ASSESSMENT AREA TWO BONDS."

Proceeds of the Assessment Area Two Bonds will be used to: (i) provide funds to pay all or a portion of the costs of the planning, financing, acquisition, construction, installation and equipping of the Assessment Area Two Project; (ii) fund a deposit to the Assessment Area Two Reserve Account in the amount of the Assessment Area Two Reserve Requirement (as such terms are defined herein); and (iii) pay the costs of issuance of the Assessment Area Two Bonds. See "ESTIMATED SOURCES AND USES OF ASSESSMENT AREA TWO BOND PROCEEDS."

There follows in this Limited Offering Memorandum a brief description of the District, Assessment Area Two, the Assessment Area Two Project, the Development, the Landowner and summaries of the terms of the Assessment Area Two Bonds, the Indenture and certain provisions of the Act. All references herein to the Indenture and the Act are qualified in their entirety by reference to such document and statute, and all references to the Assessment Area Two Bonds are qualified by reference to the form thereof and the information with respect thereto contained in the Indenture. A copy of the Master Indenture and proposed form of the Second Supplemental Indenture appear as APPENDIX B hereto.

This Limited Offering Memorandum speaks only as of its date and the information contained herein is subject to change.

## **DESCRIPTION OF THE ASSESSMENT AREA TWO BONDS**

### **General Description**

The Assessment Area Two Bonds are being issued only in fully registered form, in denominations of \$1,000 or any integral multiples thereof (an "Authorized Denomination"). The Assessment Area Two Bonds will initially be sold only to "accredited investors" within the meaning of Chapter 517, Florida Statutes, as amended, and the rules promulgated thereunder by the Florida Department of Financial Services. The limitation of the initial offering to accredited investors does not denote restrictions on transfers in any secondary market for the Assessment Area Two Bonds.

The Assessment Area Two Bonds shall be dated as of the date of initial delivery. Interest on the Assessment Area Two Bonds shall be payable on each Interest Payment Date to maturity or prior redemption. "Interest Payment Date" means June 15 and December 15 of each year, commencing [\_\_\_\_\_] 15, 2024]. Interest on the Assessment Area Two Bonds shall be payable from the most recent Interest Payment Date next preceding the date of authentication thereof to which interest has been paid, unless the date of authentication thereof is a June 15 or December 15 to which interest has been paid, in which case from such date of authentication, or unless the date of authentication thereof is prior to [\_\_\_\_\_] 15, 2024], in which case from the date of initial delivery or unless the date of authentication thereof is between a Record Date and the next succeeding Interest Payment Date, in which case from such Interest Payment Date. Interest on the Assessment Area Two Bonds will be computed in all cases on the basis of a 360 day year consisting of twelve 30-day months.

Upon initial issuance, the ownership of the Assessment Area Two Bonds will be registered in the name of Cede & Co., as nominee for The Depository Trust Company, New York, New York ("DTC"), and purchases of beneficial interests in the Assessment Area Two Bonds will be made in book-entry only form. As long as the Assessment Area Two Bonds are held in book-entry-only form, Cede & Co. shall be considered the registered owner for all purposes under the Indenture. DTC shall be responsible for

maintaining a book-entry-only system for recording the ownership interest of its participants ("Direct Participants") and other institutions that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). The Direct Participants and Indirect Participants will be responsible for maintaining records with respect to the beneficial ownership interests of individual purchasers of the Assessment Area Two Bonds ("Beneficial Owners"). Principal and interest on the Assessment Area Two Bonds registered in the name of Cede & Co. prior to and at maturity shall be payable directly to Cede & Co. in care of DTC. Disbursal of such amounts to Direct Participants shall be the responsibility of DTC. Payments by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners shall be the responsibility of Direct Participants and Indirect Participants and not of DTC, the Trustee or the District. Individuals may purchase beneficial interests in Authorized Denominations in book-entry-only form, without certificated Assessment Area Two Bonds, through Direct Participants and Indirect Participants. During the period for which Cede & Co. is registered owner of the Assessment Area Two Bonds, any notices to be provided to any Beneficial Owner will be provided to Cede & Co. DTC shall be responsible for notices to Direct Participants and Direct Participants shall be responsible for notices to Indirect Participants, and Direct Participants and Indirect Participants shall be responsible for notices to Beneficial Owners. In the event DTC, any successor of DTC or the District, but only in accordance with the procedures of DTC, elects to discontinue the book-entry only system, the Trustee shall deliver bond certificates in accordance with the instructions from DTC or its successor and after such time Assessment Area Two Bonds may be exchanged for an equal aggregate principal amount of Assessment Area Two Bonds in other Authorized Denominations upon surrender thereof at the designated corporate trust office of the Trustee.

U.S. Bank Trust Company, National Association is the Trustee, Bond Registrar and Paying Agent for the Assessment Area Two Bonds.

## **Redemption Provisions**

### **Optional Redemption**

The Assessment Area Two Bonds maturing after [June 15, 20\_\_] may, at the option of the District, be called for redemption prior to maturity as a whole or in part, at any time, on or after [\_\_\_\_ 15, 20\_\_] (less than all Assessment Area Two Bonds of a maturity to be selected by lot), at a Redemption Price equal to the principal amount of Assessment Area Two Bonds to be redeemed, plus accrued interest from the most recent Interest Payment Date through which interest has been paid to the redemption date from moneys on deposit in the Assessment Area Two Optional Redemption Subaccount of the Assessment Area Two Bond Redemption Account. If such optional redemption shall be in part, the District shall select such principal amount of Assessment Area Two Bonds to be optionally redeemed from each maturity so that debt service on the remaining Outstanding Assessment Area Two Bonds is substantially level.

### **Mandatory Sinking Fund Redemption**

The Assessment Area Two Bonds maturing on [June 15, 20\_\_] are subject to mandatory sinking fund redemption from the moneys on deposit in the Assessment Area Two Sinking Fund Account on June 15 in the years and in the mandatory sinking fund redemption amounts set forth below at a Redemption Price of 100% of their principal amount plus accrued interest to the date of redemption.

The Assessment Area Two Bonds maturing on [June 15, 20\_\_] are subject to mandatory sinking fund redemption from the moneys on deposit in the Assessment Area Two Sinking Fund Account on June 15 in the years and in the mandatory sinking fund redemption amounts set forth below at a Redemption Price of 100% of their principal amount plus accrued interest to the date of redemption.

<u>Year</u>	<u>Mandatory Sinking Fund Redemption Amount</u>
-------------	---

---

\* Maturity

Upon any redemption of Assessment Area Two Bonds other than in accordance with scheduled mandatory sinking fund redemption amounts, the District shall cause to be recalculated and delivered to the Trustee revised mandatory sinking fund redemption amounts recalculated so as to amortize the Outstanding principal amount of Assessment Area Two Bonds in substantially equal annual installments of principal and interest (subject to rounding to Authorized Denominations of principal) over the remaining term of the Assessment Area Two Bonds. The mandatory sinking fund redemption amounts as so recalculated shall not result in an increase in the aggregate of the mandatory sinking fund redemption amounts for all Assessment Area Two Bonds in any year. In the event of a redemption or purchase occurring less than forty-five (45) days prior to a date on which a mandatory sinking fund redemption amount is due, the foregoing recalculation shall not be made to the mandatory sinking fund redemption amounts due in the year in which such redemption occurs, but shall be made to the mandatory sinking fund redemption amounts for the immediately succeeding and subsequent years.

#### **Extraordinary Mandatory Redemption**

The Assessment Area Two Bonds are subject to extraordinary mandatory redemption prior to maturity by the District in whole or in part, on any date (other than in the case of clause (i) below, which extraordinary mandatory redemption in part must occur on a Quarterly Redemption Date), at a Redemption Price equal to 100% of the principal amount of the Assessment Area Two Bonds to be redeemed, plus interest accrued to the redemption date, as follows:

(i) From Assessment Area Two Prepayment Principal deposited into the Assessment Area Two Prepayment Subaccount of the Assessment Area Two Bond Redemption Account following the payment in whole or in part of Assessment Area Two Special Assessments on any assessable property within the District in accordance with the provisions of the Second Supplemental Indenture, together with any excess moneys transferred by the Trustee from the Assessment Area Two Reserve Account to the Assessment Area Two Prepayment Subaccount as a result of such Assessment Area Two Prepayment and pursuant to the Second Supplemental Indenture. If such redemption shall be in part, the District shall select such principal amount of Assessment Area Two Bonds to be redeemed from each maturity so that debt service on the remaining Outstanding Assessment Area Two Bonds is substantially level; or

(ii) From moneys, if any, on deposit in the Assessment Area Two Funds, Accounts and Subaccounts (other than the Assessment Area Two Rebate Fund and the Assessment Area Two Acquisition and Construction Account) sufficient to pay and redeem all Outstanding Assessment Area Two Bonds and accrued interest thereon to the redemption date or dates in addition to all amounts owed to Persons under the Master Indenture; or

(iii) Upon the Completion Date of the Assessment Area Two Project, from any funds remaining on deposit in the Assessment Area Two Acquisition and Construction Account not otherwise reserved to complete the Assessment Area Two Project and transferred to the Assessment Area Two General Redemption Subaccount of the Assessment Area Two Bond Redemption Account. If such redemption shall be in part, the District shall select such principal amount of Assessment Area Two Bonds to be redeemed from each maturity so that debt service on the remaining Outstanding Assessment Area Two Bonds is substantially level.

As used herein, "Quarterly Redemption Date" shall mean each March 15, June 15, September 15 and December 15 of any calendar year. Except as otherwise provided in the Indenture, if less than all of the Assessment Area Two Bonds of a maturity are to be redeemed pursuant to an extraordinary mandatory redemption, the Trustee shall select the Assessment Area Two Bonds or portions of the Assessment Area Two Bonds to be redeemed by lot as provided in the Indenture. Partial redemptions of Assessment Area Two Bonds shall, to the extent possible, be made in such a manner that the remaining Assessment Area Two Bonds held by each Bondholder shall be in Authorized Denominations, except for the last remaining Assessment Area Two Bond. Reference is hereby specifically made to "APPENDIX B: COPY OF MASTER INDENTURE AND PROPOSED FORM OF SECOND SUPPLEMENTAL INDENTURE" for additional details concerning the redemption of Assessment Area Two Bonds.

### **Notice of Redemption**

When required to redeem or purchase Assessment Area Two Bonds under any provision of the Indenture or directed to do so by the District, the Trustee shall cause notice of the redemption, either in whole or in part, to be mailed by first-class mail, postage prepaid, at least thirty (30) but not more than sixty (60) days prior to the redemption or purchase date to all Owners of Assessment Area Two Bonds to be redeemed or purchased (as such Owners appear on the Bond Register on the fifth (5<sup>th</sup>) day prior to such mailing), at their registered addresses, but failure to mail any such notice or defect in the notice or in the mailing thereof shall not affect the validity of the redemption or purchase of the Assessment Area Two Bonds for which notice was duly mailed in accordance with the Indenture. A conditional notice of redemption is permitted to be given pursuant to the Indenture.

### **Purchase of Assessment Area Two Bonds**

At the written direction of the District, the Trustee shall apply moneys from time to time available in the Assessment Area Two Sinking Fund Account to the purchase of the Assessment Area Two Bonds in accordance with the Indenture, at prices not higher than the principal amount thereof, in lieu of redemption, provided that firm purchase commitments can be made before the notice of redemption would otherwise be required to be given.

### **Book-Entry System**

*The information in this section concerning DTC and DTC's book-entry system has been obtained from DTC, and the District does not make any representation or warranty or take any responsibility for the accuracy or completeness of such information.*

DTC will act as securities depository for the Assessment Area Two Bonds. The Assessment Area Two Bonds will be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered certificate will be issued for each maturity of the Assessment Area Two Bonds, each in the aggregate principal amount of such maturity, and will be deposited with DTC.

DTC, the world's largest securities depository, is a limited purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC's participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). DTC has a Standard & Poor's rating of AA+. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at [www.dtcc.com](http://www.dtcc.com).

Purchases of the Assessment Area Two Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Assessment Area Two Bonds on DTC's records. The ownership interest of each actual purchaser of each Assessment Area Two Bond ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Assessment Area Two Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in the Assessment Area Two Bonds, except in the event that use of the book-entry system for the Assessment Area Two Bonds is discontinued.

To facilitate subsequent transfers, all Assessment Area Two Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Assessment Area Two Bonds with DTC and their registration in the name of Cede & Co., or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Assessment Area Two Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Assessment Area Two Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of Assessment Area Two Bonds may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Assessment Area Two Bonds, such as redemptions, tenders, defaults, and proposed amendments to the security documents. For example, Beneficial Owners of Assessment Area Two Bonds may wish to ascertain that the nominee holding the Assessment Area Two Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.

Redemption notices shall be sent to DTC. If less than all of the Assessment Area Two Bonds are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such series or maturity to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to the Assessment Area Two Bonds unless authorized by a Direct Participant in accordance with DTC's MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the District as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Assessment Area Two Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Redemption proceeds, distributions, and interest payments on the Assessment Area Two Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts, upon DTC's receipt of funds and corresponding detail information from the District or the Paying Agent, on the payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, the Paying Agent, or the District, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds, distributions, and interest payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the District or the Paying Agent, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as depository with respect to the Assessment Area Two Bonds at any time by giving reasonable notice to the District or the Paying Agent. Under such circumstances, in the event that a successor depository is not obtained, the Assessment Area Two Bonds are required to be printed and delivered.

The District may decide to discontinue use of the system of book-entry only transfers through DTC (or a successor securities depository). In that event, the Assessment Area Two Bonds will be printed and delivered to DTC.

"Assessment Area Two Pledged Revenues" shall mean (a) all revenues received by the District from the Assessment Area Two Special Assessments levied and collected on the assessable lands within Assessment Area Two benefitted by the Assessment Area Two Project, including, without limitation, amounts received from any foreclosure proceeding for the enforcement of collection of such Assessment Area Two Special Assessments or from the issuance and sale of tax certificates with respect to such Assessment Area Two Special Assessments, and (b) all moneys on deposit in the Funds and Accounts established under the Second Supplemental Indenture created and established with respect to or for the benefit of the Assessment Area Two Bonds; provided, however, that Assessment Area Two Pledged Revenues shall not include (A) any moneys transferred to the Assessment Area Two Rebate Fund and investment earnings thereon, (B) moneys on deposit in the Assessment Area Two Costs of Issuance Account of the Acquisition and Construction Fund, and (C) "special assessments" levied and collected by the District under Section 190.022 of the Act for maintenance purposes or "maintenance assessments" levied and collected by the District under Section 190.021(3) of the Act (it being expressly understood that the lien and pledge of the Indenture shall not apply to any of the moneys described in the foregoing clauses (A), (B) and (C) of this proviso).

The "Assessment Area Two Special Assessments" are the Special Assessments levied on the assessable lands within Assessment Area Two as a result of the District's acquisition and/or construction of the Assessment Area Two Project, corresponding in amount to the debt service on the Assessment Area Two Bonds and designated as such In the methodology report relating thereto. "Special Assessments" shall mean (a) the net proceeds derived from the levy and collection of "special assessments," as provided for in Sections 190.011(14) and 190.022 of the Act against District Lands that are subject to assessment as a result of a particular Project or any portion thereof or against one or more identified Assessment Areas, and (b) the net proceeds derived from the levy and collection of "benefit special assessments," as provided for in Section 190.021(2) of the Act, against the lands within the District that are subject to assessment as a result of a particular Project or any portion thereof, and in case of both "special assessments" and "benefit special assessments," including the interest and penalties on such assessments, pursuant to all applicable provisions of the Act and Chapter 170, Florida Statutes, and Chapter 197, Florida Statutes (and any successor statutes thereto), including, without limitation, any amount received from any foreclosure proceeding for the enforcement of collection of such assessments or from the issuance and sale of tax certificates with respect to such assessments, less (to the extent applicable) the fees and costs of collection thereof payable to the Tax Collector and less certain administrative costs payable to the Property Appraiser pursuant to the Property Appraiser and Tax Collector Agreement. "Special Assessments" shall not include "special assessments" levied and collected by the District under Section 190.022 of the Act for maintenance purposes or "maintenance special assessments" levied and collected by the District under Section 190.021(3) of the Act. The Assessment Area Two Bonds are not secured by Special Assessments other than the Assessment Area Two Special Assessments on the District Lands.

"Assessment Proceedings" shall mean the proceedings of the District with respect to the establishment, levy and collection of the Assessment Area Two Special Assessments, including the Assessment Resolution and any supplemental proceedings undertaken by the District with respect to the Assessment Area Two Special Assessments.

Non-ad valorem assessments, such as the Assessment Area Two Special Assessments, are not based on millage and are not taxes, but can become a lien against the homestead as permitted in Section 4, Article X of the Florida State Constitution. The Assessment Area Two Special Assessments will constitute a lien against the land as to which the Assessment Area Two Special Assessments are imposed. See "ENFORCEMENT OF ASSESSMENT COLLECTIONS" herein.

### **Covenant to Levy the Assessment Area Two Special Assessments**

The District will covenant in the Indenture to comply with the terms of the proceedings heretofore adopted with respect to the Assessment Area Two Special Assessments, including the Assessment Methodology Report, and to levy and collect the Assessment Area Two Special Assessments and any required true-up payments set forth in the Assessment Methodology, in such manner as will generate funds sufficient to pay the principal of and interest on the Assessment Area Two Bonds when due. The District will further agree that it shall not amend the Assessment Methodology Report in any material manner without the written consent of the Majority Owners.

If any Assessment Area Two Special Assessment shall be either in whole or in part annulled, vacated or set aside by the judgment of any court, or if the District shall be satisfied that any such Assessment Area Two Special Assessment is so irregular or defective that the same cannot be enforced or collected, or if the District shall have omitted to make such Assessment Area Two Special Assessment when it might have done so, the District has additionally covenanted to either (i) take all necessary steps to cause a new Assessment Area Two Special Assessment to be made for the whole or any part of such improvement or against any property benefited by such improvement, or (ii) in its sole discretion, make up the amount of such Assessment Area Two Special Assessment from legally available moneys, which moneys shall be deposited into the Assessment Area Two Revenue Account. See "BONDOWNERS RISKS – Inadequacy Reserve Account." In case any such subsequent Assessment Area Two Special Assessment shall also be annulled, the District shall obtain and make other Assessment Area Two Special Assessments until a valid Assessment Area Two Special Assessment shall be made.

### **Prepayment of Assessment Area Two Special Assessments**

Pursuant to the proceedings of the District relating to the levy of the Assessment Area Two Special Assessments (the "Assessment Proceedings"), any owner of land against which an Assessment Area Two Special Assessment has been levied may pay the principal balance of such Assessment Area Two Special Assessment, in whole or in part at any time, if there is also paid an amount equal to the interest that would otherwise be due on such balance to the earlier of the next succeeding June 15 or December 15, which is at least 45 days after the date of payment.

[Pursuant to the Act, an owner of property subject to the levy of Assessment Area Two Special Assessments may pay the entire balance of the Assessment Area Two Special Assessments remaining due, without interest, within thirty (30) days after the Assessment Area Two Project has been completed or acquired by the District, and the Board has adopted a resolution accepting the Assessment Area Two Project pursuant to Chapter 170.09, Florida Statutes. The Landowner, as the initial owner of all of the property within Assessment Area Two of the District subject to the Assessment Area Two Special Assessments, will covenant to waive this right in connection with the issuance of the Assessment Area Two Bonds.

The Assessment Area Two Bonds are subject to extraordinary redemption as indicated under "DESCRIPTION OF THE ASSESSMENT AREA TWO BONDS – Redemption Provisions – Extraordinary Mandatory Redemption" from optional prepayments of Assessment Area Two Special Assessments by property owners.

### **Limitation on Issuance of Additional Bonds**

In the Second Supplemental Indenture, the District will covenant not to issue any other Bonds or other debt obligations secured by the Assessment Area Two Special Assessments. In addition, the District will covenant not to issue any other Bonds or debt obligations for capital projects, secured by Special Assessments on the assessable lands within the District that are subject to the Assessment Area Two Special Assessments until the Assessment Area Two Special Assessments are Substantially Absorbed. "Substantially Absorbed" means the date at least 90% of the principal portion of the Assessment Area Two Special Assessments have been assigned to residential units within Assessment Area Two that have received certificates of occupancy. The District shall present the Trustee with a certification that the Assessment Area Two Special Assessments are Substantially Absorbed, and the Trustee may rely conclusively upon such certification and shall have no duty to verify if the Assessment Area Two Special Assessments are Substantially Absorbed. In the absence of such written certification, the Trustee is entitled to assume that the Assessment Area Two Special Assessments have not been Substantially Absorbed. Such covenant shall not prohibit the District from issuing refunding Bonds or any Bonds or other obligations secured by Special Assessment (i) if such Special Assessments are levied on District Lands not subject to the Assessment Area Two Special Assessments, (ii) if such Bonds or other obligations are issued to finance a capital project that is necessary to remediate any natural disaster, catastrophic damage or failure with respect to the Assessment Area Two Project, or (iii) upon the written consent of the Majority Holders.

Notwithstanding the above paragraph to the contrary, certain operation and maintenance assessments have and will continue to be levied upon the same lands subject to the Assessment Area Two Special Assessments; however, such assessments will not be available to pay debt service on the Assessment Area Two Bonds. The Assessment Area Two Special Assessments and the operation and maintenance assessments will have coequal lien status on the District Lands. See "ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS" herein.

### **Acquisition and Construction Account**

Pursuant to the Second Supplemental Indenture, there is established within the Acquisition and Construction Fund held by the Trustee an "Assessment Area Two Acquisition and Construction Account." Net proceeds of the Assessment Area Two Bonds shall be deposited into the Assessment Area Two Acquisition and Construction Account in the amount set forth in the Second Supplemental Indenture, together with any moneys transferred or deposited thereto, including moneys transferred from the Assessment Area Two Reserve Account after satisfaction of the Conditions for Reduction of Reserve Requirement (as defined herein), and such moneys shall be applied as set forth in the Indenture and the Acquisition Agreement. Funds on deposit in the Assessment Area Two Acquisition and Construction Account shall only be requested by the District to be applied to the Costs of the Assessment Area Two Project. Upon satisfaction of the Conditions for Reduction of Reserve Requirement, the amount on deposit in the Assessment Area Two Reserve Account in excess of the Assessment Area Two Reserve Requirement shall then be transferred to the Assessment Area Two Acquisition and Construction Account and applied as provided in the Indenture. See "–Reserve Account" herein for more information regarding the Conditions for Reduction of Reserve Requirement.

After the Completion Date for the Assessment Area Two Project, and after retaining costs to complete the Assessment Area Two Project, any moneys remaining in the Assessment Area Two

Acquisition and Construction Account shall be transferred to the Assessment Area Two General Redemption Subaccount, as directed in writing by the District, or the District Manager on behalf of the District, to the Trustee. After no funds remain therein, the Assessment Area Two Acquisition and Construction Account shall be closed. Notwithstanding the foregoing, the Assessment Area Two Acquisition and Construction Account shall not be closed until after the Conditions for Reduction of Reserve Requirement shall have occurred and the excess funds from the Assessment Area Two Reserve Account shall have been transferred to the Assessment Area Two Acquisition and Construction Account and applied in accordance with the Indenture. The Trustee shall not be responsible for determining the amounts in the Assessment Area Two Acquisition and Construction Account allocable to the respective components of the Assessment Area Two Project.

The Trustee shall make no such transfers from the Assessment Area Two Acquisition and Construction Account to the Assessment Area Two General Redemption Subaccount if an Event of Default exists with respect to the Assessment Area Two Bonds of which the Trustee has notice or actual knowledge as described in the Indenture. Except as provided in the Indenture with respect to mandatory redemption of the Assessment Area Two Bonds after the Completion Date or with respect to use of the Assessment Area Two Acquisition and Construction Account following an Event of Default, the Trustee shall withdraw moneys from the Assessment Area Two Acquisition and Construction Account only upon presentment to the Trustee of a properly signed requisition in substantially the form attached to the Second Supplemental Indenture.

#### **Reserve Account**

Pursuant to the Second Supplemental Indenture, there is established within the Debt Service Reserve Fund an Assessment Area Two Reserve Account, in which proceeds of the Assessment Area Two Bonds will be deposited in an amount equal to the Assessment Area Two Reserve Account Requirement. See "ESTIMATED SOURCES AND USES OF ASSESSMENT AREA TWO BOND PROCEEDS" herein.

The "Assessment Area Two Reserve Account Requirement" shall (i) initially be an amount equal to fifty percent (50%) of the maximum annual debt service on the Assessment Area Two Bonds as calculated from time to time; and (ii) upon the occurrence of the Conditions for Reduction of Reserve Requirement, ten percent (10%) of the maximum annual debt service on the Assessment Area Two Bonds as calculated from time to time. Upon satisfaction of the Conditions for Reduction of Reserve Requirement, such excess amount shall be released from the Assessment Area Two Reserve Account and transferred to the Assessment Area Two Acquisition and Construction Account in accordance with the provisions of the Second Supplemental Indenture. For the purpose of calculating the Assessment Area Two Reserve Requirement, fifty percent (50%) of the maximum annual debt service, or ten percent (10%) of maximum annual debt service as the case may be, shall be calculated as of the date of the original issuance and delivery and recalculated in connection with each extraordinary mandatory redemption of the Assessment Area Two Bonds from Assessment Area Two Prepayment Principal as set forth herein (but not upon the optional or mandatory sinking fund redemption thereof) and such excess amount shall be released from the Assessment Area Two Reserve Account and, other than as provided in the immediately preceding sentence, transferred to the Assessment Area Two Prepayment Subaccount in accordance with the provisions of the Second Supplemental Indenture. Amounts on deposit in the Assessment Area Two Reserve Account may, upon final maturity or redemption of all Outstanding Assessment Area Two Bonds, be used to pay principal of and interest on the Assessment Area Two Bonds at that time. The Assessment Area Two Reserve Account Requirement shall initially be \$[\_\_\_\_\_].

"Conditions for Reduction of Reserve Requirement" with respect to the Assessment Area Two Bonds shall mean collectively (i) all of the principal portion of the Assessment Area Two Special Assessments has been assigned to residential units within Assessment Area Two that have been constructed

and each have received certificates of occupancy, and (ii) there shall be no Events of Default under the Indenture with respect to the Assessment Area Two Bonds, each as certified by the District Manager. The District shall present the Trustee with the certifications of the District Manager regarding the satisfaction of the Conditions for Reduction of Reserve Requirement, and the Trustee may rely conclusively upon such certifications and shall have no duty to verify the same.

Net proceeds of the Assessment Area Two Bonds shall be deposited into the Assessment Area Two Reserve Account in the amount set forth in Section 2.06 of this Supplemental Trust Indenture, and such moneys, together with any other moneys deposited into the Assessment Area Two Reserve Account shall be applied for the purposes provided in the Master Indenture and in this Section 4.01(f) and Section 4.05 of this Supplemental Trust Indenture. Notwithstanding any provisions in the Master Indenture to the contrary, the Issuer covenants not to substitute the cash and Investment Securities on deposit in the Assessment Area Two Reserve Account with a Debt Service Reserve Insurance Policy or a Debt Service Reserve Letter of Credit. Except as provided in the next paragraph, all investment earnings on moneys in the Assessment Area Two Reserve Account shall remain on deposit therein.

On each [May 1 and November 1] (or, if such date is not a Business Day, on the Business Day next preceding such day), the Trustee shall determine the amount on deposit in the Assessment Area Two Reserve Account and transfer any excess therein above the Reserve Requirement for the Assessment Area Two Bonds caused by investment earnings to the Assessment Area Two Revenue Account in accordance with the Indenture.

In the event of a prepayment of Assessment Area Two Special Assessments in accordance with the Second Supplemental Indenture, forty-five (45) days before the next Quarterly Redemption Date, the Trustee after receiving the written direction of the District described in the Indenture, the Trustee shall recalculate the Assessment Area Two Reserve Requirement taking into account the amount of Assessment Area Two Bonds that will be outstanding as a result of such prepayment of Assessment Area Two Special Assessments, and cause the amount on deposit in the Assessment Area Two Reserve Account in excess of the Assessment Area Two Reserve Requirement, resulting from Assessment Area Two Prepayment Principal, to be transferred to the Assessment Area Two Prepayment Subaccount to be applied toward the extraordinary redemption of Assessment Area Two Bonds in accordance with the extraordinary mandatory redemption provisions set forth in the Assessment Area Two Bonds, as a credit against the Assessment Area Two Prepayment Principal otherwise required to be made by the owner of such property subject to Assessment Area Two Special Assessments. Upon satisfaction of the Conditions for Reduction of Reserve Requirement, the amount on deposit in the Assessment Area Two Reserve Account in excess of the Assessment Area Two Reserve Requirement shall then be transferred to the Assessment Area Two Acquisition and Construction Account and applied as provided in the Indenture.

Notwithstanding any of the foregoing, amounts on deposit in the Assessment Area Two Reserve Account shall be transferred by the Trustee, in the amounts directed in writing by the Majority Holders of the Assessment Area Two Bonds to the Assessment Area Two General Redemption Subaccount, if as a result of the application of Article X of the Master Indenture, the proceeds received from lands sold subject to the Assessment Area Two Special Assessments and applied to redeem a portion of the Assessment Area Two Bonds is less than the principal amount of Assessment Area Two Bonds indebtedness attributable to such lands.

In addition, and together with the moneys transferred from the Assessment Area Two Reserve Account pursuant to this paragraph, if the amount on deposit in the Assessment Area Two General Redemption Subaccount is not sufficient to redeem a principal amount of the Assessment Area Two Bonds in an Authorized Denomination, the Trustee is authorized to withdraw amounts from the Assessment Area Two Revenue Account to round up the amount in the Assessment Area Two Prepayment Subaccount to the

nearest Authorized Denomination. Notwithstanding the foregoing, no transfers from the Assessment Area Two Revenue Account shall be made to pay interest on and/or principal of the Assessment Area Two Bonds for the extraordinary mandatory redemption thereof if the required deposits described in the heading below in the paragraphs FIRST through FIFTH cannot first be made in full.

### **Deposit and Application of the Assessment Area Two Pledged Revenues**

Pursuant to the Second Supplemental Indenture, Assessment Area Two Special Assessments (except for Prepayments of Assessment Area Two Special Assessments, which shall be identified as such by the District to the Trustee and deposited in the Assessment Area Two Prepayment Subaccount) shall be deposited by the Trustee into the Assessment Area Two Revenue Account established within the Revenue Fund. The Trustee shall transfer from amounts on deposit in the Assessment Area Two Revenue Account to the Funds and Accounts designated below, the following amounts, at the following times and in the following order of priority:

FIRST, upon receipt but no later than the Business Day next preceding each Interest Payment Date, to the Assessment Area Two Interest Account of the Debt Service Fund, an amount equal to the interest on the Assessment Area Two Bonds becoming due on the next succeeding Interest Payment Date, less any amount on deposit in the Assessment Area Two Interest Account not previously credited;

SECOND, no later than the Business Day next preceding each [June 15], commencing [June 15, 20\_\_], to the Assessment Area Two Sinking Fund Account, an amount equal to the principal amount of Assessment Area Two Bonds subject to sinking fund redemption on such [June 15], less any amount on deposit in the Assessment Area Two Sinking Fund Account not previously credited;

THIRD, upon receipt but no later than the Business Day next preceding each Interest Payment Date while Assessment Area Two Bonds remain Outstanding, to the Assessment Area Two Reserve Account, an amount equal to the amount, if any, which is necessary to make the amount on deposit therein equal to the Reserve Requirement for the Assessment Area Two Bonds;

FOURTH, notwithstanding the foregoing, at any time the Assessment Area Two Bonds are subject to redemption on a date which is not a June 15 or December 15 Interest Payment Date, the Trustee shall be authorized to transfer to the Assessment Area Two Interest Account, the amount necessary to pay interest on the Assessment Area Two Bonds subject to redemption on such date; and

FIFTH, subject to the foregoing paragraphs, the balance of any moneys remaining after making the foregoing deposits shall be first deposited into the Assessment Area Two Costs of Issuance Account upon the written request of the District to cover any deficiencies in the amount allocated to pay the cost of issuing the Assessment Area Two Bonds and next, any balance in the Assessment Area Two Revenue Account shall remain on deposit in such Assessment Area Two Revenue Account, unless needed for the purposes of rounding the principal amount of an Assessment Area Two Bond subject to extraordinary mandatory redemption pursuant to the Indenture to an Authorized Denomination, or unless pursuant to the Arbitrage Certificate, it is necessary to make a deposit into the Assessment Area Two Rebate Fund, in which case, the District shall direct the Trustee to make such deposit thereto.

Notwithstanding the foregoing, in the event of redemption of Assessment Area Two Bonds from Prepayments on deposit in the Assessment Area Two Prepayment Subaccount, the Trustee is further

authorized, upon written direction from the District, to transfer from the Assessment Area Two Revenue Account to the Assessment Area Two Prepayment Subaccount sufficient funds to cause the redemption of the next closest Authorized Denomination of Assessment Area Two Bonds, as provided in the Second Supplemental Indenture.

## **Investments**

The Trustee shall, as directed by the District in writing, invest moneys held in the Series Accounts within the Debt Service Fund, any Series Accounts within the Debt Service Reserve Fund and any Series Account within the Bond Redemption Fund created under the Second Supplemental Indenture only in Government Obligations and other Investment Securities. All deposits in time accounts shall be subject to withdrawal without penalty and all investments shall mature or be subject to redemption by the holder without penalty, not later than the date when the amounts will foreseeably be needed for purposes set forth in the Indenture. All securities securing investments under the Indenture shall be deposited with a Federal Reserve Bank, with the trust department of the Trustee, as authorized by law with respect to trust funds in the State, or with a bank or trust company having a combined net capital and surplus of not less than \$50,000,000. The interest and income received upon such investments and any interest paid by the Trustee or any other depository of any Fund or Account and any profit or loss resulting from the sale of securities shall be added or charged to the Fund or Account for which such investments are made; provided, however, that if the amount in any Fund or Account equals or exceeds the amount required to be on deposit therein, subject to the provisions of the Indenture, any interest and other income so received shall be deposited in the related Series Account of the Revenue Fund. Upon request of the District, or on its own initiative whenever payment is to be made out of any Fund or Account, the Trustee shall sell such securities as may be requested to make the payment and restore the proceeds to the Fund or Account in which the securities were held. The Trustee shall not be accountable for any depreciation in the value of any such security or for any loss resulting from the sale thereof, except as provided in the Indenture. If net proceeds from the sale of securities held in any Fund or Account shall be less than the amount invested and, as a result, the amount on deposit in such Fund or Account is less than the amount required to be on deposit in such Fund or Account, the amount of such deficit shall be transferred to such Fund or Account from the related Series Account of the Revenue Fund. See "APPENDIX B: COPY OF MASTER INDENTURE AND PROPOSED FORM OF SECOND SUPPLEMENTAL INDENTURE" attached hereto.

In the absence of written investment instructions from the District, the Trustee shall not be responsible or liable for keeping the moneys held by it hereunder invested or for any losses because such amounts were not invested. Moneys in any of the Funds and Accounts established pursuant to the Indenture, when held by the Trustee, shall be promptly invested by the Trustee in accordance with all written directions from the District and the District shall be responsible for ensuring that such instructions conform to requirements of this Master Indenture including, without limitation, Article VII of the Master Indenture. The Trustee shall not be liable or responsible for any loss or entitled to any gain resulting from any investment or sale upon the investment instructions of the District or otherwise, including that set forth in the first sentence of this paragraph. The Trustee may conclusively rely upon the District's written instructions as to both the suitability and legality of all investments directed hereunder or under any Supplemental Indenture. Ratings of investments shall be determined by the District at the time of purchase of such investments and without regard to ratings subcategories. The Trustee shall have no responsibility to monitor the ratings of investments after the initial purchase of such investments. The Trustee may make any and all such investments through its own investment department or that of its affiliates or subsidiaries, and may charge its ordinary and customary fees for such trades. Confirmations of investments are not required to be issued by the Trustee for each month in which a monthly statement is rendered. No statement need be rendered for any fund or account if no activity occurred in such fund or account during such month.

## **Indenture Provisions Relating to Bankruptcy or Insolvency of a Landowner**

The Indenture contains the following provisions which, pursuant to the Indenture, shall be applicable both before and after the commencement, whether voluntary or involuntary, of any case, proceeding or other action by or against any owner of any tax parcel subject to the Affected Special Assessments (an "Insolvent Taxpayer") under any existing or future law of any jurisdiction relating to bankruptcy, insolvency, reorganization, assignment for the benefit of creditors, or relief of debtors (a "Proceeding"). For as long as any Affected Bonds remain Outstanding, in any Proceeding involving the District, any Insolvent Taxpayer, the Affected Bonds or the Affected Special Assessments, the District shall be obligated to act in accordance with any direction from the Trustee with regard to all matters directly or indirectly affecting at least three percent (3%) of the Outstanding aggregate principal amount of the Affected Bonds or for as long as any Affected Bonds remain Outstanding, in any proceeding involving the District, any Insolvent Taxpayer, the Affected Bonds or the Affected Special Assessments or the Trustee. The District will agree that it shall not be a defense to a breach of the foregoing covenant that it has acted upon advice of counsel in not complying with this covenant.

The District will acknowledge and agree that, although the Assessment Area Two Bonds were issued by the District, the Owners of the Affected Bonds are categorically the party with the ultimate financial stake in the transaction and, consequently, the party with a vested and pecuniary interest in a Proceeding. In the event of any Proceeding involving an Insolvent Taxpayer: (i) the District will agree that it shall follow the direction of the Trustee in making and election, giving any consent, commencing any action or filing any motion, claim, obligation, notice or application or in taking any other action or position in any Proceeding or in any action related to a Proceeding that affects, either directly or indirectly, the Affected Special Assessments, the Affected Bonds, or any rights of the Trustee; (ii) the District will agree that it shall not make any election, give any consent, commence any action or file any motion, claim, obligation, notice or application or take any other action or position in any Proceeding or in any action related to a Proceeding that affects, either directly or indirectly, the Affected Special Assessments, the Affected Bonds, or any rights of the Trustee under the Indenture that are inconsistent with direction from the Trustee; (iii) to the extent permitted by law, the Trustee shall have the right, but is not obligated to, (i) vote in any such Proceeding any and all claims of the District, or (ii) file any motion, pleading, plan or objection in any such Proceeding on behalf of the District, including without limitation, motions seeking relief from the automatic stay, dismissal the Proceeding, valuation of the property belonging to the Insolvent Taxpayer, termination of exclusivity, and objections to disclosure statements, plans of liquidation or reorganization, and motions for use of cash collateral, seeking approval of sales or post-petition financing. If the Trustee chooses to exercise any such rights, the District shall be deemed to have appointed the Trustee as its agent and granted to the Trustee an irrevocable power of attorney coupled with an interest, and its proxy, for the purpose of exercising any and all rights and taking any and all actions available to the District in connection with any Proceeding of any Insolvent Taxpayer, including without limitation, the right to file and/or prosecute any claims, to propose and prosecute a plan, to vote to accept or reject a plan, and to make any election under Section 1111(b) of the Bankruptcy Code and (iv) the District shall not challenge the validity or amount of any claim submitted in such Proceeding by the Trustee in good faith or any valuations of the lands owned by any Insolvent Taxpayer submitted by the Trustee in good faith in such Proceeding or take any other action in such Proceeding, which is adverse to Trustee's enforcement or the District's claim and rights with respect to the Affected Special Assessments or receipt of adequate protection (as that term is defined in the Bankruptcy Code). Without limiting the generality of the foregoing, the District will agree that the Trustee shall have the right (i) to file a proof of claim with respect to the Affected Special Assessments pledged to the Affected Bonds Outstanding, (ii) to deliver to the District a copy thereof, together with evidence of the filing with the appropriate court or other authority, and (iii) to defend any objection filed to said proof of claim.

### **Certain Remedies upon an Event of Default**

The Indenture provides that each of the following shall be an "Event of Default" under the Indenture, with respect to the Assessment Area Two Bonds:

(a) if payment of any installment of interest on any Assessment Area Two Bond is not made when it becomes due and payable; or

(b) if payment of the principal or Redemption Price of any Assessment Area Two Bond is not made when it becomes due and payable at maturity or upon call or presentation for redemption; or

(c) if the District, for any reason, fails in, or is rendered incapable of, fulfilling its obligations under the Indenture or under the Act, which may be determined solely by the Majority Owners of the Assessment Area Two Bonds; or

(d) if the District proposes or makes an assignment for the benefit of creditors or enters into a composition agreement with all or a material part of its creditors, or a trustee, receiver, executor, conservator, liquidator, sequestrator or other judicial representative, similar or dissimilar, is appointed for the District or any of its assets or revenues, or there is commenced any proceeding in liquidation, bankruptcy, reorganization, arrangement of debts, debtor rehabilitation, creditor adjustment or insolvency, local, state or federal, by or against the District and if such is not vacated, dismissed or stayed on appeal within ninety (90) days; or

(e) if the District defaults in the due and punctual performance of any other covenant in the Indenture or in any Assessment Area Two Bonds and such default continues for sixty (60) days after written notice requiring the same to be remedied shall have been given to the District by the Trustee, which may give such notice in its discretion and shall give such notice at the written request of the Holders of not less than a majority in aggregate principal amount of the Assessment Area Two Bonds Outstanding; provided, however, that if such performance requires work to be done, actions to be taken, or conditions to be remedied, which by their nature cannot reasonably be done, taken or remedied, as the case may be, within such sixty (60) day period, no Event of Default shall be deemed to have occurred or exist if, and so long as the District shall commence such performance within such sixty (60) day period and shall diligently and continuously prosecute the same to completion; or

(f) if at any time the amount in the Debt Service Reserve Fund or any account therein is less than the Debt Service Reserve Requirement as a result of the Trustee withdrawing an amount therefrom to satisfy the Debt Service Requirement on the Bonds of any Series and such amount has not been restored within thirty (30) days of such withdrawal; or

(g) if, at any time following issuance of the related series of Bonds, more than twenty percent (20%) of the "maintenance special assessments" levied by the District on the District Lands upon which the Special Assessments are levied to secure one or more Series of Bonds pursuant to Section 190.021(3), Florida Statutes, as amended, and collected directly by the District have become due and payable and have not been paid, when due.

The Assessment Area Two Bonds are not subject to acceleration. Upon an occurrence and continuance of an Event of Default, no optional redemption or extraordinary mandatory redemption of the Assessment Area Two Bonds pursuant to Article VIII of the Master Indenture shall occur unless all of the Assessment Area Two Bonds where an Event of Default has occurred will be redeemed or if 100% of the Holders of such Assessment Area Two Bonds agree to such redemption.

If any Event of Default with respect to the Assessment Area Two Bonds has occurred and is continuing, the Trustee, in its discretion may, and upon the written request of the Holders of not less than a majority of the aggregate principal amount of the Outstanding Assessment Area Two Bonds and receipt of indemnity to its satisfaction shall, in its own name:

(a) by mandamus, or other suit, action or proceeding at law or in equity, enforce all rights of the Holders of the Assessment Area Two Bonds, including, without limitation, the right to require the District to carry out any agreements with, or for the benefit of, the Bondholders of the Assessment Area Two Bonds and to perform its or their duties under the Act;

(b) bring suit upon the Assessment Area Two Bonds;

(c) by action or suit in equity require the District to account as if it were the trustee of an express trust for the Holders of the Assessment Area Two Bonds;

(d) by action or suit in equity enjoin any acts or things which may be unlawful or in violation of the rights of the Holders of the Assessment Area Two Bonds; and

(e) by other proceeding in law or equity, exercise all rights and remedies provided for by any other document or instrument securing such Assessment Area Two Bonds.

The Holders of a majority in aggregate principal amount of the Outstanding Assessment Area Two Bonds then subject to remedial proceedings under Article X of the Master Indenture shall have the right to direct the method and place of conducting all remedial proceedings by the Trustee under the Indenture, provided that such directions shall not be otherwise than in accordance with law or the provisions of the Indenture. The Trustee shall have no liability as a result of any actions taken upon any such direction of the Holders.

#### **Foreclosure of Assessment Area Two Assessment Lien**

Notwithstanding any other provisions of the Indenture to the contrary, the Indenture provides that the following shall apply with respect to the Assessment Area Two Special Assessments and Assessment Area Two Bonds: If any property shall be offered for sale for the nonpayment of any Assessment Area Two Special Assessments, and no person or persons shall purchase such property for an amount equal to the full amount due on the Assessment Area Two Special Assessments (principal, interest, penalties and costs, plus attorneys' fees, if any), the property may then be purchased by the District for an amount equal to the balance due on the Assessment Area Two Special Assessments (principal, interest, penalties and costs, plus attorneys' fees, if any), from any legally available funds of the District and the District shall receive in its corporate name or in the name of a special-purpose entity title to the property for the benefit of the Owners of the Assessment Area Two Bonds; provided that the Trustee shall have the right, acting at the written direction of the Majority Holders, but shall not be obligated, to direct the District with respect to any action taken pursuant to the Indenture. The District, either through its own actions, or actions caused to be taken through the Trustee, shall have the power to and shall lease or sell such property, and deposit all of the net proceeds of any such lease or sale into the Assessment Area Two Revenue Account. The District, either through its own actions, or actions caused to be taken through the Trustee, shall agree that it shall be required to take the measures provided by law for sale of property acquired by it as trustee for the Owners of the Assessment Area Two Bonds within sixty (60) days after the receipt of the request therefore signed by the Trustee or the Majority Holders of the Assessment Area Two Bonds Outstanding.

## **ENFORCEMENT OF ASSESSMENT COLLECTIONS**

### **General**

The primary source of payment for the Assessment Area Two Bonds is the Assessment Area Two Special Assessments imposed on the District Lands in Assessment Area Two specially benefited by the Assessment Area Two Project pursuant to the Assessment Proceedings. See "ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS" herein and "APPENDIX E: ASSESSMENT METHODOLOGY."

The determination, order, levy, and collection of Assessment Area Two Special Assessments must be done in compliance with procedural requirements and guidelines provided by State law. Failure by the District, the Hillsborough County Tax Collector (the "Tax Collector") or the Hillsborough County Property Appraiser (the "Property Appraiser") to comply with such requirements could result in a delay in the collection of, or the complete inability to collect, the Assessment Area Two Special Assessments during any year. Such delays in the collection of Assessment Area Two Special Assessments, or complete inability to collect Assessment Area Two Special Assessments, would have a material adverse effect on the ability of the District to make full or punctual payment of the debt service requirements on the Assessment Area Two Bonds. See "BONDOWNERS' RISKS." To the extent that landowners fail to pay the Assessment Area Two Special Assessments, delay payments, or are unable to pay the same, the successful pursuance of collection procedures available to the District is essential to continued payment of principal of and interest on the Assessment Area Two Bonds. The Act provides for various methods of collection of delinquent Assessment Area Two Special Assessments by reference to other provisions of the Florida Statutes. The following is a description of certain statutory provisions of assessment payment and collection procedures appearing in the Florida Statutes but is qualified in its entirety by reference to such statutes.

### **Uniform Method Procedure**

Initially, the Landowner and subsequent landowners will directly pay the Assessment Area Two Special Assessments to the District. After the land in Assessment Area Two is platted and assigned its respective tax folio numbers, the Assessment Area Two Special Assessments will be collected pursuant to the Uniform Method (as hereinafter defined). At such times as the Assessment Area Two Special Assessments are collected pursuant to the Uniform Method of collection, the provisions of this section shall become applicable. The Florida Statutes provide that, subject to certain conditions, non-ad valorem special assessments may be collected by using the uniform method (the "Uniform Method") of collection. The Uniform Method of collection is available only in the event the District complies with statutory and regulatory requirements and enters into agreements with the Tax Collector and Property Appraiser providing for the Assessment Area Two Special Assessments to be levied and then collected in this manner. The District's election to use a certain collection method with respect to the Assessment Area Two Special Assessments does not preclude it from electing to use another collection method in the future, subject to the provisions of the Indenture. See "—Foreclosure" below with respect to collection of delinquent assessments not collected pursuant to the Uniform Method.

If the Uniform Method of collection is utilized, the Assessment Area Two Special Assessments will be collected together with County, special district, and other ad valorem taxes and non-ad valorem assessments, all of which will appear on the tax bill (also referred to as a "tax notice") issued to each landowner in the District. The statutes relating to enforcement of ad valorem taxes and non-ad valorem assessments provide that such taxes and assessments become due and payable on November 1 of the year when assessed, or as soon thereafter as the certified tax roll is received by the Tax Collector, and constitute a lien upon the land from January 1 of such year until paid or barred by operation of law. Such taxes and assessments (including the Assessment Area Two Special Assessments being collected by the Uniform

Method) are to be billed, and landowners in the District are required to pay, all such taxes and assessments, without preference in payment of any particular increment of the tax bill, such as the increment owing for the Assessment Area Two Special Assessments. Upon any receipt of moneys by the Tax Collector from the Assessment Area Two Special Assessments, such moneys will be delivered to the District, which will remit such Assessment Area Two Special Assessments to the Trustee for deposit to the Assessment Area Two Revenue Account within the Revenue Fund, except that any Prepayments of Assessment Area Two Special Assessments shall be deposited to the Assessment Area Two Prepayment Subaccount within the Assessment Area Two Bond Redemption Account created under the Indenture and applied in accordance therewith.

All County, school and special district, including the District, ad valorem taxes, non-ad valorem special assessments, including the Assessment Area Two Special Assessments, and voter-approved ad valorem taxes levied to pay principal of and interest on bonds are payable at one time, except for partial payment schedules as may be provided by Sections 197.374 and 197.222, Florida Statutes. Partial payments made pursuant to Sections 197.374 and 197.222, Florida Statutes, are distributed in equal proportion to all taxing districts and levying authorities applicable to that account. If a taxpayer does not make complete payment of the total amount, he or she cannot designate specific line items on his or her tax bill as deemed paid in full. In such cases, the Tax Collector does not accept such partial payment and the partial payment is returned to the taxpayer. Therefore, in the event the Assessment Area Two Special Assessments are to be collected pursuant to the Uniform Method, any failure to pay any one line item would cause the Assessment Area Two Special Assessments to not be collected to that extent, which could have a significant adverse effect on the ability of the District to make full or punctual payment of the debt service requirements on the Assessment Area Two Bonds.

Under the Uniform Method, if the Assessment Area Two Special Assessments are paid during November when due or during the following three months, the taxpayer is granted a variable discount equal to 4% in November and decreasing one percentage point per month to 1% in February. All unpaid taxes and assessments become delinquent on April 1 of the year following assessment. The Tax Collector is required to collect the ad valorem taxes and non-ad valorem special assessments on the tax bill prior to April 1 and, after that date, to institute statutory procedures upon delinquency to collect such taxes and assessments through the sale of "tax certificates," as discussed below. Delay in the mailing of tax notices to taxpayers may result in a delay throughout this process.

Neither the District nor the Underwriter can give any assurance to the holders of the Assessment Area Two Bonds (1) that the past experience of the Tax Collector with regard to tax and special assessment delinquencies is applicable in any way to the Assessment Area Two Special Assessments, (2) that future landowners and taxpayers in the District will pay such Assessment Area Two Special Assessments, (3) that a market may exist in the future for tax certificates in the event of sale of such certificates for taxable units within the District, or (4) that the eventual sale of tax certificates for real property within the District, if any, will be for an amount sufficient to pay amounts due under the Assessment Proceedings to discharge the lien of the Assessment Area Two Special Assessments and all other liens that are coequal therewith.

Collection of delinquent Assessment Area Two Special Assessments under the Uniform Method is, in essence, based upon the sale by the Tax Collector of "tax certificates" and remittance of the proceeds of such sale to the District for payment of the Assessment Area Two Special Assessments due. In the event of a delinquency in the payment of taxes and assessments on real property, the landowner may, prior to the sale of tax certificates, pay the total amount of delinquent ad valorem taxes and non-ad valorem assessments plus the cost of advertising and the applicable interest charge on the amount of such delinquent taxes and assessments. If the landowner does not act, the Tax Collector is required to attempt to sell tax certificates on such property to the person who pays the delinquent taxes and assessments owing, penalties and interest thereon and certain costs, and who accepts the lowest interest rate per annum to be borne by the certificates

(but not more than 18%). Tax certificates are sold by public bid. If there are no bidders, the tax certificate is issued to the County. The County is to hold, but not pay for, the tax certificate with respect to the property, bearing interest at the maximum legal rate of interest (currently 18%). The Tax Collector does not collect any money if tax certificates are "struck off" (issued) to the County. The County may sell such certificates to the public at any time at the principal amount thereof plus interest at the rate of not more than 18% per annum and a fee. Proceeds from the sale of tax certificates are required to be used to pay taxes and assessments (including the Assessment Area Two Special Assessments), interest, costs and charges on the real property described in the certificate. The demand for such certificates is dependent upon various factors, which include the rate of interest that can be earned by ownership of such certificates and the underlying value of the land that is the subject of such certificates and which may be subject to sale at the demand of the certificate holder. Therefore, the underlying market value of the property within the District may affect the demand for certificates and the successful collection of the Assessment Area Two Special Assessments, which are the primary source of payment of the Assessment Area Two Bonds. Legal proceedings under Federal bankruptcy law brought by or against a landowner who has not yet paid his or her property taxes or assessments would likely result in a delay in the sale of tax certificates.

Unless full payment for a tax deed is made to the clerk of court, including documentary stamps and recording fees, any tax certificate in the hands of a person other than the County may be redeemed and canceled, in whole or in part (under certain circumstances), at any time before a tax deed is issued, and at a price equal to the face amount of the certificate or portion thereof together with all interest, costs, and charges due. Regardless of the interest rate actually borne by the certificates, persons redeeming tax certificates must pay a minimum interest rate of 5%, unless the rate borne by the certificates is zero percent. The proceeds of such a redemption are paid to the Tax Collector who transmits to the holder of the tax certificate such proceeds less service charges, and the certificate is canceled. Redemption of tax certificates held by the County is effected by purchase of such certificates from the County, as described in the preceding paragraph.

Any holder, other than the County, of a tax certificate that has not been redeemed has seven years from the date of issuance of the tax certificate during which to act against the land that is the subject of the tax certificate. After an initial period ending two years from April 1 of the year of issuance of a certificate, during which period actions against the land are held in abeyance to allow for sales and redemptions of tax certificates, and before the expiration of seven years from the date of issuance, the holder of a certificate may apply for a tax deed to the subject land. The applicant is required to pay to the Tax Collector at the time of application all amounts required to redeem or purchase all outstanding tax certificates covering the land, plus interest, any omitted taxes or delinquent taxes and interest, and current taxes, if due. If the County holds a tax certificate on property valued at \$5,000 or more and has not succeeded in selling it, the County must apply for a tax deed two years after April 1 of the year of issuance of the certificate. The County pays costs and fees to the Tax Collector but not any amount to redeem any other outstanding certificates covering the land. Thereafter, the property is advertised for public sale.

In any such public sale conducted by the Clerk of the Circuit Court, the private holder of the tax certificate who is seeking a tax deed for non-homestead property is deemed to submit a minimum bid equal to the amount required to redeem the tax certificate, charges for the cost of sale, including costs incurred for the service of notice required by statute, redemption of other tax certificates on the land, and the amount paid by such holder in applying for the tax deed, plus interest thereon. In the case of homestead property, the minimum bid is also deemed to include, in addition to the amount of money required for the minimum bid on non-homestead property, an amount equal to one-half of the latest assessed value of the homestead. If there are no higher bids, the holder receives title to the land, and the amounts paid for the certificate and in applying for a tax deed are credited toward the purchase price. If there are other bids, the holder may enter the bidding. The highest bidder is awarded title to the land. The portion of proceeds of such sale needed to redeem the tax certificate, and all other amounts paid by such person in applying for a tax deed,

are forwarded to the holder thereof or credited to such holder if such holder is the successful bidder. Excess proceeds are distributed first to satisfy governmental liens against the land and then to the former title holder of the property (less service charges), lienholder of record, mortgagees of record, vendees of recorded contracts for deeds, and other lienholders and any other person to whom the land was last assessed on the tax roll for the year in which the land was assessed, all as their interest may appear.

Except for certain governmental liens and certain restrictive covenants and restrictions, no right, interest, restriction or other covenant survives the issuance of a tax deed. Thus, for example, outstanding mortgages on property subject to a tax deed would be extinguished.

If there are no bidders at the public sale, the County may, at any time within ninety (90) days from the date of offering for public sale, purchase the land without further notice or advertising for a statutorily prescribed opening bid. After ninety (90) days have passed, any person or governmental unit may purchase the land by paying the amount of the opening bid. Ad valorem taxes and non-ad valorem assessments accruing after the date of public sale do not require repetition of the bidding process but are added to the minimum bid. Three years from the date of delinquency, unsold lands escheat to the County in which they are located and all tax certificates and liens against the property are canceled and a deed is executed vesting title in the governing board of such County.

### **Foreclosure**

The following discussion regarding foreclosure is not applicable if the Assessment Area Two Special Assessments are being collected pursuant to the Uniform Method. In the event that the District itself directly levies and enforces, pursuant to Chapters 170 and 190, Florida Statutes, the collection of the Assessment Area Two Special Assessments levied on the land within the District, Section 170.10, Florida Statutes provides that upon the failure of any property owner to pay all or any part of the principal of a special assessment, including an Assessment Area Two Special Assessment, or the interest thereon, when due, the governing body of the entity levying the assessment is authorized to commence legal proceedings for the enforcement of the payment thereof, including commencement of an action in chancery, commencement of a foreclosure proceeding in the same manner as the foreclosure of a real estate mortgage, or commencement of an action under Chapter 173, Florida Statutes relating to foreclosure of municipal tax and special assessment liens. Such a proceeding is in rem, meaning that it is brought against the land not against the owner. In light of the one-year tolling period required before the District may commence a foreclosure action under Chapter 173, Florida Statutes, it is likely that the District would commence an action to foreclose in the same manner as the foreclosure of a real estate mortgage, rather than proceeding under Chapter 173, Florida Statutes.

Enforcement of the obligation to pay Assessment Area Two Special Assessments and the ability to foreclose the lien of such Assessment Area Two Special Assessments upon the failure to pay such Assessment Area Two Special Assessments may not be readily available or may be limited as such enforcement is dependent upon judicial action which is often subject to discretion and delay.

### **BONDOWNERS' RISKS**

There are certain risks inherent in an investment in bonds issued by a public authority or governmental body in the State and secured by special assessments. Certain of these risks are described in other sections of this Limited Offering Memorandum. Certain additional risks are associated with the Assessment Area Two Bonds offered hereby and are set forth below. Prospective investors in the Assessment Area Two Bonds should have such knowledge and experience in financial and business matters to be capable of evaluating the merits and risks of an investment in the Assessment Area Two Bonds and have the ability to bear the economic risks of such prospective investment, including a complete loss of

such investment. This section does not purport to summarize all risks that may be associated with purchasing or owning the Assessment Area Two Bonds, and prospective purchasers are advised to read this Limited Offering Memorandum in its entirety for a more complete description of investment considerations relating to the Assessment Area Two Bonds.

### **Concentration of Land Ownership**

As of the date hereof, the Landowner owns all of the assessable lands within Assessment Area Two, which are the lands that will be subject to the Assessment Area Two Special Assessments securing the Assessment Area Two Bonds. Payment of the Assessment Area Two Special Assessments is primarily dependent upon their timely payment by the Landowner and the other future landowners in Assessment Area Two. Non-payment of the Assessment Area Two Special Assessments by any of the landowners could have a substantial adverse impact upon the District's ability to pay debt service on the Assessment Area Two Bonds. See "THE LANDOWNER" and "SECURITY FOR AND SOURCE OF PAYMENT OF THE ASSESSMENT AREA TWO BONDS" herein.

### **Bankruptcy and Related Risks**

In the event of the institution of bankruptcy or similar proceedings with respect to the Landowner or any other owner of benefited property, delays could occur in the payment of debt service on the Assessment Area Two Bonds, as such bankruptcy could negatively impact the ability of: (i) the Landowner and any other landowner to pay the Assessment Area Two Special Assessments; (ii) the Tax Collector to sell tax certificates in relation to such property with respect to the Assessment Area Two Special Assessments being collected pursuant to the Uniform Method; and (iii) the District to foreclose the lien of the Assessment Area Two Special Assessments not being collected pursuant to the Uniform Method. In addition, the remedies available to the Owners of the Assessment Area Two Bonds under the Indenture are in many respects dependent upon judicial actions which are often subject to discretion and delay. Under existing constitutional and statutory law and judicial decisions, the remedies specified by federal, state and local law and in the Indenture and the Assessment Area Two Bonds, including, without limitation, enforcement of the obligation to pay Assessment Area Two Special Assessments and the ability of the District to foreclose the lien of the Assessment Area Two Special Assessments if not being collected pursuant to the Uniform Method, may not be readily available or may be limited. The various legal opinions to be delivered concurrently with the delivery of the Assessment Area Two Bonds (including Bond Counsel's approving opinion) will be qualified as to the enforceability of the various legal instruments by limitations imposed by bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors enacted before or after such delivery. The inability, either partially or fully, to enforce remedies available with respect to the Assessment Area Two Bonds could have a material adverse impact on the interest of the Owners thereof.

A 2011 bankruptcy court decision in Florida held that the governing body of a community development district, and not the bondholders or indenture trustee, was the creditor of the landowners/debtors in bankruptcy with respect to claims for special assessments, and thus only the district could vote to approve or disapprove a reorganization plan submitted by the debtors in the case. The district voted in favor of the plan. The governing body of the district was at that time elected by the landowners rather than qualified electors. Under the reorganization plan that was approved, a two-year moratorium was placed on the debtor landowners' payment of special assessments. As a result of this non-payment of assessments, debt service payments on the district's bonds were delayed for two years or longer. The Master Indenture provides for the delegation of certain rights from the District to the Trustee in the event of a bankruptcy or similar proceeding with respect to an "Insolvent Taxpayer" (as previously defined). See "SECURITY FOR AND SOURCE OF PAYMENT OF THE ASSESSMENT AREA TWO BONDS –

Indenture Provisions Relating to Bankruptcy or Insolvency of a Landowner" herein. The District cannot express any view whether such delegation would be enforceable.

### **Assessment Area Two Special Assessments Are Non-Recourse**

The principal security for the payment of the principal and interest on the Assessment Area Two Bonds is the timely collection of the Assessment Area Two Special Assessments. The Assessment Area Two Special Assessments do not constitute a personal indebtedness of the landowners of the land subject thereto, but are secured by a lien on such land. There is no assurance that the Landowner or subsequent landowners will be able to pay the Assessment Area Two Special Assessments or that they will pay such Assessment Area Two Special Assessments even though financially able to do so. Neither the Landowner nor any other subsequent landowners have any personal obligation to pay the Assessment Area Two Special Assessments. Neither the Landowner nor any subsequent landowners are guarantors of payment of any Assessment Area Two Special Assessments, and the recourse for the failure of the Landowner or any subsequent landowner to pay the Assessment Area Two Special Assessments is limited to the collection proceedings against the land subject to such unpaid Assessment Area Two Special Assessments, as described herein. Therefore the likelihood of collection of the Assessment Area Two Special Assessments may ultimately depend on the market value of the land subject to the Assessment Area Two Special Assessments. While the ability of the Landowner or subsequent landowners to pay the Assessment Area Two Special Assessments is a relevant factor, the willingness of the Landowner or subsequent landowners to pay the Assessment Area Two Special Assessments, which may also be affected by the value of the land subject to the Assessment Area Two Special Assessments, is also an important factor in the collection of Assessment Area Two Special Assessments. The failure of the Landowner or subsequent landowners to pay the Assessment Area Two Special Assessments could render the District unable to collect delinquent Assessment Area Two Special Assessments and provided such delinquencies are significant, could negatively impact the ability of the District to make the full or punctual payment of debt service on the Assessment Area Two Bonds.

### **Regulatory and Environmental Risks**

The development of the District Lands is subject to comprehensive federal, state and local regulations and future changes to such regulations. Approval is required from various public agencies in connection with, among other things, the design, nature and extent of planned improvements, both public and private, and construction of the infrastructure in accordance with applicable zoning, land use and environmental regulations. Although all such approvals required to date have been received and any further approvals are anticipated to be received as needed, failure to obtain any such approvals in a timely manner could delay or adversely affect the completion of the development of the District Lands. See "THE DEVELOPMENT – Development Approvals" herein for more information.

The value of the land within the District, the success of the Development, the development of Assessment Area Two and the likelihood of timely payment of principal and interest on the Assessment Area Two Bonds could be affected by environmental factors with respect to the land in the District. Should the land be contaminated by hazardous materials, this could materially and adversely affect the value of the land in the District, which could materially and adversely affect the success of the development of the lands within the District and the likelihood of the timely payment of the Assessment Area Two Bonds. The District has not performed, nor has the District requested that there be performed on its behalf, any independent assessment of the environmental conditions within the District. See "THE DEVELOPMENT – Environmental" for information on environmental site assessments obtained or received. Such information is being provided solely for informational purposes, and nothing herein or in such assessments grants any legal rights or remedies in favor of the Assessment Area Two Bondholders in the event any recognized environmental conditions are later found to be present on District Lands. Nevertheless, it is

possible that hazardous environmental conditions could exist within the District or in the vicinity of the District and that such conditions could have a material and adverse impact upon the value of the benefited lands within the District. No assurance can be given that unknown hazardous materials, protected animals or vegetative species, etc., do not currently exist or may not develop in the future, whether originating within the District or from surrounding property, and what effect such may have on the development or sale of the lands in Assessment Area Two.

The value of the lands subject to the Assessment Area Two Special Assessments could also be adversely impacted by flooding or wind damage caused by hurricanes, tropical storms, or other catastrophic events. In addition to potential damage or destruction to any existing development or construction in or near the District, such catastrophic events could potentially render the District Lands unable to support future development. The occurrence of any such events could materially adversely impact the District's ability to pay principal and interest on the Assessment Area Two Bonds. The Assessment Area Two Bonds are not insured, and the District's casualty insurance policies do not insure against losses incurred on private lands within its boundaries.

### **Economic Conditions and Changes in Development Plans**

The successful development of Assessment Area Two and the sale of residential units therein, once such homes are built, may be affected by unforeseen changes in general economic conditions, fluctuations in the real estate market and other factors beyond the control of the Landowner. Moreover, the Landowner has the right to modify or change plans for development of the Development from time to time, including, without limitation, land use changes, changes in the overall land and phasing plans, and changes to the type, mix, size and number of units to be developed, and may seek in the future, in accordance with and subject to the provisions of the Act, to contract or expand the boundaries of the District.

### **Other Taxes and Assessments**

The willingness and/or ability of an owner of benefited land to pay the Assessment Area Two Special Assessments could be affected by the existence of other taxes and assessments imposed upon such property by the District, the County or any other local special purpose or general purpose governmental entities. County, school, special district taxes and special assessments, and voter-approved ad valorem taxes levied to pay principal of and interest on debt, including the Assessment Area Two Special Assessments, collected pursuant to the Uniform Method are payable at one time. Public entities whose boundaries overlap those of the District could, without the consent of the owners of the land within the District, impose additional taxes on the property within the District. The District anticipates imposing operation and maintenance assessments encumbering the same property encumbered by the Assessment Area Two Special Assessments. In addition, lands within the District may also be subject to assessments by property owners' and homeowners' associations. See "THE DEVELOPMENT – Taxes, Fees and Assessments" herein for additional information.

Under Florida law, a landowner may contest the assessed valuation determined for its property that forms the basis of ad-valorem taxes such landowner must pay. During this contest period, the sale of a tax certificate under the Uniform Method will be suspended. If the Assessment Area Two Special Assessments are being collected along with ad valorem taxes pursuant to the Uniform Method, tax certificates will not be sold with respect to such Assessment Area Two Special Assessment, even though the landowner is not contesting the amount of the Assessment Area Two Special Assessment. However, Section 194.014, Florida Statutes, requires taxpayers challenging the assessed value of their property to pay all non-ad valorem assessments and at least 75% of their ad valorem taxes before they become delinquent. Likewise, taxpayers who challenge the denial of an exemption or classification or a determination that their improvements were substantially complete must pay all non-ad valorem assessments and the amount of ad valorem taxes that

they admit in good faith to be owing. If a taxpayer fails to pay property taxes as set forth above, the Value Adjustment Board considering the taxpayer's challenge is required to deny such petition by written decision by April 20 of such year.

### **Limited Secondary Market for Assessment Area Two Bonds**

The Assessment Area Two Bonds may not constitute a liquid investment, and there is no assurance that a liquid secondary market will exist for the Assessment Area Two Bonds in the event an Owner thereof determines to solicit purchasers for the Assessment Area Two Bonds. Even if a liquid secondary market exists, there can be no assurance as to the price for which the Assessment Area Two Bonds may be sold. Such price may be lower than that paid by the current Owners of the Assessment Area Two Bonds, depending on the progress of development of the Development and the lands within Assessment Area Two, as applicable, existing real estate and financial market conditions and other factors.

### **Inadequacy of Reserve Account**

Some of the risk factors discussed herein, which, if materialized, would result in a delay in the collection of the Assessment Area Two Special Assessments, may not adversely affect the timely payment of debt service on the Assessment Area Two Bonds because of the Assessment Area Two Reserve Account. The ability of the Assessment Area Two Reserve Account to fund deficiencies caused by delinquencies in the Assessment Area Two Special Assessments is dependent on the amount, duration and frequency of such deficiencies. Moneys on deposit in the Assessment Area Two Reserve Account may be invested in certain obligations permitted under the Indenture. Fluctuations in interest rates and other market factors could affect the amount of moneys in such Assessment Area Two Reserve Account to make up deficiencies. If the District has difficulty in collecting the Assessment Area Two Special Assessments, the Assessment Area Two Reserve Account would be rapidly depleted and the ability of the District to pay debt service on the Assessment Area Two Bonds could be materially adversely affected. In addition, during an Event of Default under the Indenture, the Trustee may withdraw moneys from the Assessment Area Two Reserve Account and such other Funds, Accounts and subaccounts created under the Indenture to pay its extraordinary fees and expenses incurred in connection with such Event of Default. If in fact the Assessment Area Two Reserve Account is accessed for any purpose, the District does not have a designated revenue source for replenishing such account. Moreover, the District may not be permitted to re-assess real property then burdened by the Assessment Area Two Special Assessments in order to provide for the replenishment of the Assessment Area Two Reserve Account. See "SECURITY FOR AND SOURCE OF PAYMENT OF THE ASSESSMENT AREA TWO BONDS – Reserve Account" herein for more information about the Assessment Area Two Reserve Account.

### **Legal Delays**

If the District should commence a foreclosure action against a landowner for nonpayment of Assessment Area Two Special Assessments that are not being collected pursuant to the Uniform Method, such landowner and/or its mortgagee(s) may raise affirmative defenses to such foreclosure action. Although the District expects that such affirmative defenses would likely be proven to be without merit, they could result in delays in completing the foreclosure action. In addition, the District is required under the Indenture to fund the costs of such foreclosure. It is possible that the District will not have sufficient funds and will be compelled to request the Holders of the Assessment Area Two Bonds to allow funds on deposit under the Indenture to be used to pay the costs of the foreclosure action. Under the Code (as defined herein), there are limitations on the amounts of proceeds from the Assessment Area Two Bonds that can be used for such purpose.

## **IRS Examination and Audit Risk**

The Internal Revenue Service (the "IRS") routinely examines bonds issued by state and local governments, including bonds issued by community development districts. In 2016, the IRS concluded its lengthy examination of certain issues of bonds (for purposes of this subsection, the "Audited Bonds") issued by Village Center Community Development District (the "Village Center CDD"). During the course of the audit of the Audited Bonds, Village Center CDD received a ruling dated May 30, 2013, in the form of a non-precedential technical advice memorandum ("TAM") concluding that Village Center CDD is not a political subdivision for purposes of Section 103(a) of the Code because Village Center CDD was organized and operated to perpetuate private control and avoid indefinitely responsibility to an electorate, either directly or through another elected state or local government body. Such a conclusion could lead to the further conclusion that the interest on the Audited Bonds was not excludable from gross income of the owners of such bonds for federal income tax purposes. Village Center CDD received a second TAM dated June 17, 2015, which granted relief to Village Center CDD from retroactive application of the IRS's conclusion regarding its failure to qualify as a political subdivision. Prior to the conclusion of the audits, the Audited Bonds were all refunded with taxable bonds. The audit of the Audited Bonds that were issued for utility improvements were closed without change to the tax exempt status of those Audited Bonds on April 25, 2016, and the audit of the remainder of the Audited Bonds (which funded recreational amenity acquisitions from entities related to the principal landowner in the Village Center CDD) was closed on July 14, 2016, without the IRS making a final determination that the interest on the Audited Bonds in question was required to be included in gross income. However, the IRS letter to the Village Center CDD with respect to this second set of Audited Bonds noted that the IRS found that the Village Center CDD was not a "proper issuer of tax-exempt bonds" and that those Audited Bonds were private-activity bonds that did not fall in any of the categories that qualify for tax-exemption. Although the TAMs and the letters to the Village Center CDD from the IRS referred to above are addressed to, and binding only on, the IRS and Village Center CDD in connection with the Audited Bonds, they reflect the audit position of the IRS, and there can be no assurance that the IRS would not commence additional audits of bonds issued by other community development districts raising issues similar to the issues raised in the case of the Audited Bonds based on the analysis set forth in the first TAM or on the related concerns addressed in the July 14, 2016 letter to the Village Center CDD.

On February 23, 2016, the IRS published proposed regulations designed to provide prospective guidance with respect to potential private business control of issuers by providing a new definition of political subdivision for purposes of determining whether an entity is an appropriate issuer of bonds the interest on which is excluded from gross income for federal tax purposes. The proposed regulations required that a political subdivision (i) have the power to exercise at least one sovereign power, (ii) be formed and operated for a governmental purpose, and (iii) have a governing body controlled by or have significant uses of its funds or assets otherwise controlled by a government unit with all three sovereign powers or by an electorate that is not controlled by an unreasonably small number of unrelated electors. On October 4, 2017, the Treasury Department ("Treasury") announced that it would withdraw the proposed regulations, stating that, "while Treasury and the IRS continue to study the legal issues relating to political subdivisions, Treasury and the IRS currently believe that these proposed regulations should be withdrawn in their entirety, and plan to publish a withdrawal of the proposed regulations shortly in the Federal Register. Treasury and the IRS may propose more targeted guidance in the future after further study of the relevant legal issues." Notice of withdrawal of the proposed regulations was published in the Federal Register on October 20, 2017.

It has been reported that the IRS has closed audits of other community development districts in the State with no change to such districts' bonds' tax-exempt status, but has advised such districts that such districts must have public electors within the timeframe established by the applicable state law or their bonds may be determined to be taxable retroactive to the date of issuance. Pursuant to the Act, general

elections are not held until the later of six years from the date of establishment of the community development district or the time at which there are at least 250 qualified electors in the district. The District, unlike Village Center CDD, was formed with the intent that it will contain a sufficient number of residents to allow for a transition to control by a general electorate. Currently, all of the members of the Board of the District were elected by the landowners and none were elected by qualified electors. The Landowner will certify as to its expectations as to the timing of the transition of control of the Board of the District to qualified electors pursuant to the Act. Such certification by the Landowner does not ensure that such certification shall be determinative of, or may influence the outcome of any audit by the IRS, or any appeal from such audit, that may result in an adverse ruling that the District is not a political subdivision for purposes of Section 103(a) of the Code. Further, there can be no assurance that an audit by the IRS of the Assessment Area Two Bonds will not be commenced. The District has no reason to believe that any such audit will be commenced, or that any such audit, if commenced, would result in a conclusion of noncompliance with any applicable State or federal law.

Owners of the Assessment Area Two Bonds are advised that, if the IRS does audit the Assessment Area Two Bonds, under its current procedures, at least during the early stages of an audit, the IRS will treat the District as the taxpayer, and the Owners of the Assessment Area Two Bonds may have limited rights to participate in those proceedings. The commencement of such an audit could adversely affect the market value and liquidity of the Assessment Area Two Bonds until the audit is concluded, regardless of the ultimate outcome. In addition, in the event of an adverse determination by the IRS with respect to the tax-exempt status of interest on the Assessment Area Two Bonds, it is unlikely the District will have available revenues to enable it to contest such determination or enter into a voluntary financial settlement with the IRS. Further, an adverse determination by the IRS with respect to the tax-exempt status of interest on the Assessment Area Two Bonds would adversely affect the availability of any secondary market for the Assessment Area Two Bonds. Should interest on the Assessment Area Two Bonds become includable in gross income for federal income tax purposes, not only will Owners of Assessment Area Two Bonds be required to pay income taxes on the interest received on such Assessment Area Two Bonds and related penalties, but because the interest rate on such Assessment Area Two Bonds will not be adequate to compensate Owners of the Assessment Area Two Bonds for the income taxes due on such interest, the value of the Assessment Area Two Bonds may decline.

THE INDENTURE DOES NOT PROVIDE FOR ANY ADJUSTMENT IN THE INTEREST RATES ON THE ASSESSMENT AREA TWO BONDS IN THE EVENT OF AN ADVERSE DETERMINATION BY THE IRS WITH RESPECT TO THE TAX-EXEMPT STATUS OF INTEREST ON THE ASSESSMENT AREA TWO BONDS. PROSPECTIVE PURCHASERS OF THE ASSESSMENT AREA TWO BONDS SHOULD EVALUATE WHETHER THEY CAN OWN THE ASSESSMENT AREA TWO BONDS IN THE EVENT THAT THE INTEREST ON THE ASSESSMENT AREA TWO BONDS BECOMES TAXABLE AND/OR THE DISTRICT IS EVER DETERMINED TO NOT BE A POLITICAL SUBDIVISION FOR PURPOSES OF THE CODE AND/OR SECURITIES ACT (AS HEREINAFTER DEFINED).

### **Loss of Exemption from Securities Registration**

The Assessment Area Two Bonds have not been and will not be registered under the Securities Act of 1933, as amended (the "Securities Act"), or any state securities laws, because of the exemption for securities issued by political subdivisions. It is possible that federal or state regulatory authorities could in the future determine that the District is not a political subdivision for purposes of federal and state securities laws, including without limitation as the result of a determination by the IRS, judicial or otherwise, of the District's status for purposes of the Code. In such event, the District and purchasers of Assessment Area Two Bonds may not be able to rely on the exemption from registration under the Securities Act relating to securities issued by political subdivisions. In that event, the Owners of the Assessment Area Two Bonds

would need to ensure that subsequent transfers of the Assessment Area Two Bonds are made pursuant to a transaction that is not subject to the registration requirements of the Securities Act and applicable state securities laws.

### **Federal Tax Reform**

Various legislative proposals are mentioned from time to time by members of Congress of the United States of America and others concerning reform of the internal revenue (tax) laws of the United States. In addition, the IRS may, in the future, issue rulings that have the effect of challenging the interpretation of existing tax laws. Certain of these proposals and interpretations, if implemented or upheld, could have the effect of diminishing the value of obligations of states and their political subdivisions, such as the Assessment Area Two Bonds, by eliminating or changing the tax-exempt status of interest on such bonds. Whether any such proposals will ultimately become or be upheld as law, and if so, the effect such proposals could have upon the value of bonds such as the Assessment Area Two Bonds cannot be predicted. However, it is possible that any such law or interpretation could have a material and adverse effect upon the availability of a liquid secondary market and/or the value of the Assessment Area Two Bonds. Prospective purchasers of the Assessment Area Two Bonds should consult their tax advisors as to the impact of any proposed or pending legislation. See also "TAX MATTERS" herein.

### **State Tax Reform**

It is impossible to predict what new proposals may be presented regarding tax reform and/or community development districts during upcoming legislative sessions, whether such new proposals or any previous proposals regarding the same will be adopted by the Florida Senate and House of Representatives and signed by the Governor, and, if adopted, the form thereof. On October 31, 2014, the Auditor General of the State released a 31-page report which requests legislative action to establish parameters on the amount of bonds a community development district may issue and provide additional oversight for community development district bonds. This report renewed requests made by the Auditor General in 2011 that led to the Governor of the State issuing an Executive Order on January 11, 2012 (the "Executive Order") directing the Office of Policy and Budget in the Executive Office of the Governor ("OPB") to examine the role of special districts in the State. As of the date hereof, the OPB has not made any recommendations pursuant to the Executive Order nor has the Florida legislature passed any related legislation. It is impossible to predict with certainty the impact that any existing or future legislation will or may have on the security for the Assessment Area Two Bonds. It should be noted that Section 190.16(14) of the Act provides in pertinent part that "The state pledges to the holders of any bonds issued under the Act that it will not limit or alter the rights of the district to levy and collect the ... assessments... and to fulfill the terms of any agreement made with the holders of such bonds ... and that it will not impair the rights or remedies of such holders."

### **Insufficient Resources or Other Factors Causing Failure to Complete Development**

The cost to finish the Assessment Area Two Project will exceed the net proceeds from the Assessment Area Two Bonds. There can be no assurance, in the event the District does not have sufficient moneys on hand to complete the Assessment Area Two Project, that the District will be able to raise, through the issuance of additional bonds or otherwise, the moneys necessary to complete the Assessment Area Two Project. Further, the Indenture sets forth certain limitations on the issuance of additional bonds. See "SECURITY FOR AND SOURCE OF PAYMENT OF THE ASSESSMENT AREA TWO BONDS – Limitation on Issuance of Additional Bonds" for more information.

Although the [Landowner] will agree to fund or cause to be funded the completion of the Assessment Area Two Project regardless of the insufficiency of proceeds from the Assessment Area Two Bonds and will enter into a completion agreement with the District as evidence thereof, there can be no

assurance that the Landowner will have sufficient resources to do so. Such obligation of the Landowner is an unsecured obligation, and the Landowner is a special-purpose entity whose assets consist primarily of its interest in the Development. See "THE LANDOWNER" herein for more information.

There are no assurances that the Assessment Area Two Project and any other remaining development work associated with Assessment Area Two will be completed. The Builder Contract may be terminated by the Builder upon the occurrence or failure to occur of certain conditions set forth therein, and such failure to close may negatively impact completion of the development of Assessment Area Two. Further, there is a possibility that, even if Assessment Area Two is developed, the Builder may not construct or sale homes therein. See "THE DEVELOPMENT – The Builder Contract" herein for more information about the Builder and the Builder Contract.

### **Pandemics and Other Public Health Emergencies**

The COVID-19 pandemic severely impacted global financial markets, unemployment levels and commerce generally. It is possible that, in the future, the spread of epidemic or pandemic diseases and/or government health and public safety restrictions imposed in response thereto could adversely impact the District, the Landowner, the timely and successful completion of the Development, the purchase of land in Assessment Area Two by the Builder and the construction and sale to purchasers of residential units therein. Such impacts could include delays in obtaining development approvals, construction delays, supply chain delays, or increased costs. See also "Economic Conditions and Changes in Development Plans" and "Insufficient Resources or Other Factors Causing Failure to Complete Development" herein.

### **Cybersecurity**

The District relies on a technological environment to conduct its operations. The District, its agents and other third parties the District does business with or otherwise relies upon are subject to cyber threats including, but not limited to, hacking, viruses, malware and other attacks on computer and other sensitive digital networks and systems. Entities or individuals may attempt to gain unauthorized access to such parties' digital systems for the purposes of misappropriating assets or information or causing operational disruption and damage. No assurances can be given that any such attack(s) will not materially impact the operations or finances of the District, which could impact the timely payment of debt service on the Assessment Area Two Bonds.

### **Prepayment and Redemption Risk**

In addition to being subject to optional and mandatory sinking fund redemptions, the Assessment Area Two Bonds are subject to extraordinary mandatory redemption, including, without limitation, as a result of prepayments of the Assessment Area Two Special Assessments by the Landowner or subsequent owners of the property within Assessment Area Two. Any such redemptions of the Assessment Area Two Bonds would be at the principal amount of such Assessment Area Two Bonds being redeemed plus accrued interest to the date of redemption. In such event, owners of the Assessment Area Two Bonds may not realize their anticipated rate of return on the Assessment Area Two Bonds and owners of any Premium Bonds (as defined herein) may receive less than the price they paid for the Assessment Area Two Bonds. See "DESCRIPTION OF THE ASSESSMENT AREA TWO BONDS – Redemption Provisions," "– Purchase of Assessment Area Two Bonds" and "SECURITY FOR AND SOURCE OF PAYMENT OF THE ASSESSMENT AREA TWO BONDS – Prepayment of Assessment Area Two Special Assessments" herein for more information.

### **Payment of Assessment Area Two Special Assessments after Bank Foreclosure**

In the event a bank forecloses on property because of a default on a mortgage in favor of such bank on any of the assessable lands within the District, and then the bank itself fails, the Federal Deposit Insurance Corporation (the "FDIC"), as receiver, will then become the fee owner of such property. In such event, the FDIC will not, pursuant to its own rules and regulations, likely be liable to pay the Assessment Area Two Special Assessments levied on such property. In addition, the District would require the consent of the FDIC prior to commencing a foreclosure action.

## **THE DISTRICT**

### **General Information**

The District, which is the issuer of the Assessment Area Two Bonds, is a local unit of special purpose government of the State of Florida, created pursuant to the Uniform Community Development District Act of 1980, Chapter 190, Florida Statutes, as amended (the "Act"), and by Ordinance No. 21-1 of the Board of County Commissioners of Hillsborough County, Florida, adopted on and effective as of January 12, 2021. The District encompasses approximately 136.5 acres of land and is located in an unincorporated area of the County. The District Lands are being developed as a single-family residential subdivision. See "THE DEVELOPMENT" herein for more information.

### **Legal Powers and Authority**

The District is an independent unit of local government created pursuant to and established in accordance with the Act. The Act was enacted in 1980 to provide a uniform method for the establishment of independent districts to manage and finance basic community development services, including capital infrastructure required for community developments throughout the State of Florida. The Act provides legal authority for community development districts (such as the District) to finance the acquisition, construction, operation and maintenance of the major infrastructure for community development pursuant to its general law charter. The District is classified as an independent district under Chapter 189, Florida Statutes.

Among other provisions, the Act gives the District's Board of Supervisors the authority to, among other things: (a) plan, establish, acquire, construct or reconstruct, enlarge or extend, equip, operate and maintain systems and facilities for, among other things, (i) water management and control for lands within the District and to connect any of such facilities with roads and bridges, (ii) water supply, sewer and wastewater management, reclamation and reuse systems or any combination thereof and to construct and operate connecting intercept or outlet sewers and sewer mains and pipes and water mains, conduits, or pipelines in, along, and under any street, alley, highway, or other public place or ways, and to dispose of any effluent, residue, or other byproducts of such system or sewer system, (iii) District roads equal to or exceeding the specifications of the county in which such district roads are located and street lights, landscaping, hardscaping and undergrounding of electric utility lines, and (iv) with the consent of the local general-purpose government within the jurisdiction of which the power is to be exercised, parks and facilities for indoor and outdoor recreational uses and security; (b) borrow money and issue bonds of the District; (c) impose and foreclose special assessments liens as provided in the Act; and (d) exercise all other powers necessary, convenient, incidental or proper in connection with any of the powers or duties of the District stated in the Act.

The Act does not empower the District to adopt and enforce any land use plans or zoning ordinances and the Act does not empower the District to grant building permits; these functions are to be performed by general purpose local governments having jurisdiction over the lands within the District.

The Act exempts all property owned by the District from levy and sale by virtue of an execution and from judgment liens, but does not limit the right of any bondholders to pursue any remedy for enforcement of any lien or pledge of the District in connection with its bonds, including the Assessment Area Two Bonds.

### **Board of Supervisors**

The governing body of the District is its Board of Supervisors (the "Board"), which is composed of five Supervisors (the "Supervisors"). The Act provides that, at the initial meeting of the landowners, Supervisors must be elected by the landowners with the two Supervisors receiving the highest number of

votes to serve for four years and the remaining Supervisors to serve for a two-year term. Three of the five Supervisors are elected to the Board every two years in November. At such election, the two Supervisors receiving the highest number of votes are elected to four-year terms and the remaining Supervisor is elected to a two-year term. Ownership of the land within the District entitles the owner to one vote per acre (with fractions thereof rounded upward to the nearest whole number and, for purposes of determining voting interests, platted lots shall be counted individually and rounded up to the nearest whole acre and shall not be aggregated for determining the number of voting units held). Upon the later of six (6) years after the initial appointment of Supervisors or the year in which there are at least 250 qualified electors in the District, the Supervisors whose terms are expiring will be elected (as their terms expire) by qualified electors of the District, except as described below. A qualified elector is a registered voter who is at least eighteen years of age, a resident of the District and the State of Florida and a citizen of the United States. At the election where Supervisors are first elected by qualified electors, two Supervisors must be qualified electors and be elected by qualified electors, both to four-year terms. Thereafter, as terms expire, all Supervisors must be qualified electors and are elected to serve four-year terms. If there is a vacancy on the Board, whether as a result of the resignation or removal of a Supervisor or because no elector qualifies for a seat to be filled in an election, the remaining Board members are to fill such vacancy for the unexpired term.

Notwithstanding the foregoing, if at any time the Board proposes to exercise its ad valorem taxing power, prior to the exercise of such power, it shall call an election at which all Supervisors shall be qualified electors and shall be elected by qualified electors in the District. Elections subsequent to such decision shall be held in a manner such that the Supervisors will serve four-year terms with staggered expiration dates in the manner set forth in the Act.

The Act provides that it shall not be an impermissible conflict of interest under Florida law governing public officials for a Supervisor to be a stockholder, officer or employee of a landowner or of any entity affiliated with a landowner. The Landowner currently owns all of the District Lands within Assessment Area Two. The remainder of the District Lands are owned by the Eisenhower Property Group, Inc.

The current members of the Board and the expiration of the term of each member are set forth below.

<u>Name</u>	<u>Title</u>	<u>Term Expires</u>
Kelly Evans	Chairperson	November 2026
Carlos de la Ossa*	Vice-Chairperson	November 2026
Lori Campagna	Assistant Secretary	November 2024
Nicholas Dister*	Assistant Secretary	November 2024
Ryan Motko*	Assistant Secretary	November 2024

\* Employee of, or affiliated with, the Landowner.

A majority of the members of the Board constitutes a quorum for the purposes of conducting its business and exercising its powers and for all other purposes. Action taken by the District shall be upon a vote of a majority of the members present unless general law or a rule of the District requires a greater number. All meetings of the Board are open to the public under Florida's open meeting or "Sunshine" law.

### **The District Manager and Other Consultants**

The chief administrative official of the District is the District Manager (as hereinafter defined). The Act provides that a district manager has charge and supervision of the works of the District and is responsible for preserving and maintaining any improvement or facility constructed or erected pursuant to

the provisions of the Act, for maintaining and operating the equipment owned by the District, and for performing such other duties as may be prescribed by the Board.

The District has retained Inframark, LLC to serve as its district manager ("District Manager"). The District Manager's office is located at 2005 Pan Am Circle, Suite #300, Tampa, Florida 33607, telephone number (813) 397-5121.

The Act further authorizes the Board to hire such employees and agents as it deems necessary. Thus, the District has employed the services of GrayRobinson, P.A., Tampa, Florida, as Bond and Disclosure Counsel; Stantec Consulting Services, Inc., Tampa, Florida, as Consulting Engineer; and Straley Robin Vericker P.A., Tampa, Florida, as District Counsel. The Board has also retained the District Manager to serve as Methodology Consultant and Dissemination Agent for the Assessment Area Two Bonds.

### **Outstanding Bond Indebtedness**

On June 15, 2021, the District issued its Special Assessment Bonds, Series 2021 (Assessment Area One) (the "Assessment Area One Bonds") in the original aggregate principal amount of \$5,885,000, \$5,640,000 of which was outstanding as of October 31, 2023. The Assessment Area One Bonds are secured by the Assessment Area One Special Assessments levied on lands within Assessment Area One of the District, which lands are separate and distinct from the land subject to the Assessment Area Two Special Assessments securing the Assessment Area Two Bonds.

**THE CAPITAL IMPROVEMENT PLAN AND THE ASSESSMENT AREA TWO PROJECT**

The Report of the District Engineer, Capital Improvement Revenue Bonds, Series 2023, dated [November 2, 2023] (the "Engineer's Report"), prepared by Stantec Consulting Services, Inc. (the "District Engineer"), sets forth certain public infrastructure improvements to be constructed in the District, including without limitation stormwater management system, roadways, water and sewer facilities and off-site improvements (collectively, the "Capital Improvement Plan" or the "CIP").

The District Lands consist of approximately 136.5 gross acres of land, which are being developed in phases. The District previously issued its Assessment Area One Bonds to finance a portion of the Assessment Area One Project, which consists of the public infrastructure improvements associated with the 242 lots planned for Phase One and Phase Two of land development (collectively, "Assessment Area One"). The Assessment Area One Project is [substantially complete]. See "THE DEVELOPMENT – Update on Assessment Area One" herein for more information.

The next phase of development corresponds to Phase [Four], which contains approximately [\_\_\_\_] acres planned for 46 residential units ("Assessment Area Two"). The Assessment Area Two Bonds will finance a portion of the public infrastructure improvements associated with Assessment Area Two (the "Assessment Area Two Project"). According to the District Engineer, the public infrastructure costs associated with the development of Assessment Area Two are approximately \$\_\_\_\_\_, as more particularly described below:

<b>Assessment Area Two Project</b>	<b>Estimated Costs</b>
Water Management and Control	\$ _____
Roads	_____
Water Supply	_____
Sewer and Wastewater Management	_____
Landscape/Hardscape/Irrigation	_____

<b>Totals</b>	<b>\$ _____</b>

Land development associated with Assessment Area Two will commence in \_\_\_\_\_ and is expected to be completed by \_\_\_\_\_. The net proceeds of Assessment Area Two Bonds in the approximate amount of \$832,665\* will be used by the District towards the funding and/or acquisition of a portion of the Assessment Area Two Project. [The Landowner will enter into a completion agreement at closing on the Assessment Area Two Bonds that will obligate the Landowner to complete any portions of the Assessment Area Two Project not funded with proceeds of the Assessment Area Two Bonds.] See "BONDOWNERS' RISKS – Insufficient Resources or Other Factors Causing Failure to Complete Development" herein.

The District Engineer has indicated that all engineering permits necessary to construct the Assessment Area Two Project that are set forth in the Engineer's Report have been obtained or will be obtained in the ordinary course of business. In addition to the Engineer's Report, please refer to "THE

DEVELOPMENT – Development Approvals" for a more detailed description of the entitlement and permitting status of the Development.

See "APPENDIX A: ENGINEER'S REPORT" for more information regarding the above improvements.

**ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS**

Inframark, LLC, a Texas limited liability company (the "Methodology Consultant"), has prepared the Master Assessment Methodology Report, dated [March 4, 2021], as supplemented by the Second Supplemental Assessment Methodology Report – Assessment Area Two dated [November 2], 2023 and included herein as APPENDIX E (collectively, the "Assessment Methodology"). The Assessment Methodology sets forth an overall method for allocating the Assessment Area Two Special Assessments to be levied against the lands within the District benefited by the Assessment Area Two Project and collected by the District as a result thereof. Once the final terms of the Assessment Area Two Bonds are determined, the Assessment Methodology will be revised to reflect such final terms. Once levied and imposed, the Assessment Area Two Special Assessments are a first lien on the land against which assessed until paid or barred by operation of law, co-equal with other taxes and assessments levied by the District, including the operation and maintenance assessments, and other units of government. See "ENFORCEMENT OF ASSESSMENT COLLECTIONS" herein.

The Assessment Area Two Bonds are payable from and secured solely from the Assessment Area Two Pledged Revenues, which consists primarily of the revenues received by the District from the Assessment Area Two Special Assessments. The Assessment Area Two Special Assessments will initially be levied on an equal-acre basis across approximately [\_\_\_\_\_] gross acres in Assessment Area Two and will be allocated to individual lots upon platting, in accordance with the Assessment Methodology; provided, however, that if land is sold in bulk to a third party prior to platting, then the District will assign Assessment Area Two Special Assessments based upon the development rights conveyed and/or assigned to such parcel in the land sale based on the equivalent assessment unit (EAU) factors set forth in the Assessment Methodology. See "APPENDIX E: ASSESSMENT METHODOLOGY."

Upon platting of Assessment Area Two, the estimated Assessment Area Two Special Assessments levied to pay debt service on the Assessment Area Two Bonds, along with the total estimated Assessment Area Two Bond par amount allocated per unit, is expected to be as follows:

<b>Product</b>	<b>Planned Units</b>	<b>Annual Assessment Area Two Special Assessment*</b>	<b>Assessment Area Two Bonds Total Par Per Unit*</b>
Single-Family 50'	30	\$1,625	\$20,691
Single-Family 60'	<u>16</u>	\$1,950	\$24,829
Total	46		

\* Preliminary, subject to change. Annual assessment levels shown assume collection via the Uniform Method and will be grossed up to account for fees of the Property Appraiser and Tax Collector and the statutory early payment discount, currently 6%.

Each homeowner in the District will pay annual taxes, assessment and fees on an ongoing basis as a result of its ownership of property within the District, including local ad valorem property taxes, the maintenance and operating assessments to be levied by the District, and the homeowners' association assessments to be levied by the homeowners' association. The District anticipates levying assessments to cover its operation and administrative costs in the Fiscal Year ending 2023 that will be approximately \$900 per fifty-foot lot and \$[\_\_\_\_\_] per sixty-foot lot annually, which amounts are subject to change. The land within the District has been and is expected to continue to be subject to taxes and assessments imposed by taxing authorities other than the District. The total ad valorem millage rate applicable to the District Lands in tax year [2023] was approximately [\_\_\_\_\_] mills. These taxes would be payable in addition to the Assessment Area Two Special Assessments and any other assessments levied by the District and other

taxing authorities. In addition, exclusive of voter approved millages levied for general obligation bonds, as to which no limit applies, the County and the School District of Hillsborough County, Florida may each levy ad valorem taxes upon the land in the District. The District has no control over the level of ad valorem taxes and/or special assessments levied by other taxing authorities. It is possible that in future years taxes levied by these other entities could be substantially higher than in the current year. See "BONDOWNERS' RISKS" and "THE DEVELOPMENT – Taxes, Fees and Assessments" for more information, including proposed associations' assessments.

## **THE DEVELOPMENT**

### **General**

The District Lands encompass approximately 136.5 gross acres located entirely within an unincorporated area of southern Hillsborough County known as Riverview and are being developed as a residential community to be known as "South Creek" (the "Development"). At buildout, the Development is planned to contain approximately [288] residential units, together with various amenities. The Development is located along U.S. Highway 301, just south of County Road 672 East (Big Bend Road). The Development is an infill area in the southern part of the County and adjacent to the Belmont community, which [is being / was] developed and constructed by the Builder. Belmont achieved [\_\_\_\_] home closings in 2022, and nearby SouthShore Bay and South Fork achieved annual home closings of [\_\_\_\_] homes and [\_\_\_\_] homes, respectively, in 2022.

The District Lands consist of approximately 136.5 gross acres of land, which are being developed in phases. The District previously issued its Assessment Area One Bonds to finance a portion of the Assessment Area One Project, which consists of the public infrastructure improvements associated with the 242 lots planned for Phase One and Phase Two of land development (collectively, "Assessment Area One"). The Assessment Area One Project is [substantially complete]. See "- Update on Assessment Area One" herein for more information.

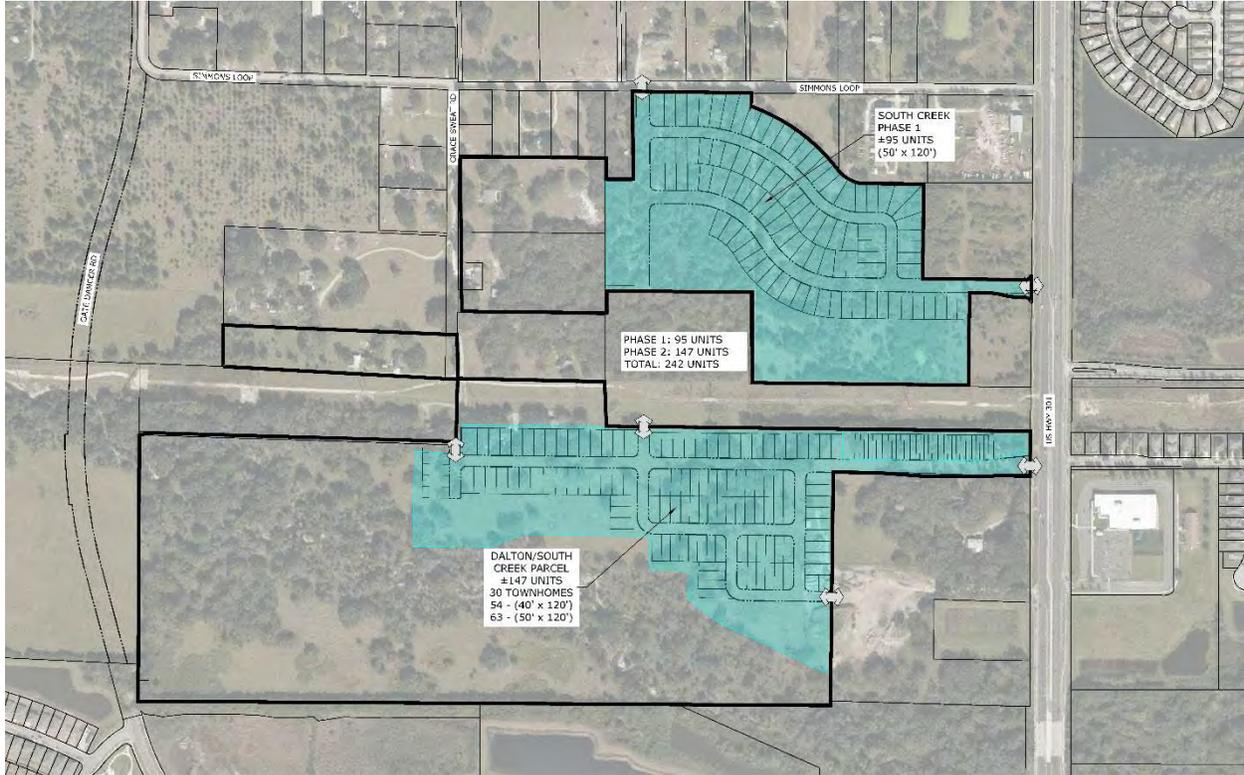

The next phase of development corresponds to Phase [Four], which contains approximately [\_\_\_\_] acres of land planned for 46 residential units ("Assessment Area Two"). The Assessment Area Two Bonds will finance a portion of the public infrastructure improvements associated with Assessment Area Two (the "Assessment Area Two Project"). The Assessment Area Two Bonds will be secured by the Assessment Area Two Special Assessments, which will initially be levied on the [\_\_\_\_] acres within Assessment Area Two. As lots are platted, the Assessment Area Two Special Assessments will be assigned to the 46 lots planned for Assessment Area Two on a first-platted, first-assigned basis. See "ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS" herein for more information.

Simmons East, LLC, a Florida limited liability company (the "Landowner"), currently owns the land within Assessment Area Two. The Landowner has entered into a lot purchase agreement with Lennar Homes, LLC, a Florida limited liability company (the "Builder") for the sale of all 46 lots planned Assessment Area Two in a single, bulk sale of undeveloped land, which is expected to occur shortly after closing on the Assessment Area Two Bonds. See "THE LANDOWNER" and "-The Builder Contract" herein for more information.

At buildout, Assessment Area Two is expected to contain 46 residential units, consisting of (i) 30 single-family detached units on fifty-foot wide lots and (ii) 16 single-family detached units on sixty-foot wide lots. Homes will range in size from approximately [\_\_\_\_\_] square feet to [\_\_\_\_\_] square feet

and starting price points will range from approximately \$[\_\_\_\_\_] to \$[\_\_\_\_\_]. The Development will target first-time homebuyers and move-up buyers.

Set forth below is a map that shows the district boundaries outlined in black and the planned lots in Assessment Area Two, respectively. [to be updated]

### Update on Assessment Area One

The District previously issued its Assessment Area One Bonds to finance a portion of the Assessment Area One Project, which consists of the public infrastructure improvements associated with the 242 lots planned for Phase One and Phase Two of land development (collectively, "Assessment Area One"). The Assessment Area One Project is complete, and all 242 lots have been developed and platted. The Builder is serving as the homebuilder and developer for Assessment Area One. As of October 31, 2023, 241 homes have sold and closed with end users. The Builder owns all lots that have not closed with end users.

### Land Acquisition and Finance Plan

The Landowner and its affiliates acquired the land within Assessment Area Two on [\_\_\_\_\_]. [Describe any mortgages]

[On or about November 20, 2019, the Builder closed on the purchase of Phase 1 of Assessment Area One for a purchase price of \$3,069,100. On May 21, 2021, the Builder closed on Phase 2 of Assessment Area One, planned for 147 units, for a purchase price of approximately \$8,407,273.55.]

The net proceeds of the Assessment Area Two Bonds will be approximately \$832,665,\* and such proceeds will be used to construct and/or acquire a portion of the Assessment Area Two Project. As of [\_\_\_\_\_, 2023], approximately \$[\_\_\_\_\_] has been spent on soft costs associated with Assessment Area Two. Additional moneys needed to complete the development of Assessment Area Two are expected to be paid for [by the Builder following its acquisition of the land within Assessment Area Two]. The Landowner will enter into a completion agreement at closing on the Assessment Area Two Bonds that will obligate the Landowner to complete any portions of the Assessment Area Two Project not funded with proceeds of the Assessment Area Two Bonds [discuss assignment?]. See "BONDOWNERS' RISKS – Insufficient Resources or Other Factors Causing Failure to Complete Development" herein.

### **Development Plan and Status**

The Builder is under contract to close on the land within Assessment Area Two in a single bulk closing of undeveloped land shortly after closing on the Assessment Area Two Bonds. Land development associated with Assessment Area Two is expected to begin shortly thereafter in [\_\_\_\_\_] and is expected to be completed by [\_\_\_\_\_] , at which point sales and vertical construction will commence.

The Development has a model home / on-site sales center that opened in [June 2021]. The Landowner anticipates that the Builder will deliver [\_\_\_] homes in Assessment Area Two to end users per annum commencing in [\_\_\_\_\_] until buildout. This anticipated absorption is based upon estimates and assumptions made by the Landowner that are inherently uncertain, though considered reasonable by the Landowner, and are subject to significant business, economic, and competitive uncertainties and contingencies, all of which are difficult to predict and many of which are beyond the control of the Landowner. As a result, there can be no assurance such absorption rate will occur or be realized in the time frame anticipated.

### **The Builder Contract**

The Landowner has entered into the Builder Contract with Lennar Homes, LLC, a Florida limited liability company (the "Builder") for the sale of all 46 lots undeveloped in a single bulk closing shortly after closing of the Assessment Area Two Bonds. The total expected consideration for the sale of such 46 lots is \$[\_\_\_\_\_]. The closing is anticipated to occur on or about [\_\_\_\_\_]. [SUMMARY TO COME]

### **Residential Product Offerings**

The target customers for units within the Development are first-time homebuyers and move-up buyers. Below is a summary of the expected types of units and price points for units in the Development.

The land within Assessment Area Two of the District is zoned to allow for the contemplated residential uses described herein. All permits have been received by jurisdictional agencies to allow for the development contemplated herein or are reasonably expected to be received in the ordinary course.

**Environmental**

[Review / update for Assessment Area Two] Phase I Environmental Site Assessments were performed in August 2019 and September 2020 (the "ESAs"), covering the land in [Assessment Area One]. The ESA revealed no Recognized Environmental Conditions in connection with the subject lands. See "BONDOWNERS' RISK – Regulatory and Environmental Risks" herein for more information regarding potential environmental risks.

**Amenities**

The Development is planned to contain an approximately 2,300 square foot clubhouse, fitness center, resort-style pool, playground, and dog park (collectively, the "Amenities"). Construction of the Amenity [is complete/expected to be completed by \_\_\_\_\_] at a total approximate cost of [\$1.5 million].

**Utilities**

Potable water, wastewater treatment and reclaimed wastewater (reuse services) for the Development are expected to be provided by the County. Electric power is expected to be provided by TECO. All utility services are available to the Development.

**Taxes, Fees and Assessments**

As set forth in the Assessment Methodology, the Assessment Area Two Special Assessments are initially levied on [\_\_\_\_\_] gross acres within Assessment Area Two until such time the lots are platted. Once the land within Assessment Area Two is platted, the Assessment Area Two Special Assessments will be assigned to the platted lots in Assessment Area Two in accordance with the Assessment Methodology. See "ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS" herein.

Upon platting of Assessment Area Two, the estimated Assessment Area Two Special Assessments levied to pay debt service on the Assessment Area Two Bonds, along with the total estimated Assessment Area Two Bond par amount allocated per unit, is expected to be as follows:

\* Preliminary, subject to change. Annual assessment levels shown assume collection via the Uniform Method and will be grossed up to account for fees of the Property Appraiser and Tax Collector and the statutory early payment discount, currently 6%.

The District expects to levy assessments to cover its operation and administrative costs in the Fiscal Year ending 2023 in the amount of approximately \$900 per fifty-foot lot annually, which amounts are subject to change and which are based on lot size. In addition, residents will be required to pay homeowner's association fees which are initial expected to be [\$150] annually, which is subject to change. The land within the District has been and is expected to continue to be subject to taxes and assessments imposed by taxing authorities other than the District. The total millage rate imposed on taxable properties in the District in [2023] was approximately [\_\_\_\_\_] mills. These taxes would be payable in addition to the Assessment Area Two Special Assessments and any other assessments levied by the District, and are subject to change. In addition, exclusive of voter approved millages levied for general obligation bonds, as to which no limit applies, the County and the School District of Hillsborough County, Florida may each levy ad valorem taxes upon the land in the District. The District has no control over the level of ad valorem taxes and/or special assessments levied by other taxing authorities. It is possible that in future years taxes levied by these other entities could be substantially higher than in the current year.

### **Education**

The public schools for children residing in the Development are expected to be Doby Elementary School, Eisenhower Middle School and East Bay Senior High School, which are located approximately 4.4 miles, 3.7 miles, and 3.5 miles from the Development, respectively, and which were rated B, C and C, respectively, by the Florida Department of Education in [2022]. The Hillsborough County School Board may change school boundaries from time to time and there is no requirement that students residing in the Development be permitted to attend the schools which are closest to the Development.

### **Competition**

The following communities have been identified by the Landowner as being competitive with the Development, because of their proximity to the Development, price ranges and product types. Those communities include Hawkstone, Triple Creek, Balm Grove, Belmont Reserve, Sherwood Manor, and Southshore Bay. The foregoing does not purport to summarize all of the existing or planned communities in the area of the Development.

### **Landowner Agreements**

The [Landowner] will enter into a completion agreement that will obligate the Landowner to complete any portions of the Assessment Area Two Project not funded with proceeds of the Assessment Area Two Bonds.

In addition, the Landowner will execute and deliver to the District a Collateral Assignment and Assumption of Development Rights (the "Collateral Assignment"), pursuant to which the Landowner will

collaterally assign to the District, to the extent assignable and to the extent that they are solely owned or controlled by the Landowner, development rights relating to the Assessment Area Two Project. That said, the Builder has previously granted similar rights ("Prior Collateral Assignment") in connection with the issuance of the Assessment Area One Bonds, and such rights under such Prior Collateral Assignment are superior to and may take priority over the rights granted under the Collateral Assignment. In addition, any mortgagees or the Builder may have certain development rights and other rights assigned to it under the terms of their mortgage or Builder Contract relating to Assessment Area Two, which may be superior to such rights that might otherwise be assigned to the District under the terms of the Collateral Assignment. Notwithstanding such Collateral Assignment, in the event the District forecloses on the lands subject to the Assessment Area Two Special Assessments as a result of a Landowner's or subsequent landowners' failure to pay such assessments, there is a risk that the District, or its designee, if any, will not have all of the permits and entitlements necessary to complete the Assessment Area Two Project or the development of Assessment Area Two.

Finally, the Landowner will also enter into a True-Up Agreement in connection with its obligations to pay true-up payments in the event that debt levels remaining on unplatted lands in the Assessment Area Two increase above the maximum debt levels set forth in the Assessment Methodology. See "APPENDIX E: ASSESSMENT METHODOLOGY" herein for additional information regarding the "true-up mechanism."

Such obligations of the Landowner are unsecured obligations, and the Landowner is a special-purpose entity whose assets consist primarily of its interests in the Assessment Area Two. See "BONDOWNERS' RISKS – Insufficient Resources or Other Factors Causing Failure to Complete Development" and "THE LANDOWNER" herein for more information regarding the Landowner.

## **TAX MATTERS**

### **Federal Income Taxes**

The delivery of the Assessment Area Two Bonds is subject to the opinion of GrayRobinson, P.A., Bond Counsel, to the effect that the interest on the Assessment Area Two Bonds is excluded from gross income of the owners thereof for federal income tax purposes. The Internal Revenue Code of 1986, as amended (the "Code"), imposes certain requirements that must be met subsequent to the issuance and delivery of the Assessment Area Two Bonds for interest thereon to be and remain excluded from gross income for federal income tax purposes. Noncompliance with such requirements could cause the interest on the Assessment Area Two Bonds to be included in gross income for federal income tax purposes retroactive to the date of issue of the Assessment Area Two Bonds. Pursuant to the Indenture and the Tax Certificate, the District has covenanted to comply with the applicable requirements of the Code in order to maintain the exclusion of the interest on the Assessment Area Two Bonds from gross income for federal income tax purposes pursuant to Section 103 of the Code. The opinion of Bond Counsel on federal tax matters with respect to the Assessment Area Two Bonds will be based on and will assume the accuracy of certain representations and certifications of the District [and the Landowner/Developer], and compliance with certain covenants of the District to be contained in the transcript of proceedings. Bond Counsel will not independently verify the accuracy of those certifications and representations.

In the opinion of Bond Counsel, under existing law and assuming compliance with the aforementioned covenant, and the accuracy of certain representations and certifications made by the District described above, interest on the Assessment Area Two Bonds is excluded from gross income for federal income tax purposes under Section 103 of the Code. Bond Counsel, is also of the opinion that such interest is not treated as a preference item in calculating the alternative minimum tax imposed under the Code. However, for taxable years beginning after December 31, 2022, interest on the Assessment Area Two Bonds will be taken into account in computing the alternative minimum tax imposed on certain corporations under the Code to the extent that such interest is included in the "adjusted financial statement income" of such corporations.

### **State Taxes**

Bond Counsel is of the opinion that the Assessment Area Two Bonds and the interest thereon will not be subject to taxation under the laws of the State, except estate taxes and taxes under Chapter 220, Florida Statutes, as amended, on interest, income or profits on debt obligations owned by corporations as defined therein. Bond Counsel expresses no opinion as to other State or local tax consequences arising with respect to the Assessment Area Two Bonds or as to the taxability of the Assessment Area Two Bonds or the income therefrom under the laws of any state other than the State.

### **[Original Issue Discount and Premium Bonds]**

[Certain of the Assessment Area Two Bonds ("Discount Bonds") may be offered and sold to the public at an original issue discount ("OID"). OID is the excess of the stated redemption price at maturity (the principal amount) over the "issue price" of a Discount Bond determined under Code Section 1273 or 1274 (i.e., for obligations issued for money in a public offering, the initial offering price to the public (other than to bond houses and brokers) at which a substantial amount of the obligation of the same maturity is

sold pursuant to that offering). For federal income tax purposes, OID accrues to the owner of a Discount Bond over the period to maturity based on the constant yield method, compounded semiannually (or over a shorter permitted compounding interval selected by the owner). The portion of OID that accrues during the period of ownership of a Discount Bond (i) is interest excludable from the owner's gross income for federal income tax purposes to the same extent, and subject to the same considerations discussed above, as other interest on the Assessment Area Two Bonds, and (ii) is added to the owner's tax basis for purposes of determining gain or loss on the maturity, redemption, prior sale or other disposition of that Discount Bond.

Certain of the Assessment Area Two Bonds ("Premium Bonds") may be offered and sold to the public at a price in excess of their stated redemption price (the principal amount) at maturity (or earlier for certain Premium Bonds callable prior to maturity). That excess constitutes bond premium. For federal income tax purposes, bond premium is amortized over the period to maturity of a Premium Bond, based on the yield to maturity of that Premium Bond (or, in the case of a Premium Bond callable prior to its stated maturity, the amortization period and yield may be required to be determined on the basis of an earlier call date that results in the lowest yield on that Premium Bond), compounded semiannually (or over a shorter permitted compounding interval selected by the owner). No portion of that bond premium is deductible by the owner of a Premium Bond. For purposes of determining the owner's gain or loss on the sale, redemption (including redemption at maturity) or other disposition of a Premium Bond, the owner's tax basis in the Premium Bond is reduced by the amount of bond premium that accrues during the period of ownership. As a result, an owner may realize taxable gain for federal income tax purposes from the sale or other disposition of a Premium Bond for an amount equal to or less than the amount paid by the owner for that Premium Bond.

Owners of Discount and Premium Bonds should consult their own tax advisers as to the determination for federal income tax purposes of the amount of OID or bond premium properly accruable in any period with respect to the Discount or Premium Bonds and as to other federal tax consequences, and the treatment of OID and bond premium for purposes of state and local taxes on, or based on, income.]

### **Ancillary Tax Matters**

Ownership of the Assessment Area Two Bonds may result in other federal tax consequences to certain taxpayers, including, without limitation, certain S corporations, foreign corporations with branches in the United States, property and casualty insurance companies, individuals receiving Social Security or Railroad Retirement benefits, individuals seeking to claim the earned income credit, and taxpayers (including banks, thrift institutions and other financial institutions) who may be deemed to have incurred or continued indebtedness to purchase or to carry the Assessment Area Two Bonds. Prospective investors are advised to consult their own tax advisors regarding these rules.

Interest paid on tax-exempt obligations such as the Assessment Area Two Bonds is subject to information reporting to the IRS in a manner similar to interest paid on taxable obligations. In addition, interest on the Assessment Area Two Bonds may be subject to backup withholding if such interest is paid to a registered owner that (a) fails to provide certain identifying information (such as the registered owner's taxpayer identification number) in the manner required by the IRS, or (b) has been identified by the IRS as being subject to backup withholding.

Bond Counsel is not rendering any opinion as to any federal tax matters other than those described in the opinions attached as APPENDIX C. Prospective investors, particularly those who may be subject to special rules described above, are advised to consult their own tax advisors regarding the federal tax consequences of owning and disposing of the Assessment Area Two Bonds, as well as any tax consequences arising under the laws of any state or other taxing jurisdiction.

## **Changes in Law and Post Issuance Events**

Legislative or administrative actions and court decisions, at either the federal or state level, could have an adverse impact on the potential benefits of the exclusion from gross income of the interest on the Assessment Area Two Bonds for federal or state income tax purposes, and thus on the value or marketability of the Assessment Area Two Bonds. This could result from changes to federal or state income tax rates, changes in the structure of federal or state income taxes (including replacement with another type of tax), repeal of the exclusion of the interest on the Assessment Area Two Bonds from gross income for federal or state income tax purposes, or otherwise. It is not possible to predict whether any legislative or administrative actions or court decisions having an adverse impact on the federal or state income tax treatment of holders of the Assessment Area Two Bonds may occur. Prospective purchasers of the Assessment Area Two Bonds should consult their own tax advisors regarding the impact of any change in law on the Assessment Area Two Bonds.

Bond Counsel's opinions will be based on existing law, which is subject to change. Bond Counsel has not undertaken to advise in the future whether any events after the date of issuance and delivery of the Assessment Area Two Bonds may affect the tax status of interest on the Assessment Area Two Bonds. Bond Counsel expresses no opinion as to any federal, state or local tax law consequences with respect to the Assessment Area Two Bonds, or the interest thereon, if any action is taken with respect to the Assessment Area Two Bonds or the proceeds thereof upon the advice or approval of other counsel. Moreover, the opinions of Bond Counsel are not a guarantee of a particular result and are not binding on the IRS or the courts; rather, such opinions represent Bond Counsel's professional judgment based on its review of existing law, and in reliance on the representations and covenants that it deems relevant to such opinions.

### **AGREEMENT BY THE STATE**

Under the Act, the State of Florida pledges to the holders of any bonds issued thereunder, including the Assessment Area Two Bonds, that it will not limit or alter the rights of the District to own, acquire, construct, reconstruct, improve, maintain, operate or furnish the projects subject to the Act or to levy and collect taxes, assessments, rentals, rates, fees, and other charges provided for in the Act and to fulfill the terms of any agreement made with the holders of such bonds and that it will not in any way impair the rights or remedies of such holders.

### **LEGALITY FOR INVESTMENT**

The Act provides that the Assessment Area Two Bonds are legal investments for savings banks, banks, trust companies, insurance companies, executors, administrators, trustees, guardians, and other fiduciaries, and for any board, body, agency, instrumentality, county, municipality or other political subdivision of the State of Florida, and constitute securities which may be deposited by banks or trust companies as security for deposits of state, county, municipal or other public funds, or by insurance companies as required or voluntary statutory deposits.

### **SUITABILITY FOR INVESTMENT**

In accordance with applicable provisions of Florida law, the Assessment Area Two Bonds may initially be sold by the District only to "accredited investors" within the meaning of Chapter 517, Florida Statutes and the rules promulgated thereunder. The limitation of the initial offering to "accredited investors" does not denote restrictions on transfers in any secondary market for the Assessment Area Two Bonds. Investment in the Assessment Area Two Bonds poses certain economic risks. No dealer, broker, salesperson

or other person has been authorized by the District or the Underwriter to give any information or make any representations, other than those contained in this Limited Offering Memorandum.

### **ENFORCEABILITY OF REMEDIES**

The remedies available to the Owners of the Assessment Area Two Bonds upon an event of default under the Indenture are in many respects dependent upon judicial actions which are often subject to discretion and delay. Under existing constitutional and statutory law and judicial decisions, including the federal bankruptcy code, the remedies specified by the Indenture and the Assessment Area Two Bonds may not be readily available or may be limited. The various legal opinions to be delivered concurrently with the delivery of the Assessment Area Two Bonds will be qualified as to the enforceability of the remedies provided in the various legal instruments, by limitations imposed by bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors enacted before or after such delivery.

### **LITIGATION**

#### **The District**

There is no litigation of any nature now pending or, to the knowledge of the District threatened, seeking to restrain or enjoin the issuance, sale, execution or delivery of the Assessment Area Two Bonds, or in any way contesting or affecting (i) the validity of the Assessment Area Two Bonds or any proceedings of the District taken with respect to the issuance or sale thereof, (ii) the pledge or application of any moneys or security provided for the payment of the Assessment Area Two Bonds, (iii) the existence or powers of the District or (iv) the validity of the Assessment Proceedings.

#### **The Landowner**

The Landowner has represented that there is no litigation of any nature now pending or, to its knowledge, threatened, which could reasonably be expected to have a material and adverse effect upon the ability of the Landowner to complete the development of Assessment Area Two or to complete the Assessment Area Two Project as described herein, or materially and adversely affect the ability of such entity to pay the Assessment Area Two Special Assessments imposed against the land within Assessment Area Two owned by the Landowner, or to otherwise perform its obligations described in this Limited Offering Memorandum.

### **CONTINGENT FEES**

The District has retained Bond Counsel, Disclosure Counsel, District Counsel, the Consulting Engineer, the District Manager/Methodology Consultant, the Underwriter (who has retained Underwriter's Counsel) and the Trustee (which has retained Trustee's counsel), with respect to the authorization, sale, execution and delivery of the Assessment Area Two Bonds. Except for the payment of certain fees to District Counsel, the Consulting Engineer and the District Manager, the payment of fees of the other professionals is each contingent upon the issuance of the Assessment Area Two Bonds.

### **NO RATING**

No application for a rating for the Assessment Area Two Bonds has been made to any rating agency, nor is there any reason to believe that an investment grade rating for the Assessment Area Two Bonds would have been obtained if application had been made.

## **EXPERTS**

The Engineer's Report included in APPENDIX A to this Limited Offering Memorandum has been prepared by Stantec Consulting Services, Inc., Tampa, Florida, the Consulting Engineer. APPENDIX A should be read in its entirety for complete information with respect to the subjects discussed therein. ## **FINANCIAL INFORMATION**

This District will covenant in a Continuing Disclosure Agreement, the proposed form of which is set forth in APPENDIX D hereto, to provide its annual audited financial statements to certain information repositories as described in APPENDIX D, commencing with the audit for the District fiscal year ended September 30, 2023. Attached hereto as APPENDIX F is a copy of the District's audited financial statements for the District's fiscal year ended September 30, 2022, as well as the District's unaudited monthly financial statements for the period ended [\_\_\_\_\_], 2023. Such financial statements, including the auditor's report included within the audited financial statements, have been included in this Limited Offering Memorandum as public documents and consent from the auditor was not requested. Further, the auditors have not performed any services related to, and therefore are not associated with, the preparation of this Limited Offering Memorandum. The Assessment Area Two Bonds are not general obligation bonds of the District and are payable solely from the Assessment Area Two Pledged Revenues.

Beginning October 1, 2015, or by the end of the first full fiscal year after its creation, each community development district in Florida must have a separate website with certain information as set forth in Section 189.069, F.S., including, without limitation, the district's proposed and final budgets and audit. Additional information regarding the District's website is available from the District Manager at the address set forth under "THE DISTRICT – The District Manager and Other Consultants."

## **DISCLOSURE REQUIRED BY FLORIDA BLUE SKY REGULATIONS**

Section 517.051, Florida Statutes, and the regulations promulgated thereunder requires that the District make a full and fair disclosure of any bonds or other debt obligations that it has issued or guaranteed and that are or have been in default as to principal or interest at any time after December 31, 1975 (including bonds or other debt obligations for which it has served only as a conduit issuer such as industrial development or private activity bonds issued on behalf of private business). The District is not and has never been in default as to principal and interest on its bonds or other debt obligations.

## **CONTINUING DISCLOSURE**

The District and the Landowner will enter into a Continuing Disclosure Agreement (the "Disclosure Agreement") in the proposed form of APPENDIX D, for the benefit of the Assessment Area Two Bondholders (including owners of beneficial interests in such Assessment Area Two Bonds), to provide certain financial information and operating data relating to the District and the Development by certain dates prescribed in the Disclosure Agreement (the "Reports") with the MSRB through the MSRB's EMMA system. The specific nature of the information to be contained in the Reports is set forth in "APPENDIX D: PROPOSED FORM OF CONTINUING DISCLOSURE AGREEMENT." Under certain circumstances, the failure of the District or the Landowner to comply with their respective obligations under the Disclosure Agreement constitutes an event of default thereunder. Such a default will not constitute an event of default under the Indenture, but such event of default under the Disclosure Agreement would allow the Assessment

Area Two Bondholders (including owners of beneficial interests in such Assessment Area Two Bonds) to bring an action for specific performance.

The District has previously entered into a continuing disclosure undertaking pursuant to Rule 15c2-12, promulgated under the Securities Exchange Act of 1934, as amended (the "Rule"), with respect to its Assessment Area One Bonds. A review of filings made pursuant to such prior undertaking[s] indicates that certain filings required to be made by the District were not timely filed and that notice of such late filings was not provided. The District will appoint Inframark, LLC as the dissemination agent in the Disclosure Agreement and anticipates satisfying all future disclosure obligations required pursuant to its continuing disclosure undertakings and the Rule.

[The Landowner has not previously entered into any continuing disclosure obligations pursuant to the Rule.] The Landowner anticipates satisfying all disclosure obligations required pursuant to the Disclosure Agreement and the Rule.

## **UNDERWRITING**

(the "Underwriter") has agreed, pursuant to a contract with the District, subject to certain conditions, to purchase the Assessment Area Two Bonds from the District at a purchase price of \$\_\_\_\_\_ (representing the par amount of the Assessment Area Two Bonds [plus/less original issue premium/discount of \$\_\_\_\_\_ and] an Underwriter's discount of \$\_\_\_\_\_). The Underwriter's obligations are subject to certain conditions precedent and the Underwriter will be obligated to purchase all of the Assessment Area Two Bonds if any are purchased.

The Underwriter intends to offer the Assessment Area Two Bonds to accredited investors at the offering prices set forth on the cover page of this Limited Offering Memorandum, which may subsequently change without prior notice. ### Comments:

Surface algae was present throughout this pond, some of which appears to be decaying from previous treatment and some still needs to be addressed. Slender Spikerush was also present along the shoreline in some areas. Technician will target these nuisance species during the next visit.

### Comments:

Pond is in good condition. Some surface algae and nuisance grass was present along the perimeter. It looks much better compared to previous months, but there is more progress that needs to be made. Tech will continue to monitor and treat accordingly.

### Comments:

Pond is mixed conditioned. There is still significant amounts of algae present throughout, some of which does appear to be decaying from previous treatment. Nuisance grasses are still present within the water and around the perimeter. This pond needs a boat treatment event, which we will get scheduled for the next treatment event.

## MANAGEMENT SUMMARY

As October draws to a close, and we enter November, we are finally seeing a change in the weather conditions influencing the ponds. Cooler temperatures are becoming more commonplace in the mornings and nights, though higher daytime temperatures and sunshine still contribute to rapid algae growth during daytime hours. As the days shorten and the season progresses these bloom events will taper off. Rain events are becoming less frequent, leading to extended decay times for surface algae. Additionally, water levels across most ponds will/are decreasing. Technicians on-site are currently providing both reactive and proactive treatment to the growth. If any algal activity is found to be actively growing around the shoreline and shallow areas it is immediately targeted with algaecides. Ponds which historically (in our experience) produce algal activity are pre-treated with algaecides even if none are present in an effort to get ahead of the growth.

At the time of this inspection, many of the ponds were in great or good condition. Algae was present in three of the ponds in moderate to significant amounts. Some of the observed algae was already decaying, and it will continue to be on our technician's radar for future visits. Likewise, nuisance grasses along the observed pond's banks were present in moderate amounts. The major issue noted on this inspection was the algae present throughout ponds #3, 4, & 5, and this will be our main focus moving forward. Full dissolution of algae is typically expected within 7-10 days post treatment. We will continue on with routine treatment with the goal of eradicating as much of this nuisance vegetation as possible.

Pond #5 has been a difficult pond to treat and we are working on getting a boat out there to treat the growth out in the middle that we cannot reach from the shoreline.

## RECOMMENDATIONS

Continue to treat ponds for algae, administer follow-ups to ponds experiencing extended decay times.

Administer treatments to any nuisance grasses growing along exposed shorelines and within beneficial plants.

Continue to apply treatment to overgrown littoral areas.

Avoid overtreating ponds, to prevent fish kills or toxic blooms.

Stay alert for debris items that find their way to the pond's shore.
